The Maharajahs:

The Missionary and the Maharajas Hugh Tyndale-Biscoe, 2018-12-18 Cecil Tyndale Biscoe polarised opinion in early 20th India by his unconventional methods of educating Kashmiris and through them changing the social order of a society steeped in old superstitions He was a man of contradictions a Christian and a boxer a missionary who made very few converts a staunch supporter of British imperialism and a friend of Kashmir's political reformers He made enemies of the Hindu Establishment who described him as exceedingly a bad man and one too much fond of cricket but earned the respect of two successive Hindu Maharajas as well as the Muslim leader who succeeded them He was 27 when he became the Principal of the Church Missionary Society's school in Kashmir in 1890 and he left as India gained independence in 1947 His vision was of a school in action vigorously involved in the affairs and problems of the city of Srinagar to support the weak and to fight corruption wherever it occurred Under his leadership the masters and boys were engaged in fighting fires in the city saving people from drowning taking hospital patients for outings on the lakes helping women and removing the ban on the remarriage of young widows His avowed purpose was to make his students into honest fearless leaders who would serve their beloved country of Kashmir The book begins with the medieval condition of Kashmir in the nineteenth century describes the development of his unusual approach to education explores the many challenges he had to overcome including his chronic bad health his difficulties with the CMS and the opposition of the Hindu establishment and State Government and contrasts this with the speedy and enthusiastic acceptance by his young Kashmiri teachers and students of what he was offering and how together they transformed their society and prepared Kashmir for independence Conquering the maharajas Harrison Akins, 2023-06-06 Conquering the maharajas demonstrates that the political and military clashes between the Indian and Pakistani governments and the princely states a legacy of the layered sovereignty of British indirect rule in India was a product of the competing ideas of state sovereignty leading up to and following the transfer of power in 1947 Cartier Hans Nadelhoffer, 2007-10-18 From modest beginnings in Paris to predominance in the world of high fashion the rise of the house of Cartier is comprehensively chronicled in this lavish volume In the 1980s Cartier granted Hans Nadelhoffer exclusive access to its archives in order to write the definitive history Long out of print Nadelhoffer's exhaustive research has been revived with lush new photography and design sketches of the world's most distinctive and finely crafted jewelry Through charming and compelling anecdotes these famed gems and the elite clientele who don them are brought to life This fully illustrated account is the essential complement to any jewelry lover's collection and will satisfy the longings of all those who covet this legendary brand *Mahipatram* R. to adapt to royal traditions while trying to find a way back to her own time Ananya finds herself irresistibly drawn to Vikram the Maharaja's charismatic son As she navigates palace intrigue and political conspiracies Ananya's modern sensibilities clash with the ancient customs of the court Amidst diplomatic crises and betrayals Ananya and Vikram must confront their feelings and work together to preserve the stability of the kingdom Will their budding romance survive the treacherous waters of court politics or will the forces of tradition and betrayal tear them apart time travel romance historical fiction royal court intrigue Maharaja's Heart contemporary woman in past love story political conspiracy palace drama modern woman historical setting romantic adventure *Cooking of the Maharajas* Shivaji Rao Holkar, Shalini Devi Holkar, 1975 *Hunting Dangerous Game with the Maharajas* Shuja ul Islam, 2001 Contains Many Great Authentic Tales Of Adventure With The Loyalty Relating To Hunting Of Man Eating Tigers And Leopards And Other Menacing Beasts Bengal Tiger Man Eaters 4 Parts Pre Partition Of India The British Raj S 1930 1947 8 Chapters East Pakistan 5 Chapters Hunting Abroad 5 Chapters Appendix Glossary Lavishly Illustrated Report of the Maharaj Libel Case and of the Bhattia Conspiracy Case Connected with it Jadunathjee Brizrattanjee (Maharaj.), 1862 *Report of the Maharaj Libel Case and the Bhattia Conspiracy Case, Connected with it*, 1862 **Cricket in Colonial India 1780 - 1947** Boria Majumdar, 2013-10-18 This is an exacting social history of Indian cricket between 1780 and 1947 It considers cricket as a derivative sport creatively adapted to suit modern Indian socio cultural needs fulfil political imperatives and satisfy economic aspirations Majumdar argues that cricket was a means to cross class barriers and had a healthy following even outside the aristocracy and upper middle classes well over a century ago Indeed in some ways the democratization of the sport anticipated the democratization of the Indian polity itself Boria Majumdar reveals the appropriation assimilation and subversion of cricketing ideals in colonial and post colonial India for nationalist ends He exposes a sport rooted in the contingencies of the colonial and post colonial context of nineteenth and twentieth century India Cricket to put it simply is much more than a game for Indians This study describes how the genealogy of their intense engagement with cricket stretches back over a century It is concerned not only with the game but also with the end of cricket as a mere sport with Indian cricket's commercial revolution in the 1930s with ideals and idealism and their relative unimportance with the decline of morality for reasons of realpolitik and with the denunciation once and for all of the view that sport and politics do not mix This book was previously published as a special issue of the International Journal of the History of Sport *Maharaj Libel Case*, 1911 **Modern Sport - The Global Obsession** Boria Majumdar, Fan Hong, 2013-09-13 Sport has become more than a simple physical expression or game it now pervades all societies at all levels and has become bound up in nationalism entertainment patriotism and culture Now a global obsession sport has infiltrated into all areas of modern life and despite noble ideals that sport stands above politics religion class gender and ideology the reality is often very different These essays by leading academics and rising new talent consider the phenomenon of modern sport and its massive influence over global society Together this collection is also a tribute to the

pioneering and inspirational work of Professor J A Mangan on the political religious class and gender based aspects of modern sport from academics greatly influenced by him and his writing This book was previously published as a special issue of The International Journal of the History of Sport **East of Indus** Gurnam Singh Sidhu Brard,2007 **The Progressive Maharaja** Rahul Sagar,2022-08-01 Hints on the Art and Science of Government was the first treatise on statecraft produced in modern India It consists of lectures that Raja Sir T Madhava Rao delivered in 1881 to Sayaji Rao Gaekwad III the young Maharaja of Baroda Universally considered the foremost Indian statesman of the nineteenth century Madhava Rao had served as dewan or prime minister in the native states of Travancore Indore and Baroda Under his command Travancore and Baroda came to be seen as model states whose progress demonstrated that Indians were capable of governing well Rao s lectures summarise the fundamental principles underlying his unprecedented success He explains how and why a Maharaja ought to marry the classical Indian ideal of raj dharma which enjoins rulers to govern dutifully with the modern English ideal of limited sovereignty This makes Hints an exceptionally important text it shows how outside the confines of British India Indians consciously and creatively sought to revise and adapt ideals in the interests of progress This landmark edition contains both the newly rediscovered original lecture manuscripts and an authoritative introduction outlining Rao s remarkable career his complicated relationship with Sayaji Rao III and the reasons why his lectures have been neglected until now *For King and Another Country* Shrabani Basu,2015-10-22 Over a million Indian soldiers fought in the First World War the largest force from the colonies and dominions Their contribution however has been largely forgotten Many soldiers were illiterate and travelled from remote villages in India to fight in the muddy trenches in France and Flanders Many went on to win the highest bravery awards For King and another Country tells for the first time the personal stories of some of these Indians who went to the Western Front from a grand turbanned Maharaja rearing to fight for Empire to a lowly sweeper who dies in a hospital in England from a Pathan who wins the Victoria Cross to a young pilot barely out of school Shrabani Basu delves into archives in Britain and narratives buried in villages in India and Pakistan to recreate the War through the eyes of the Indians who fought it There are heroic tales of bravery as well as those of despair and desperation there are accounts of the relationships that were forged between the Indians with their British officers and how curries reached the frontline Above all it is the great story of how the War changed India and led ultimately to the call for independence Maharaj Libel Case, Including Bhattia Conspiracy Case. No.1204 of 1861 Yadunathaji Vrajaratanaji (maharaj or High Priest of the Bhattia Caste.),1911 Maharaj Libel Case, Including Bhattia Conspiracy Case, No. 12047 of 1861, Supreme Court, Plea Side India. Supreme Court,1911 Representative Indians Govinda Paramesvara Pillai,1897 **Bihar and Mithila** J. Albert Rorabacher,2016-09-13 The world has become obsessed with the Western notions of progress development and globalization the latter a form of human and economic homogenization These processes through the aegis of the United Nations are comparatively monitored Those nations deemed to be lagging behind are then provided

with foreign aid and developmental assistance For nearly seventy years India has sought its place in this global endeavour yet even today abject poverty and backwardness can be observed in districts in almost every state with the highest concentration of such districts found in the state of Bihar and a cultural enclave known as Mithila Development in India has been elusive because it is difficult to define and because the Western concepts of development and progress have no absolute equivalents within many non Western settings As a consequence development programmes often fail because they are unable to ask the right questions but equally important is the political economy derived from foreign aid For politicians there is no long term benefit to be derived from successful development In general foreign aid only serves to corrupt governments and politicians and in the end does very little for those who need help The struggling states of Bihar and Mithila serve as extreme examples of India s problems Development here has been thwarted by a hereditary landed aristocracy supported by religion casteism custom social stratification tradition and patterns of behaviour that can be traced back millennia In turn all these have been masterfully manipulated by co opted politicians who have turned politics into a veritable art form as this volume comprehensively demonstrates
