The Mardi Gras Swamp Parade:

The Mardi Gras Swamp Parade Susan McKnight, Suzi Thornton, 2000-03-01 *Draining New Orleans* Richard Campanella, 2023-05-03 In *Draining New Orleans* the first full length book devoted to the world's toughest drainage problem renowned geographer Richard Campanella recounts the epic challenges and ingenious efforts to dewater the Crescent City. With forays into geography public health engineering architecture politics sociology race relations and disaster response he chronicles the herculean attempts to reclaim the city's swamps and marshes and install subsurface drainage for massive urban expansion. The study begins with a vivid description of a festive event on Mardi Gras weekend 1915 which attracted an entourage of elite New Orleanians to the edge of Bayou Barataria to witness the christening of giant water pumps. President Woodrow Wilson connected via phoneline from the White House planned to activate the station with the push of a button effectively draining the West Bank of New Orleans. What transpired in the years and decades that followed can only be understood by examining the large swath of history dating back two centuries earlier to the geological formation and indigenous occupation of this delta and extending through the colonial antebellum postbellum and Progressive eras to modern times. The consequences of dewatering New Orleans proved both triumphant and tragic. The city's engineering prowess transformed it into a world leader in drainage technology yet the municipality also fell victim to its own success. Rather than a story about mud and machinery this is a history of people power and the making of place. Campanella emphasizes the role of determined and sometimes unsavory individuals who spearheaded projects to separate water from dirt creating lucrative opportunities in the process not only for the community but also for themselves. *Top 10 New Orleans* DK Publishing, 2010-11-01 DK Eyewitness *Top 10 New Orleans* will lead you straight to the best attractions this vibrant city has to offer.
