## **The Madrigal Collection L'Amorosa Ero:**

**L'Amorosa Ero** ,1968-06-01 A thing of unique invention and rare example this unusual collection of madrigals was composed in late 1587 Eighteen composers from various parts of Italy contributed to the collection using texts from Petrarch and other major figures The individual madrigals have been transcribed into four part voice making the work eminently suitable for modern performance The whole book is beautifully presented The Madrigal Collection L'Amorosa Ero (Brescia, 1588) Harry B. Lincoln, Marc'Antonio Martinengo, 1968 **L'Amorosa Ero** ,1968-06-30 In 1588 in Brescia Italy one Marc Antonio Martinengo Count of Villachiara composed the text and music for a madrigal titled L'Amorosa Ero He then commissioned seventeen other Italian musicians to compose on the same text and pleased with the results according to the preface he had the collection printed For students of the history of the Italian madrigal and the development of its style L'Amorosa Ero offers a rare opportunity for comparison of a group of composers from different parts of Italy at the height of the Renaissance all writing music for the same text The only surviving set of part books of the original madrigal collection is found today in the Vallicella Library in Rome in a curious reworking of the text to change its secular meaning to a religious one This effort was carried out by Padre Giovanale Ancina 1545 1604 who was responsible for preparation of music material for performances in the Oratorio of the Vallicella Church under the direction of the famous St Philip Neri In his contrafactum the original poem telling of the mythological story of Hero beholding her beloved Leander in the water is changed to the biblical story of Peter beholding Christ upon the water Working from these original part books Professor Lincoln has transcribed all eighteen madrigals into modern four part voice making them available to present day singing groups For the scholar the madrigals display a wide range of styles and include the work of major and minor composers from both northern and southern Italy The arrangement of clefs and voice ranges offers a possible confirmation of the theory of chiavette which is briefly discussed The complete edition is prepared for both musicologists and performers and offers attractive materials for both study and performance **The Madrigal Collection L'Amorosa Ero (Brescia, 1588) Transcribed and** ,1968

Luca Marenzio Marco Bizzarini, James Chater, 2017-07-05 Regarded by his contemporaries as the leading madrigal composer of his time Luca Marenzio was an important figure in sixteenth century Italian music and also highly esteemed in England Flanders and Poland This English translation of Marco Bizzarini's study of the life and work of Marenzio provides valuable insights into the composer's influence and place in history and features an extensive up to date bibliography and the first published list of archival sources containing references to Marenzio Women play a decisive role as dedicatees of Marenzio's madrigals and in influencing the way in which they were performed Bizzarini examines in detail the influence of both female and male patrons and performers on Marenzio's music and career including his connections with the confraternity of SS Trinità and other institutions Dedications were also a political tool as the book reveals Many of Marenzio's dedications were made at the request of his employer Cardinal d'Este who wanted to please his French allies Bizzarini

examines these extra musical dimensions to Marenzio's work and discusses the composer's new musical directions under the more austere administration of Pope Clement VIII

### **Forms of Faith in Sixteenth-Century Italy**

Matthew Treherne, 2016-12-05 The sixteenth century was a period of tumultuous religious change in Italy as in Europe as a whole a period when movements for both reform and counter reform reflected and affected shifting religious sensibilities Cinquecento culture was profoundly shaped by these religious currents from the reform poetry of the 1530s and early 1540s to the efforts of Tridentine theologians later in the century to renew Catholic orthodoxy across cultural life This interdisciplinary volume offers a carefully balanced collection of essays by leading international scholars in the fields of Italian Renaissance literature music history and history of art addressing the fertile question of the relationship between religious change and shifting cultural forms in sixteenth century Italy The contributors to this volume are throughout concerned to demonstrate how a full understanding of Cinquecento religious culture might be found as much in the details of the relationship between cultural and religious developments as in any grand narrative of the period The essays range from the art of Cosimo I's Florence to the music of the Confraternities of Rome from the private circulation of religious literature in manuscript form to the public performances of musical laude in Florence and Tuscany from the art of Titian and Tintoretto to the religious poetry of Vittoria Colonna and Torquato Tasso The volume speaks of a Cinquecento in which religious culture was not always at ease with itself and the broader changes around it but was nonetheless vibrant and plural Taken together this new and ground breaking research makes a major contribution to the development of a more nuanced understanding of cultural responses to a crucial period of reform and counter reform both within Italy and beyond

**Music in the Middle Ages and the Renaissance** Harold Gleason, Warren Becker, 1981 This is a complete revision of the second edition designed as a guide and resource in the study of music from the earliest times through the Renaissance period The authors have completely revised and updated the bibliographies in general they are limited to English language sources In order to facilitate study of this period and to use materials efficiently references to facsimiles monumental editions complete composers works and specialized anthologies are given The authors present this systematic organization in this volume in the hope that students teachers and performers may find in it a ready tool for developing a comprehensive understanding of the music of this period

Catalogue of (printed) music. Music. Accessions, pt.[1]-94 British museum dept. of pr. books, 1884

**Ricercari d'intavolatura d'organo** John Morehen, 2000-01-01 *The Unaccompanied Madrigal in Naples from 1536 to 1654* Keith Austin Larson, 1985 *Singing Games in Early Modern Italy* Paul Schleuse, 2015-06-08 In Italy during the late cinquecento printed music could be found not only in the homes of the wealthy or the music professional but also in lay homes courts and academies No longer confined to the salons of the elite music took on the role of social play and recreation Paul Schleuse examines these new musical forms through a study of the music books of Italian priest poet and composer Orazio Vecchi Composed for minor patrons and the wider music buying public Vecchi's madrigals took as their subjects game

playing drinking hunting battles and the life of the street Schleuse looks at how music and game playing allowed singers and performers to play the roles of exemplary pastoral characters and also comic foreign and rustic others in ways that defined and ultimately reinforced social norms of the times His findings reposition Orazio Vecchi as one of the most innovative composers of the late 16th century *Essays on Italian Poetry and Music in the Renaissance, 1350-1600* James Haar, 2023-11-15 These essays illuminate the changing nature of text music relationships from the time of Petrarch to Guarini and in music from the madrigals of Giovanni da Cascia to those of Gesualdo da Venosa Haar traces a line of development from the stylized rhetoric of Trecento song through the popularizing trends of Quattrocento music and on to the union of verbal and musical cadence that marked the high Renaissance in sixteenth century Italian music This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1969 *Library Journal* , 1968 **El Gaucho Martin Fierro/the Gaucho Martin Fierro** José Hernández, 1967-01-01 Readers will take pleasure in discovering the classics through these beautifully packaged and affordably priced editions of famous works of literature from all over the world A variety of periods themes and authors is represented *The Publishers Weekly* , 1967 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1971 *Music in the Theater, Church, and Villa Robert Lamar* Weaver, Norma Wright Weaver, 2000 **Catalog of Printed Books of the Folger Shakespeare Library, Washington, D.C.** Folger Shakespeare Library, 1970 *Music and Culture in Late Renaissance Italy* Iain Fenlon, 2002-12-05 Explores the role of music in the cultural religious and political upheavals of late Renaissance Italy revealing how musical activity of all kinds was instrumentalized by those in power Italian culture did not lose its vigour after 1530 but underwent a transformation
