Davidson, 1994 For most North Americans Canadians as well as Americans the term Western evokes images of the frontier brave sheriffs and ruthless outlaws good cowboys and bad Indians As Arnold E Davidson shows in this groundbreaking study a number of Canada s most interesting and experimental Western writers parody reverse or otherwise defuse the paraphernalia of the classic U S Western Lacking both a real and imagined frontier Canadian settlers rode trains into the new territory already policed by Mounties the writers of Canadian Westerns were set a different task from their American counterparts and were subsequently freed to create some of the most complex and engrossing fiction yet produced in Canada Davidson details the evolution of the U S and Canadian Western forms tracing the divergence between the two as Canadian writers responded to their unique historical circumstances by reinventing the West as well as the Western and establishing a new literary landscape where author and reader could work out new possibilities of being Surveying a range of texts by Canada s most innovative writers with special attention to women writers and Native stories of Coyote he provides close readings of novels by Howard O Hagan Sheila Watson Robert Kroetsch Aritha van Herk Anne Cameron Peter Such W O Mitchell Beatrice Culleton and Thomas King A unique study Coyote Country offers at one and the same time a theory of Canadian Western fiction a history of crosscultural paradigms of the West as manifested in novels and an intensive reading of some of Canada s best literature *Living the Spirit* Prof. Will Roscoe, Gay American Indians (Organization), 1988-08-15 For centuries throughout America both before and after the arrival of Europeans gay and lesbian Indians were recognized as valued members of tribal communities Combining male and female roles gay Indians worked as mediators artists healers and providers for their tribes Living the Spirit brings together historical overviews personal accounts stories and poetry that celebrate these traditional roles and the rich heritage of gay Indians as well as contemporary writings that give voice to the lives of gay Indians today **For the Director** Charles E. Cleland, 1977-01-01 In 1975 James B Griffin retired as director of the University of Michigan Museum of Anthropology During his three decades as director and professor he had become one of the leading archaeologists in North America and had tremendous influence over the next generation of archaeological research To honor the man and his work nineteen scholars contributed essays to this volume Contributors include Ted Bank Richard Wilkinson Donald Janzen George Quimby and H Martin Wobst Richard Ford and Volney Jones compiled a guide to Griffin s extensive published works *Writing the Range*

Elizabeth Jameson, Susan Hodge Armitage, 1997 In mythic sagas of the American West the wide western range offers boundless opportunity to profile a limited cast of white men In this pathbreaking anthology Jameson and Armitage brings together 29 essays which present the story of women from that era Clearly written and accessible Writing the Range makes a major contribution to ethnic history women s history and interpretations of the American West 27 illustrations 3 maps

Chasing the Sun Edward Joseph Beverly, 2008 Chasing the Sun is a guide to Western fiction with more than 1 350 entries including 59 reviews of the author s personal favorites organized around theme *Encyclopedia of Women and Gender*, *Worlds of Gender* Sarah M. Nelson, 2007 In Worlds of Gender ten prominent scholars consider the research on gender and archaeology that has been conducted around the world The authors discuss the archaeological evidence for gender distinctions from Africa East Asia South Asia Australia Europe Mesoamerica North America and South America Although some regions of the world have only been studied sporadically this volume brings together the totality of the evidence to make it possible to compare sexual roles and identities from far flung cultures of vastly different time periods Worlds of Gender is an excellent resource for comparative cultural studies and gender studies as well as a useful examination of how gender roles affect social structures *Handbook of Gender in Archaeology* Sarah M. Nelson, 2006 First reference work to explore the research on gender in archaeology **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 **Paradoxes of Gender** Judith Lorber, 1994-01-01 In this pathbreaking book a well known feminist and sociologist who is also the Founding Editor of Gender why transvestites transsexuals and hermaphrodites do not affect the conceptualization of two genders and two sexes in Western societies why most of our cultural images of women are the way men see them and not the way women see themselves why all women in modern society are expected to have children and be the primary caretaker why domestic work is almost always the sole responsibility of wives even when they earn more than half the family income why there are so few women in positions of authority when women can be found in substantial numbers in many occupations and professions why women have not benefited from major social revolutions Lorber argues that the whole point of the gender system today is to maintain structured gender inequality to produce a subordinate class women that can be exploited as workers sexual partners childbearers and emotional nurturers Calling into question the inevitability and necessity of gender she envisions a society structured for equality where no gender racial ethnic or social class group is allowed to monopolize economic educational and cultural resources or the positions of power
