The Mahatmas And Their Letters:

The Mahatmas and Their Letters Geoffrey A. Barborka, 1973 **Mahatmas And Their Letters** Geoffrey A Barborka,

Handbook of the Theosophical Current ,2013-01-08 Few religious currents have been as influential as the Theosophical Yet few currents have been so under researched and the Brill Handbook of the Theosophical Current thus represents pioneering research A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview A second substantial section covers most significant religions to emerge in the wake of the Theosophical Society Anthroposophy the Point Loma community the I AM religious activity the Summit Lighthouse Movement the New Age theosophical UFO religions and numerous others Finally the interaction of the Theosophical current with contemporary culture including gender relations art popular fiction historiography and science are discussed at length Imagining the East Erik Reenberg Sand, Tim Rudbøg, 2020 The essays in *Imagining the East* explore how Theosophists during the formative period imagined the religions and cultures of the East The authors examine the relationship of such representations to orientalism the history of ideas politics and culture at large and discuss how these esoteric or theosophical representations mirrored conditions and values current in nineteenth century mainstream intellectual culture The essays also look at how the early Theosophical Society's representations of the East differed from mainstream orientalism and how the Theosophical Society's mission in India was distinct from that of British colonialism and Christian missionaries **Yearning for the New Age** Diane Sasson, 2018-11-01 This biography of an unconventional woman in late 19th Century America is a study of the search for individual autonomy and spiritual growth Laura Holloway Langford a rebel girl from Tennessee moved to New York City where she supported her family as a journalist She soon became famous as the author of *Ladies of the White House* which secured her financial independence Promoted to associate editor of the *Brooklyn Daily Eagle* she gave readings and lectures and became involved in progressive women's causes the temperance movement and theosophy even traveling to Europe to meet Madame Blavatsky the movement's leader and writing for the theosophist newspaper *The Word* In the early 1870s she began a correspondence with Eldress Anna White of the Mount Lebanon New York Shaker community with whom she shared belief in pacifism feminism vegetarianism and cremation Attracted by the simplicity of Shaker life she eventually bought a farm from the Canaan Shakers where she lived and continued to write until her death in 1930 In tracing the life of this spiritual seeker Diane Sasson underscores the significant role played by cultural mediators like Holloway Langford in bringing new religious ideas to the American public and contributing to a growing interest in eastern religions and alternative approaches to health and spirituality that would alter the cultural landscape of the nation A richly detailed biography that will deepen historical understandings of New Age movements in America *American Studies* **Heathen, Hindoo, Hindu** Michael J. Altman, 2017-07-03 Today there are more than two million Hindus in America But before the twentieth century Hinduism was unknown in the United States But while

Americans did not write about Hinduism they speculated at length about heathenism the religion of the Hindoos and Brahmanism In *Heathen Hindoo Hindu* Michael J Altman argues that this is not a mere semantic distinction a case of more politically correct terminology being accepted over time but a way that Americans worked out their own identities American representations of India said more about Americans than about Hindus Cotton Mather Hannah Adams and Joseph Priestley engaged the larger European Enlightenment project of classifying and comparing religion in India Evangelical missionaries used images of Hindoo heathenism to raise support at home Unitarian Protestants found a kindred spirit in the writings of Bengali reformer Rammohun Roy Popular magazines and common school books used the image of dark heathen despotic India to buttress Protestant white democratic American identity Transcendentalists and Theosophists imagined the contemplative and esoteric religion of India as an alternative to materialist American Protestantism Hindu delegates and American speakers at the 1893 World's Parliament of Religions engaged in a protracted debate about the definition of religion in industrializing America *Heathen Hindoo Hindu* is a groundbreaking analysis of American representations of religion in India before the turn of the twentieth century Altman reorients American religious history and the history of Asian religions in America showing how Americans of all sorts imagined India for their own purposes The questions that animated descriptions of heathens Hindoos and Hindus in the past he argues still animate American debates today *Reflections on an Ageless Wisdom* Joy Mills, 2014-07-01 Modern Theosophy expresses the ancient wisdom tradition found in all religions When H P Blavatsky founder of the Theosophical Society in 1875 told English journalist A P Sinnett she had gained her paranormal knowledge from more evolved beings called the Mahatmas Sinnett asked to communicate with them himself The result was a remarkable correspondence carried on from 1880 to 1885 with Mahatmas Khoot Hoomi and Morya Recorded in *The Mahatma Letters to A P Sinnett* the answers of these Teachers form an essential part of Theosophical literature At the time the Letters stormed the bastions of racial and religious prejudice and they continue to fascinate those seeking to probe the mysteries of the universe and the nature of consciousness Here is the most comprehensive magisterial discussion of *The Mahatma Letters* since they were first published in 1924 Eminent Theosophist Joy Mills bases her commentary on Vincente Hao Chin's 1999 edition of the Letters helpfully arranged chronologically to enable following the exposition as it originally unfolded Mills quotes Sinnett in emphasizing that the Mahatmas purpose was not to put the world into possession of occult knowledge but to train those who proved qualified so that they might ascend the path of spiritual progress Her focus then is on not only knowledge of the magnificent Occult Science but more significantly the ethical and moral values we must embrace to be of service to the world She offers her reflections on over 140 letters in the hope that they may prove useful to fellow students on the journey toward the spiritual heights May these letters call you as they have continued to call me to keep on exploring for truly there is no other way to go *The Elder Brother* Gregory Tillett, 2016-01-29 A leading figure in the Theosophical Society Leadbeater was a prolific author writing on subjects ranging from Buddhism Masonic history and

the origins of Christianity through to the power of thought and the fourth dimension Leadbeater was also the force behind Annie Besant the discoverer and educator of Krishnamurti and became Presiding Bishop of the Liberal Catholic Church For all his influence Charles Leadbeater remains largely unknown as a man This biography first published in 1982 dispels many of the mysteries surrounding his life and Leadbeater emerges as neither evil degenerate or infallible saint but as a complex and eccentric adventurer into the realm of the occult This title will be of particular interest to students of history and theology

Letters from the Masters of the Wisdom, 1919 **The Secret Gateway** Edward Abdill, 2012-12-19 While several books have been written on modern Theosophy the ancient wisdom tradition that can be found in every great culture from earliest times to the present none currently exist today in the form of Edward Abdill's new title Presenting his own interpretation of the basic Theosophical concepts established in the late nineteenth century by the brilliant mystic H P Blavatsky Abdill gives us perhaps the first simplified straightforward written version of the esoteric system that for centuries has often been misunderstood Through this concise easy to read introduction to Theosophy people of all faiths and religions can finally start to bridge the gap that is the realm between science and spirituality This book is the perfect guiding tool for all those on the quest to self discovery and self transformation filling the long awaited need of insight into the theories and practices that are the backbone of ancient wisdom that most foundational literature on modern Theosophy leaves to be desired

The process of precipitating handwritten letters explained Helena Petrovna Blavatsky, 2018-05-28 *The Arena*, 1891 **Insights From the Masters** Fiona C. Odgren, 2016-08-26 Whilst a young woman at a pivotal time in her life Fiona C Odgren met George She quickly realized that not only was he to become her spiritual mentor but also her lifelong partner During their budding relationship George placed many reads in front of her and amongst them was The Mahatma Letters Life would never be the same again Insights From the Masters is a compilation of The Mahatma Letters a remarkable correspondence that took place between two Masters Koot Humi and Morya and two influential British men The Letters are currently held in the British Library London UK With this compilation the author has taken what she considers to be the most interesting themes regarding esoteric knowledge presented by the Masters and made their teachings more accessible to the public The Letters contain answers on subjects relating to Birth and Death truth on After Life and Reincarnation Occult Science and Phenomena Karma and Dharma etc and all while portraying the unconditional love and humour of these advanced souls The subjects covered are extensive and cover most of the burning questions of today's true seeker

The Astrology of Relationship Michael R. Meyer, 2000-01-20 Of all the branches of astrology it is probably synastry the technique of comparing the birth charts of two or more persons that most fascinates those who practice astrology today This is the first book to deal thoroughly with the basic purpose and techniques of chart comparison in clear contemporary terms Going beyond the simplistic popular methods which compare only sun signs Michael Meyer's humanistic approach to synastry offers a responsible tool for understanding the mutually constructive aspects of any relationship The Astrology of

Relationship introduces the concept of relationship with a brief overview of its place in traditional astrological practice and its relation to certain Eastern Philosophical concepts Explaining the significance of planets houses and signs in determining personal compatibility Meyer offers a step by step technique for chart comparison including full instructions for casting and interpreting zodiacal contact house contact and composite charts To demonstrate the methods described the book concludes with synastric analyses of three important relationships in history Sigmund Freud and Carl Jung George Sand and Frederic Chopin and founders of the Theosophical Society Madame Blavatsky and Henry Olcott Michael R Meyer is the author of A Handbook for the Humanistic Astrologer and The Astrology of Change Horary Astrology and its Humanistic Applications

Thesis prize 2022 by the European Society for the Study of Western Esotericism **Constructing Tradition** Andreas
Kilcher, 2010-10-05 This volume of conference proceedings investigates the various ways and patterns with which esoteric
writings and groups establish their own tradition This involves concepts of origin and memory ways of legitimising esoteric
tradition as well as techniques and practices of knowledge transmission in esotericism
