published 70 books almost as many pamphlets and over 2 000 articles he also contributed pieces to some 200 books The availability of the Bertrand Russell Archives at McMaster University since 1968 has made it possible for the first time to compile a full descriptive bibliography of his writings The Collected Papers are based on it Fully annotated the Bibliography is textually oriented and will guide the scholar collector and general reader to the authoritative editions of Russell s works It includes references to the locations of all known speeches and interviews and reproductions of the dust jackets of Russell s books Blackwell Ruja and Turcon have cooperated for nearly 20 years on the new Bibliography Lord Russell saw the extensive additions for it near the end of his life and declared I am impressed **The Art of the Limerick** Cyril Bibby,1978
