The Selected Papers of Jane Addams: Vol. 2 Jane Addams, 2010-10-01 Venturing into Usefulness the second volume of The Selected Papers of Jane Addams documents the experience of this major American historical figure intellectual social activist and author between June 1881 when at twenty one she had just graduated from Rockford Female Seminary and early 1889 when she was on the verge of founding the Hull House settlement with Ellen Gates Starr During these years she was developing into the social reformer and advocate of women s rights socioeconomic justice and world peace she would eventually become She evolved from a high minded but inexperienced graduate of a women s seminary into an educated woman and seasoned traveler well exposed to elite culture and circles of philanthropy Artfully annotated The Selected Papers of Jane Addams offers an evocative choice of correspondence photographs and other primary documents presenting a multi layered narrative of Addams s personal and emerging professional life Themes inaugurated in the previous volume are expanded here including dilemmas of family relations and gender roles the history of education the dynamics of female friendship religious belief and ethical development changes in opportunities for women and the evolution of philanthropy social welfare and reform ideas **The American South and the Great War, 1914-1924** Matthew L. Downs, M. Ryan Floyd, 2018-11-11 Edited by Matthew L. Downs and M. Ryan Floyd The American South and the Great War 1914-1924 investigates how American participation in World War I further strained the region s relationship with the federal government how wartime hardships altered the South s traditional social structure and how the war effort stressed and reshaped the southern economy The volume contends that participation in World War I contributed greatly to the modernization of the South initiating changes ultimately realized during World War II and the postwar era Although the war had a tremendous impact on the region few scholars have analyzed the topic in a comprehensive fashion making this collection a much needed addition to the study of American and southern history These essays address a variety of subjects including civil rights economic growth and development politics and foreign policy women s history gender history and military history Collectively this volume highlights a time and an experience often overshadowed by later events illustrating the importance of World War I in the emergence of a modern South **American Sanctuary** Louis P. Nelson, 2006 This volume examines a diverse set of spaces and buildings seen through the lens of popular practice and belief to shed light on the complexities of sacred space in America Contributors explore how dedication sermons document shifting understandings of the meetinghouse in early 19th century Connecticut the changes in evangelical church architecture during the same century and what that tells us about evangelical religious life the impact of contemporary issues on Catholic church architecture the impact of globalization on the construction of traditional sacred spaces the urban practice of Jewish space nature worship and Central Park in New York the mezuzah and domestic sacred space and finally the spiritual aspects of African American yard art **American Yachts in Naval Service** Kenneth Howard Goldman, 2020-11-02 Before there was

a U S Navy several Colonial navies were all volunteer both the crews and the vessels From its beginnings through World War II the Navy has relied on civilian sailors and their fast vessels to fill out its ranks of small combatants Beginning with the birth of the yacht in the Netherlands in the 17th century this illustrated history traces the development of yacht racing the advent of combustion engine power and the contribution privately owned vessels have made to national defense Vessels conscripted during the Civil War served both the Union and Confederacy sometimes changing sides after capture The first USS Wanderer saw the slave trade from both sides of the law Aboard the USS Sylph Oscar winning actor Ernest Borgnine fought the Third Reich s U boats under sail USS Sea Cloud made history as the first racially integrated ship in the Navy three years before President Truman desegregated the military
