The Many Faces of Health, Competence and Well-Being in Old Age Hans-Werner Wahl, Herrmann Brenner, Heidrun Mollenkopf, Dietrich Rothenbacher, Christoph Rott, 2006-01-09 The main aim of the book is to provide an interdisciplinary treatment of a set of key issues of current ageing research i e health competence and well being These key issues are addressed based on three converging research streams social ecological research which assumes that major processes and outcomes of ageing such as day to day competence are shaped by social and physical spatial environments geropsychology research which is driven by a life span developmental conception of ageing and epidemiology which offers most fundamental disease function and prevention related data Each of the three major research directions are outlined by a short introduction followed by three chapters treating in an empirical manner most recent key research questions All chapters are then also discussed by renowned ageing experts This volume links ageing research with policy considerations and implications and establishes a link between European research and the knowledge base of the international scientific

community concerned with ageing This book will be of great interest to scholars and graduate students in ageing research in the social and behavioural field as well as in epidemiology geriatrics geropsychiatry demography and biogerontology

Many Faces of Populism Dwayne Woods, Barbara Wejnert, 2014-09-04 The objective of this edited volume is to provide an answer by examining the many faces of populism The unifying element across the different explorations of the phenomenon of populism is that there is a shared genus that allows for a typology of the different faces of populism and a demarcation of what is not a form of populism

The Many Faces of Christ Michele Bacci, 2014-03-15 Thanks to current portrayals of Jesus of Nazareth we are apt to think of him as having long hair and a short beard But the holy scriptures do not describe Christ's physiognomy and his representations are inconsistent in early Christian and medieval arts How did this long haired archetype come to be accepted in the late ninth century as the standard iconography of the Son of God To answer this question *The Many Faces of Christ* examines the complex historical and cultural dynamics underlying the making and final establishment of Christ's image between late antiquity and the early Renaissance Taking into account a broad spectrum of iconographic and textual sources Michele Bacci describes the process of creating Christ's image against the backdrop of ancient and biblical conceptions of beauty and physicality as indicators of moral ascetic or messianic qualities He investigates the increasingly dominant role played by visual experience in Christian religious practice which promoted belief in the existence of ancient documents depicting Christ's appearance and he shows how this resulted in the shaping of portrait like images that were said to be true to life With glances at analogous progressions in the Jewish Muslim Buddhist Hindu Jain and Taoist traditions this beautifully illustrated book will be of interest to specialists of Late Antique Byzantine and medieval studies as well as anyone interested in the shifting controversial conceptions of the historical figure of Jesus Christ

Reframing Italy Bernadette Luciano, Susanna Scarparo, 2013-11-15 In recent years Italian cinema has experienced a quiet revolution the proliferation of films by women But their thought provoking work has not yet received the attention it deserves Reframing Italy fills this gap The book introduces readers to films and documentaries by recognized women directors such as Cristina Comencini Wilma Labate Alina Marazzi Antonietta De Lillo Marina Spada and Francesca Comencini as well as to filmmakers whose work has so far been undeservedly ignored Through a thematically based analysis supported by case studies Luciano and Scarparo argue that Italian women filmmakers while not overtly feminist are producing work that increasingly foregrounds female subjectivity from a variety of social political and cultural positions This book with its accompanying video interviews explores the filmmakers challenging relationship with a highly patriarchal cinema industry The incisive readings of individual films demonstrate how women's rich cinematic production reframes the aesthetic of their cinematic fathers re positions relationships between mothers and daughters functions as a space for remembering women's histories and highlights pressing social issues such as immigration and workplace discrimination This original and timely study makes an invaluable contribution to film studies and to the study of gender and culture in the early twenty first century

Giraffes in the Garden of Italian Literature Deborah Amberson, 2017-12-02 Writing in 1926 Carlo Emilio Gadda 1893 1973 acknowledges his peculiarity within the Italian literary field by describing himself as a giraffe or a kangaroo in Italy's beautiful garden of literature Gadda's self characterization as exotic and even ungainly animal applies in equal measure to Italo Svevo 1861 1928 and Federigo Tozzi 1883 1920 authors who like Gadda thwarted efforts at critical classification Yet the ostensible strangeness of these three Italian authors is diminished when their writing is considered within the framework of modernism a label traditionally avoided by the Italian critical establishment Indeed within a modernism preoccupied with human embodiment these Italian literary giraffes find their kin Here the central nexus of body subjectivity and style that informs and binds the writing of Svevo Tozzi and Gadda resonates with a modernist renegotiation and revalorization of a human body whose dignity and epistemological authority have been contested by social and technological modernity

Juan de Valdés and the Italian Reformation Massimo Firpo, 2016-03-09 Juan de Valdés played a pivotal role in the febrile atmosphere of sixteenth century Italian religious debate Fleeing his native Spain after the publication in 1529 of a book condemned by the Spanish Inquisition he settled in Rome as a political agent of the emperor Charles V and then in Naples where he was at the centre of a remarkable circle of literary and spiritual men and women involved in the religious crisis of those years including Peter Martyr Vermigli Marcantonio Flaminio Bernardino Ochino and Giulia Gonzaga Although his death in 1541 marked the end of this group Valdés's writings were to have a decisive role in the following two decades when they were sponsored and diffused by important cardinals such as Reginald Pole and Giovanni Morone both papal legates to the Council of Trent The

most famous book of the Italian Reformation the *Beneficio di Cristo* translated in many European languages was based on Vald's thought and the Roman Inquisition was very soon convinced that he had infected the whole of Italy In this book Massimo Firpo traces the origins of Vald's religious experience in Erasmian Spain and in the movement of the alumbados and underlines the large influence of his teachings after his death all over Italy and beyond In so doing he reveals the originality of the Italian Reformation and its influence in the radicalism of many religious exiles in Switzerland and Eastern Europe with their anti Trinitarians and finally Socinian outcomes Based upon two extended essays originally published in Italian this book provides a full up dated and revised English translation that outlines a new perspective of the Italian religious history in the years of the Council of Trent from the Sack of Rome to the triumph of the Roman Inquisition reconstructing and rethinking it not only as a failed expansion of the Protestant Reformation but as having its own peculiar originality As such it will be welcomed by all scholars wishin *Love and Death in Renaissance Italy* Thomas V.

Cohen, 2010-01-15 Gratuitous sex Graphic violence Lies revenge and murder Before there was digital cable or reality television there was Renaissance Italy and the courts in which Italian magistrates meted out justice to the vicious and the villainous the scabrous and the scandalous *Love and Death in Renaissance Italy* retells six piquant episodes from the Italian court just after 1550 as the Renaissance gave way to an era of Catholic reformation Each of the chapters in this history chronicles a domestic drama around which the lives of ordinary Romans are suddenly and violently altered You might read the gruesome murder that opens the book when an Italian noble takes revenge on his wife and her bastard lover as he catches them in delicto flagrante as straight from the pages of Boccaccio But this tale like the other stories Cohen recalls here is true and its recounting in this scintillating work is based on assiduous research in court proceedings kept in the state archives in Rome *Love and Death in Renaissance Italy* contains stories of a forbidden love for an orphan nun of brothers who cruelly exact a will from their dying teenage sister and of a malicious papal prosecutor who not only rapes a band of sisters but turns their shambling father into a pimp Cohen retells each cruel episode with a blend of sly wit and warm sympathy and then wraps his tales in ruminations on their lessons both for the history of their own time and for historians writing today What results is a book at once poignant and painfully human as well as deliciously entertaining *The Mafia in Italian Lives and Literature* Robin Pickering-Iazzi, 2015-10-06 Using an array of cultural documents from 1990 to the present including diaries testimonies fiction online video postings and anti mafia social networks Robin Pickering Iazzi examines the myths values codes of behaviour and relationships produced by the Italian mafia through a wide cross disciplinary lens *The Mafia in Italian Lives and Literature* explores the ways that these literary engagements with the mafia relate to broader contemporary Italian life and offer implicit challenges and a quiet code of resistance to the trauma and injustice wrought by the mafia in various Italian cities Despite the long tradition of representing the mafia in Italian literature until now women's contributions to this literature have been overlooked Pickering Iazzi's aim is to encourage new critical reflection on a broader selection of

literature through new theoretical lenses in order to enrich our understanding of crime fiction Sicily and Sicilian identity in literature narrative traits of the new Italian epic and the cultural and social functions of storytelling in life and literature
