The Man From Cannae:

Man of Salt: The Story of Marcus Livius Salinator and the Battle of the Metaurus In Hannibal's War With Rome Frank Gugino, 2019-08-29 Marcus Livius last year's war hero is angry at the ungrateful Romans for convicting him on phony charges. Disgraced in exile, he vows never to return to Rome. Then tragedy strikes home after the disaster at Cannae. A grieving Marcus plunges into depression, blaming his hubris for losing his mind, career, and family. Hannibal defeats one Roman army after another, poised to conquer Rome itself. Marcus's countrymen turn to him as their last hope to avert destruction. Can Marcus overcome his anger and bitterness, especially when the other consul, Nero, is the man responsible for his unjust conviction? The fate of Rome hinges on his ability to recover his senses and defeat the enemy at the Battle of the Metaurus. The author states he has endeavored to tell the story of a man whose life seemed most unusual to me. In the process, I've attempted to synthesize the historical narrative of the War with Hannibal around Livius's imagined life, maintaining a healthy respect for the actual characters and events as gleaned from the pages of Livy and Polybius, my primary sources. A work of Historical Fiction from Merriam Press. Steven Manchester, 1. Best Selling author, *The Rockin' Chair*, said: "In Gugino's epic novel, characters are real and relatable, scenes are vivid, plot is a true page-turner. Gugino's writing is powerful, invoking a constant state of intrigue. I highly recommend this book." *John Jakes* Mary Ellen Jones, 1996-11-01 John Jakes often called the people's author and godfather of the historical novel, has made American history come to life in his series *The Kent Family Chronicles* and *The North and South Trilogy*. Through these novels, Jakes conveys the sweep of American history, both its glory and its grim scenes, from the American Revolution to the opening moments of the 20th century. Never glossing over the nation's flaws—slavery, materialism, a double-edged Manifest Destiny—Jakes nevertheless affirms American values. This is the first full-length critical study of his work. It examines in detail Jakes's 13 major novels to date and assesses his methods as America's history teacher. In Part I, following a chapter on Jakes's life, Jones examines the early novels and Jakes's use of the genres of historical fiction, the western, and the historical family saga. Part II, *The Kent Family Chronicles*, devotes an individual chapter to each of the novels in this series: *The Bastard*, *The Rebels*, *The Seekers*, *The Furies*, *The Titans*, *The Warriors*, *The Lawless*, and *The Americans*. Part III, *New Beginnings*, features chapters on *North and South*, *Love and War*, and *Heaven and Hell*, and chapters on *California Gold* and *Homeland*. The examination of each novel in this study includes sections on plot development, character development, and thematic issues. Jones also offers an alternative critical perspective from which to read each novel, such as feminist literary criticism, New Historicism, Marxist criticism, and Deconstructionism, that gives the reader an alternative viewpoint from which to consider the novel. A complete bibliography of all of John Jakes's work, works about John Jakes, and a listing of reviews of all the novels examined in the book concludes the study. *The Enemy* J.L. Jarvis, 2014-05-23 Only an enemy soldier could save her life, and her heart. Highlander Callum MacDonell battled lowland Covenanters at the service of the King. Now charged with hunting an assassin, his journey will lead to a murderer's passionate
