The Madness Of Art Interviews With Poets And Writers:

The Madness of Art Robert Phillips, 2003-03-01 Robert Phillips's conversational yet penetrating approach yields self assessments that read like new essays by the writers themselves Conducted over the course of twenty years many of these pieces were first published in the Paris Review Taken from a passage Henry James the title speaks to the madness that drives our greatest works of creativity Phillips's interviews bring out this madness in its most important sense the writers are seers and visionaries whose works inspire us beyond the limits of reason The conversations recorded in *The Madness of Art* attain that same level of inspiration and power Phillips questions his interviewees about their work methods daily lives influences sources of inspiration relationship to other literary figures response to critics choice of genre audience and reasons for writing

Walt Whitman and the Making of Jewish American Poetry Dara Barnat, 2023-08 Walt Whitman though not a Jewish poet has served as a crucial figure within the tradition of Jewish American poetry starting in the mid nineteenth century until today However the genealogy of Jewish American poets responding to Whitman is wider and more nuanced than often recognized Due to Allen Ginsberg's overt adoption of Whitman it is often believed that Ginsberg is the only Jewish American poet to have engaged with Whitman's poetic style and democratic ethos This book reveals how the lineage of poets responding to Whitman extends far beyond Ginsberg and that Ginsberg himself receives Whitman through earlier Jewish American poets like Charles Reznikoff This project presents such a genealogy of poets in dialogue with Whitman and each other from Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy and Alicia Suskin Ostriker Gerald Stern and beyond By researching Whitman's role in this tradition systematically in the work of individual poets and in the framework of Jewish American poetry more broadly this book seeks to fill a gap in the understanding of these dynamics and to invite other scholars to examine the Whitman Jewish connection A major finding in this book is that Whitman has been adopted by Jewish American poets as a liberal symbol against elements in High Modernist literary culture which the poets perceived to be exclusionary and anti Semitic Thus there is a negotiation of the vexed territory of being Jewish in America through an alignment with Whitman As such the turn to Whitman serves as a mode of exploring Jewish and American identity whereby Walt Whitman the poet is imagined to be Jewish and American

New Selected Poems of Marya Zaturenska Robert Phillips, 2001-12-01 Praised for her lyricism and mastery of meter and rhyme Marya Zaturenska's poetry lit up American literature in the 1900s But with the giddy 1920s Zaturenska's traditional lyric grace and penchant for artifice rendered her pass By her mid thirties Zaturenska had succumbed to emotional and physical illness At the same time her work blossomed and critics acclaimed her for elevating lyric conventions to new plateaus In 1937 she won a Pulitzer Prize for her magical collection *Cold Morning Sky* She was only thirty six years old at the time Critics pointed out that Zaturenska had assimilated lyric conventions and made them original and new What is so fine about these poems is that the control implicit in them does

not lead to sterility or to false emotion wrote the New York Times Book Review She is a mystic but how neatly she refines the word This new edition consists of over one hundred poems and twenty translations drawn from eight previous books Early poetry from her teenage years reveals Zaturenska's budding talent and an introduction by fellow poet and close friend Robert Phillips places this gifted writer firmly in both the historic and lyric tradition **Teaching Literature and Language**

Conversations with John Berryman Eric Hoffman, 2021-03-01 The poetry of John Berryman 1914 1972 is primarily concerned with the self in response to the rapid social political sexual racial and technological transformations of the twentieth century and their impact on the psyche and spirit both individual and collective He was just as likely to find inspiration in his local newspaper as he was from the poetry of Hopkins or Milton In fact in contrast to the popular perception of Berryman drunkenly composing strange dreamlike abstract esoteric poems Berryman was intensely aware of craft His best work routinely utilizes a variety of rhetorical styles shifting effortlessly from the lyric to the prosaic For Berryman poetry was nothing less than a vocation a mission and a way of life Though he desired fame he acknowledged its relative unimportance when he stated that the important thing is that your work is something no one else can do As a result Berryman very rarely granted interviews I teach and I write he explained I m not copy yet when he did the results were always captivating Collected in Conversations with John Berryman are all of Berryman s major interviews personality pieces profiles and local interest items where interviewers attempt to unravel him as both Berryman and his interlocutors struggle to find value in poetry in a fallen world [Library Journal](#) ,2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
