**Titanic Collection** Eric Sauder,1998 **The Maiden Voyage of New York City** Gary Girod,2020-05-15 They call it the Manhattan Miracle Half a century after the buildings of New York City sank beneath the rising seas human ingenuity raises them up again and the city is finally returning to prosperity or is it The economy might be revitalized but Mayor Sophia Ramos knows that the Miracle is only a stopgap solution Crippling debt and a surge in crime from the Boroughs threatens to sink the city as surely as the waves did and to Mayor Ramos only an even more radical idea is the solution As Manhattan s elite are targeted by a vast underground criminal empire however the city threatens to fall apart

before she can enact its daring rescue A world famous gonzo journalist an engineer who helped bring about the Miracle and the chief of police butt heads over the mayor s solution Meanwhile two Boroughs cops fighting with their own demons and city wide apathy for their home struggle to bring order into a place rapidly falling under martial law In the end who will stand atop America s tallest buildings      **On Board RMS Titanic** George Behe,2012-02-29 It would make the stones cry to hear those on board shrieking Daniel Buckley third class passenger For the first time in this moving new book Titanic s passengers and crewmen are permitted to tell the story of that lamentable disaster entirely in their own words Included are letters postcards diary entries and memoirs that were written before during and immediately after the maiden voyage itself Many of the pre sailing documents were composed by people who later lost their lives in the sinking and represent the last communications that these people ever had with their friends and loved ones at home The subsequent letters and postcards give an unparalleled description of the events that occurred during the five days that Titanic was at sea and the correspondence by survivors after the tragedy describes the horror of the disaster itself and the heartbreak they experienced at the loss of those they loved This poignant compilation by Titanic expert George Behe also contains brief biographies of the passengers and crewmen victims as well as survivors who wrote the documents in question      **Maiden Voyage.**
