Mackenzie, 2003-02-01 Roderick Mack Mackenzie the author of *A Marriage Bed Undefined* describes this book as an opportunity for marriage partners to enhance their sex life and increase the love in their marriage You will learn how to react when your partner wants sex and you don t and what God approve of in the marriage bed In addition when a decision must be made in your marriage and you can t agree with your partner who should make the final decision and who takes the heat if that decision is wrong If that s not enough how about why would God allow all those innocent people to die on 9 11 2001 and just for fun does that age old excuse I never had sex with that woman really hold water Mack writes from his experience as a crisis intervention counselor radio host and pastor He says The characters in *Marriage Bed* are fictitious but are designed to pinpoint those life changing principals we can all take advantage of to improve our sex lives and marriages He says these principals are universal and natural just like gravity or time and though found in the Bible they require no religious belief or affiliation for them to work in your marriage Here is a synopsis of the story A psychological problem causes Henry Ferguson a weak willed self righteous Los Angeles minister to commit adultery though he thinks he has not After losing his pastorate following his own suicide attempt his wife Helen helps him restore his mind reach the full potential of their sex life and find a deeper love for each other This book is for mature readers as graphic sexual content and language are necessary for clarity of the subject matter      *The Marriage Bed ...
