## **The Mark Of The Beast The Continuing Story Of The Spear Of Destiny:**

**The Mark of the Beast** Trevor Ravenscroft, Tim Wallace-Murphy, 1997-01-15 This book is the result of years of research into the history of the Spear of Destiny and the struggle between good and evil in the Western world For 2 000 years the Spear of Destiny purported to have pierced the side of Christ while he was on the cross has been sought by rulers of the Western world who have tried to harness the Spear s absolute power This book explores the odyssey of the Spear and its potential role in the Apocalypse Illustrated *The Mark of the Beast* Trevor Ravenscroft, Tim Wallace-Murphy, 1997-01-15

This book is the result of years of research into the history of the Spear of Destiny and the struggle between good and evil in the Western world For 2 000 years the Spear of Destiny purported to have pierced the side of Christ while he was on the cross has been sought by rulers of the Western world who have tried to harness the Spear s absolute power This book explores the odyssey of the Spear and its potential role in the Apocalypse Illustrated *Cultural Icons* Keyan G

Tomaselli, David Scott, 2018-10-24 The Eiffel Tower this symbol of industrial development and the French Republic is now associated with a romantic vacation in Paris Nelson Mandela the hero of the struggle against apartheid was featured in a British Airways magazine article called The Power of Brand Mandela This book explores these and other contemporary cultural icons that over time have been endowed with a complex and powerful layering of meanings The authors analyze the way in which such icons whether objects or persons living or mythical are constructed and disseminated They also critically investigate the implications in semiotic and cultural terms of the accretion of meaning and popular recognition attached to them their moral and aesthetic ambiguity and their enduring appeal to a fascinated public This slim and provocative volume is ideal for courses in and related to cultural studies **Eternal Chalice** Juliette Wood, 2008-06-30

The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged descendants of Christ himself and Mary Magdalene The common thread running through all these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthral those who like Sir Perceval seek to unlock the mysterious secrets of western mythology s most extraordinary and tantalising enigma and will delight students of history

myth and religion alike      **The Venus Eclipse of the Sun 2012** David Tresemer,2011-12 On the one hand New Testament scholarship has been preoccupied with a search for the historical Jesus On the other twists and turns occurring after the first century brought about an enforced orthodoxy that views modern visionaries as heretics The inconclusive nature of theology pits those who are reluctant to support the miraculous against the witness of the original oral tradition One result of the confusion over the New Testament record is that contemporary fiction such as The Da Vinci Code has emerged to fill the void It has been so popular because there is hunger for a better understanding of those events The author of this book aims to fill the gap Drawing on the visionary reports of Anne Catherine Emmerich 1774 1824 and Judith von Halle b 1973 as well as the spiritual research of Rudolf Steiner and Robert Powell Charles Tidball traces the events of two thousand years ago in Palistine including scenes in the life of John the Baptizer Jesus forty days in the wilderness healings the Transfiguration the raising of Lazarus the Passion Resurrection and Ascension of Christ and much more The author s purpose is to present these relatively unknown facets of the life of Jesus Christ as stories so they can achieve the broader recognition they deserve The result is that this book breathes new life and meaning into familiar stories offering the reader a fresh beginning in understanding the profound wisdom contained in the New Testament      Secrets of the Holy Lance Jerry E.
