The Magnificent Spinster:

The Magnificent Spinster May Sarton, 2014-12-16 May Sarton's powerful and profound novel of an extraordinary life and of one woman's efforts to preserve the force and vitality of her experiences on the pages of a book. For the second time in my life and I am now seventy I am embarking on an effort which may well come to nothing but which has possessed my mind haunts and will not let me sleep. From her opening statement Cam the narrator of *The Magnificent Spinster* declares her grand intentions to write a novel, a worthy and important one in celebration of her recently deceased friend and teacher Jane Reid whose dearth of family threatens the memory of her almost tangible greatness. And so she writes, re-creating Jane's childhood, adolescence and years as a teacher including the one in which Cam was her student. She writes of Jane's irrepressible spirit and the charming letters Jane penned about her adventures and she recounts Jane's growing isolation as she aged which rather than softening her only made her shine brighter. Raw, warm and beautifully rendered *The Magnificent Spinster* is a stunning achievement: part memoir, part epistolary recollection and part novel within a novel about friendship, memory and the power of a brilliant soul.

The Magnificent Spinster May Sarton, 1989-03 The magnificent spinster is Jane Reid, a teacher who became not only a revered role model but a dear friend to Cam, the narrator of this novel within a novel. After Jane's death, the accidental discovery of poems written by Cam in her youth to Jane prompts a flood of recollections and frees Cam to imagine in fiction Jane's passionately vibrant life.

Writing with Intent Margaret Atwood, 2009-04-21 From one of the world's most passionately engaged and acclaimed literary citizens comes *Writing with Intent*, the largest collection to date of Margaret Atwood's nonfiction ranging from 1983 to 2005. Composed of autobiographical essays, cultural commentary, book reviews and introductory pieces to great works of literature, this is the award-winning author's first book-length nonfiction publication in twenty years. Arranged chronologically, these writings display the development of Atwood's worldview as the world around her changes. Included are the Booker Prize-winning author's reviews of books by John Updike, Italo Calvino, Toni Morrison and others, as well as essays in which she remembers herself reading Virginia Woolf's *To the Lighthouse* at age nineteen and discusses the influence of George Orwell's 1984 on the writing of *The Handmaid's Tale*. Atwood's New York Times Book Review piece that helped make Orhan Pamuk's *Snow* a bestseller can be found here, as well as a look back on a family trip to Afghanistan just before the Soviet invasion and her Letter to America written after September 11, 2001. The insightful and memorable pieces in this book serve as a testament to Atwood's career, reminding readers why she is one of the most esteemed writers of our time.

May Sarton Margot Peters, 2011-05-04 The first biography of May Sarton, a brilliant revelation of the life and work of a literary figure who influenced her thousands of readers not only by her novels and poetry but by her life and her writings about it. May Sarton's career stretched from 1930, early sonnets published in *Poetry* magazine, to 1995, her journal *At Eighty Two*. She wrote more than twenty novels and twenty-five books of poems and journals. The acclaimed biographer Margot Peters was given full access to Sarton's letters, journals,

and notes and during five years of research came to know Sarton herself the complex woman and artist She gives us a compelling portrait of Sarton the actress the poet the novelist the feminist the writer who struggled for literary acceptance She shows us beneath Sarton's exhilarating irresistible spirit the needy courtier and seducer the woman whose creativity was propelled by the psychic drama she created in others We watch young May at age two as she is abruptly uprooted from her native Belgium by World War I a child ignored both by her mother who was intent on her own artistic vision and reluctant to cope with a child and by her father obsessed with his academic research We see Sarton as a young girl in America and then later at nineteen choosing a life in the theatre landing a job in Eva Le Gallienne's Civic Repertory and gathering what would become a tight knit coterie of friends and lovers Sarton beginning to write poetry and novels Sarton making friends with Elizabeth Bowen and Julian Huxley Erika and Klaus Mann Virginia Woolf the poet H D charming and enlisting them with her work her vitality her hunger for love driven by her need to conquer among her conquests Bowen Huxley and later his wife Juliette We see her intense friendships with literary pals including Muriel Rukeyser her lover and Louise Bogan Sarton's literary sibling who at once encouraged her and excluded her from a world in which Bogan was a central figure We see Sarton begin to create in the spiritual journals that inspired the devotion of readers the image of a strong independent woman who lived peacefully with solitude an image that contradicted the reality of her neediness loneliness and isolation as she pushed away loved ones with her demands and betrayals A fascinating portrait of one of our major literary figures a book that for the first time reveals the life that she herself kept hidden *Rumors from the Cauldron* Valerie Miner, 2014-08-19

An indispensable collection of essays reflecting on the historical and cultural relevance of feminist movements across the globe In these remarkably far reaching writings author and journalist Valerie Miner delivers a complex and engaging volume of essential reading This book touches on topics ranging from suburban housewives to lesbian identity to feminist thought Miner provides an important perspective on the interrelated concepts of authorship gender identity and social criticism Included are examinations of the works of Grace Paley Margaret Atwood and May Sarton meditations on writing and reflections on the cultural legacy of feminism Miner's insights are both perspicacious and thought provoking Written with profound passion and knowledge these tracts are of tremendous value to all readers engaged with the politics of equality

The Creative Crone Sylvia Henneberg, 2010 Henneberg shows how these writers offer radically different but richly complementary strategies for breaking the silence surrounding age Rich provides an approach to aging so strongly intertwined with other political issues that its complexity may keep us from immediately identifying age as one of her chief concerns On the other hand Sarton's direct treatment of aging sensitizes us to its importance and helps us see its significance in such writings as Rich's *Meanwhile* Rich's efforts to politicize age create stimulating contexts for Sarton's work Henneberg explores elements of these writers individual poems that develop themes of aging including imagery and symbol the construction of a persona and the uses of rhythms to reinforce the themes She also includes analyses of their fiction and

nonfiction works and draws ideas from age studies by scholars such as Margaret Morganroth Gullette Kathleen Woodward and Thomas Cole From publisher description **A Spinster's Luck** Rhonda Woodward,2012-02-21 From Rhonda Woodward a writer with sparkle and heart comes a beloved Signet Regency Romance available digitally for the first time Luck has always eluded Celia Langston When her parents passed away ten years ago she had to make her own way in the world forsaking a come out Season in London and any chance at marriage But Celia now a governess has never been one for self pity Rather at the age of six and twenty she has accepted the lot Fate has dealt her that of a spinster With his handsome face reputation for bravery in the war and princely fortune the Duke of Severly has never suffered for want of female companionship The cr me de la cr me hang on his every word So when he takes notice of his nephews governess for even the plainest of gray dresses cannot conceal her regal poise and delicious curves Severly surprises even himself For one he has never admired a woman below his station let alone a governess For another Celia seems to hold a grudge against him But her rejection of him only fans the flames of his desire and Severly knows he s in for a long and difficult chase Rhonda Woodward shows a definite flair for the Regency period The Romance Reader A talented writer Rakehell Rhonda Woodward has historically accurate writing that shines All About Romance **The Films of Agnes Moorehead** Axel Nissen,2013-07-11 Before she achieved immortality on the long running situation comedy Bewitched Agnes Moorehead had established a distinguished career as a character actress After her screen debut in Citizen Kane 1941 Moorehead became one of the most familiar female faces on the silver screen For moviegoers of the 1940s and 50s she was the quintessential character actress earning four Academy Award nominations during a career that saw her gain the respect of her peers in all four major entertainment media radio film theater and television In The Films of Agnes Moorehead Axel Nissen looks at the actress s sixty three feature films between 1941 and 1973 Each film is profiled here with particular emphasis placed on the films that merit closer attention Citizen Kane The Magnificent Ambersons Mrs Parkington Dark Passage All That Heaven Allows The Left Hand of God The Swan Tempest The Bat and Hush Hush Sweet Charlotte Arranged in chronological order the discussion of these films highlights Moorehead s contribution to each feature In addition to analyzing her performances the author discusses the development of Moorehead s career as a whole along with her relationship with various studios directors producers and fellow actors Based on extensive interviews with the actress s surviving friends and co workers as well as detailed archival research into primary sources this book brings to light new information not just about Moorehead s work in film but on her life and career in general Though this book will certainly appeal to movie buffs The Films of Agnes Moorehead will also be of interest to students and scholars of classic Hollywood films including those interested in women and film gender studies and film history *The Spinster's Scandalous Affair* Sophia James,2021-05-25 A sensible spinster Shall go to the ball Euphemia Denniston has accepted her quiet life as servant to her stepmother s family Until cynical wealthy Augustus Rushworth offers her an unusual arrangement accompanying him around town to ward off husband
