**The Journal of the Institution of Electrical Engineers**, 1917

The Trade-mark Reporter, 1951 **Exemplary Things** Christine M. E. Guth, 2025-09-09 A beautifully illustrated history of one of the most important cultural categories in Japan The Japanese term *meibutsu* refers to things of the highest cultural

value evolving over time to encompass both craft and fine art high and low culture and manufactured and natural items Material goods designated as meibutsu range from precious art objects to regional products like bamboo baskets and ceramics Exemplary Things traces the history of this epistemic classificatory system in Japanese culture from its elite origins in the fifteenth century to its commercial appropriation today Christine Guth explores the use of meibutsu to designate famous things especially in the elevated context of tea practice the term s institutionalization and its popularization through print media and replicas utsushi and discusses how the term was used in critiques of the extravagance associated with collecting these costly treasures She looks at the intertwined histories of meibutsu swords incense and tea utensils focusing on their identities and agency as things with personal names Guth explains how meibutsu evolved from a culture of tributes taxes and gift giving associated with a sense of place into a term essential to cultural literacy and how Japan s modern legislation for the protection of its national treasures kokuh drew on this legacy With stunning illustrations Exemplary Things casts the art history of Japan in a new light showing how the concept of meibutsu blurs the lines between economic value cultural and aesthetic worth and the furtherance of political power Published in association with the P Y and Kinmay W Tang Center for East Asian Art at Princeton University Prayer Shawl Ministries and Women's Theological Imagination Donna Bowman, 2015-10-30 Based on personal interviews Prayer Shawl Ministries and Women s Theological Imagination uncovers the theological creativity of Christian lay women quietly stitching their own sacred fabric From the origins of prayer shawl ministry in feminist and ecumenical thought the movement has grown to hundreds of groups composed mostly of women over 60 in denominations across the political and doctrinal spectrum Through participation in handcrafting ministries participants reflect on themes that sometimes complement and sometimes challenge the public stances of their communities Women in prayer shawl ministries develop commitments to broad inclusion reject the intrusion of market forces and realize their productive power Out of their traditional roles as caretakers they craft compassion into a conscious theologically rich practice Out of their historical subordination they cultivate trust in divine providence and hope for the preservation of their legacy Listening to their ideas convictions and concerns and connecting them to findings from multiple scholarly fields this book seeks to disclose the convergences and complexity of ordinary women s theological thinking and behavior **The Coming of Rome (Routledge Revivals)** John Wachter, 2014-06-17 The Coming of Rome first published in 1979 examines some basic features of Roman Britain the cities the towns and the monuments of an urban culture J S Wachter considers the evidence mainly from inscriptions of the people who inhabited or visited Britain during approximately the first two centuries of Roman rule The Roman conquest of Britain and the progressive extension of Roman control marked a dramatic transformation of British society Although there was much contact between pre Roman Britain and the Continent the advent of Romanisation meant incorporation into a much larger economic system But Britain stood on one of the most distant frontiers of the Roman world and the Romano British society which gradually evolved was thus distinctive Profusely

illustrated throughout The Coming of Rome will appeal to historians and archaeologists as well as the general reader interested in some of the most formative centuries of Britain's development      United States Digest ,1858
