The Making Of History Ebays Presented To Irfan Habib:

The Making of History K. N. Panikkar, T. J. Byres, Utsa Patnaik, 2002 A Marxist scholar and historian Irfan Habib has been a towering presence in the Indian intellectual scene for over four decades Professor Habib's undiminished commitment to the cause of socialism is reflected in these highly original and bold analyses of Marxist historiography and theories of socialist construction

The Making of History K. N. Panikkar, Byres Terence J, Patnaik Utsa, 2000 This Festschrift Includes Essays By Historians Political Scientists And Economists Not Only Those Specializing In The Medieval Period But Also Theorists Of Modern India Theorists Of Culture And Socialist Systems

The Rediscovery of India Meghnad Desai, 2011-08-02 What makes India a nation What has held its many disparate societies with their diverse sometimes conflicting narratives together for more than sixty years What has allowed India to sustain its commitment to the democratic process given its location in a region that is largely undemocratic In this magisterial analysis of the last five hundred years of Indian history Meghnad Desai looks at India's colonial past its struggle for independence and its many contemporary conundrums to discover answers to the questions that have confronted India watchers for decades Rejecting much received wisdom including narratives fashioned by India's ruling establishment Meghnad Desai goes back to the beginnings of the East West encounter at the end of the fifteenth century and tracks its impact on the cultures and politics of the present day Through a series of Counterfactual Boxes Meghnad Desai analyses the accepted defining moments of India's past and suggests alternative courses that history could so easily have taken Meghnad Desai draws on a wealth of sources to illuminate India's journey to the twenty first century Whether it is an examination of British parliamentary debates on the question of India's independence or the liberalization of the economy after decades of licence permit raj or the state's complicity in the Gujarat riots Meghnad Desai's original occasionally iconoclastic approach to seemingly settled arguments makes *The Rediscovery of India* a path breaking and comprehensive account of India's past and present

Ancient Pakistan - An Archaeological History Mukhtar Ahmed, 2014-10-18 This is the fourth volume of the *Ancient Pakistan An Archaeological History* It deals with a number of issues of the Indus Civilization which are primarily of theoretical importance The main topics that have been discussed are the social and political organization of the Harappan society the Harappan religion the Indus script and language the beginning and the end of this vast civilization and the recent attempts in creating some myths around the Indus Civilization Since this volume is primarily dedicated to the theoretical and the abstract descriptive material is kept to a minimum

Climate of Conquest Pratyay Nath, 2019-06-28 What can war tell us about empire In *Climate of Conquest* Pratyay Nath seeks to answer this question by focusing on the Mughals He goes beyond the traditional way of studying war in terms of battles and technologies Instead he unravels the deep connections that the processes of war making shared with the society culture environment and politics of early modern South Asia *Climate of Conquest* closely studies the dynamics of the military campaigns that helped the Mughals conquer North India and project their power beyond it The author argues

that the diverse natural environment of South Asia deeply shaped Mughal military techniques and the course of imperial expansion He also sheds light on the world of military logistics labour animals and the organization of war the process of the formation of imperial frontiers and the empire s legitimization of war and conquest What emerges is a fresh interpretation of Mughal empire building as a highly adaptive flexible and accommodative process World Socialist Cinema Masha Salazkina,2023-06-13 World Socialist Cinema Alliances Affinities and Solidarities reconstructs the trajectories of international film circulation between the Soviet Bloc and the countries of the Global South in the mid to late Twentieth Century The book takes as its focal point the Tashkent International Festival of Cinemas of Asia Africa and Latin America that took place in Uzbekistan USSR throughout the 1970s and 1980s Centering on the vast body of cinematic work from the three continents screened at the festival and paying particular attention to the internal tensions and gender dynamics within it the book proposes world socialist cinema as a distinct formation providing an alternative to Euro centric and or national and regional narratives of film history an international socialist cinema as seen from the vantage point of the Global South

India: The Ancient Past Burjor Avari,2007-06-11 This carefully crafted study presents the fascinating story of the development and establishment of India s culture and civilization from early pre history through to the early second millennium Encompassing topics such as the Harappan Civilization the rise of Hindu culture the influx of Islam in the eighth and the eleventh twelfth centuries and key empires states and dynasties India The Ancient Past engages with methodological and controversial issues Key features of this illustrated guide include a range of maps illustrating different temporal and geographical regions selected source extracts at the end of each chapter for review and reflection questions for discussion This book provides comprehensive coverage of the political spiritual cultural and geographical history of India making it an enriching read for anyone with an interest in this captivating period of history *The ^AKing and the People* Abhishek Kaicker,2020-02-03 *The King and the People* tells the history of a period of imperial collapse through the everyday experience of the Mughal empire s urbanites This book offers a narrative of the evolving relation between courtly enunciations of sovereignty and the politics of the street Set in Delhi the capital of the largest and most sophisticated political formation in India before the British the book brings together the study of intellectual traditions power politics urban culture and popular violence *The Millennial Sovereign* A. Azfar Moin,2012-10-16 At the end of the sixteenth century and the turn of the first Islamic millennium the powerful Mughal emperor Akbar declared himself the most sacred being on earth The holiest of all saints and above the distinctions of religion he styled himself as the messiah reborn Yet the Mughal emperor was not alone in doing so In this field changing study A Azfar Moin explores why Muslim sovereigns in this period began to imitate the exalted nature of Sufi saints Uncovering a startling yet widespread phenomenon he shows how the charismatic pull of sainthood wilayat rather than the draw of religious law sharia or holy war jihad inspired a new style of sovereignty in Islam A work of history richly informed by the anthropology of religion and art *The Millennial Sovereign* traces

how royal dynastic cults and shrine centered Sufism came together in the imperial cultures of Timurid Central Asia Safavid Iran and Mughal India By juxtaposing imperial chronicles paintings and architecture with theories of sainthood apocalyptic treatises and manuals on astrology and magic Moin uncovers a pattern of Islamic politics shaped by Sufi and millennial motifs He shows how alchemical symbols and astrological rituals enveloped the body of the monarch casting him as both spiritual guide and material lord Ultimately Moin offers a striking new perspective on the history of Islam and the religious and political developments linking South Asia and Iran in early modern times

Why Agriculture Productivity Falls

Rashed Al Mahmud Titumir, 2023-06-15 Why Agriculture Productivity Falls The Political Economy of Agrarian Transition in Developing Countries offers a new explanation for the decline in agricultural productivity in developing countries

Transcending the conventional approaches to understanding productivity using agricultural inputs and factors of production this work brings in the role of formal and informal institutions that govern transactions property rights and accumulation This more robust methodology leads to a comprehensive well balanced lens to perceive agrarian transition in developing countries It argues that the existing process of accumulation has resulted in unsustainable agriculture because of market failures the result of asymmetries of power diseconomies of scale and unstable property rights The book covers the historical shifts in land relations productivity and class relations that have led to present day challenges in sustainability The result is arrested productivity growth Agrarian transition should be understood in the context of the wider economic development in society including how political settlement and primitive accumulation inhibited the kind of property rights that encourage growth Why Agriculture Productivity Falls is a much needed corrective to the traditional understanding because before we can increase productivity we must understand the root causes of those challenges

Silk Berit Hildebrandt, 2017-02-28

Already in Greek and Roman antiquity a vibrant series of exchange relationships existed between the Mediterranean regions and China including the Indian subcontinents along well defined routes we call the Silk Roads Among the many goods that found their way from East to West and vice versa were glass wine spices metals like iron precious stones as well as textile raw materials and fabrics and silk a luxury item that was in great demand in the Roman Empire These collected papers connect research from different areas and disciplines dealing with exchange along the Silk Roads These historical philological and archaeological contributions highlight silk as a commodity gift and tribute and as a status symbol in varying cultural and chronological contexts between East and West including technological aspects of silk production The main period concerns Rome and China in antiquity ending in the late fifth century CE with the Roman Empire being transformed into the Byzantine Empire while the Chinese chronology covers the Han dynasty the Three Kingdoms the Western and Eastern Jin and Sixteen Kingdoms ending in 420 CE In addition both earlier and later epochs are also considered in order to gather an understanding of developments and changes in long distance and longer term relations that involved silk

The Indian Ocean in the Making of Early Modern India Pius Malekandathil, 2016-09-13 This volume looks into the ways

Indian Ocean routes shaped the culture and contours of early modern India IT shows how these and other historical processes saw India rebuilt and reshaped during late medieval times after a long age of relative stagnation isolation and backwardness Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Writing the Mughal World* Muzaffar Alam, Sanjay Subrahmanyam, 2012 Between the mid sixteenth and early nineteenth century the Mughal Empire was an Indo Islamic dynasty that ruled as far as Bengal in the east and Kabul in the west as high as Kashmir in the north and the Kaveri basin in the south The Mughals constructed a sophisticated complex system of government that facilitated an era of profound artistic and architectural achievement They promoted the place of Persian culture in Indian society and set the groundwork for South Asia's future development In this volume two leading historians of early modern South Asia present nine major joint essays on the Mughal Empire framed by an essential introductory reflection Making creative use of materials written in Persian Indian vernacular languages and a variety of European languages their chapters accomplish the most significant innovations in Mughal historiography in decades intertwining political cultural and commercial themes while exploring diplomacy state formation history writing religious debate and political thought Muzaffar Alam and Sanjay Subrahmanyam center on confrontations between different source materials that they then reconcile enabling readers to participate in both the debate and resolution of competing claims Their introduction discusses the comparative and historiographical approach of their work and its place within the literature on Mughal rule Interdisciplinary and cutting edge this volume richly expands research on the Mughal state early modern South Asia and the comparative history of the Mughal Ottoman Safavid and other early modern empires **The Great Hindu**

Civilisation: Achievement, Neglect, Bias And The Way Forward Pavan K. Varma, 2023-07-12 About the Book A SUCCINCT ACCOUNT OF THE PROGRESS OF THE HINDU CIVILISATION AND ITS CURRENT CRISIS What do we mean by the Hindu civilisation What are the texts and legacies that moved it forward from one century to another How much of it has to do with inherited religious beliefs and how has the politicisation of these beliefs changed the prism through which Hindus view themselves and others especially those identifying with different belief systems These are the questions the author sets out to answer with this potted history of the Hindu world in the context of changing empires and leaderships through colonisation and conquest leading up to the present challenges presented by the proponents of Hindutva Direct hard hitting and wise this is an invaluable treatise for our times **Artisans, Sufis, Shrines** Hussain Ahmad Khan, 2014-12-19 In nineteenth century Punjab a cultural tug of war ensued as both Sufi mystics and British officials aimed to engage the local artisans as a means of realizing their ideological ambitions When it came to influence and impact the Sufi shrines had a huge advantage over the colonial art institutions such as the Mayo School of Arts in Lahore The mystically inspired shrines built as a statement of Muslim ruling ambitions were better suited to the task of appealing to local art traditions By contrast the colonial institutions rooted in the Positivist Romanticism of the Victorian West found assimilation to be more of a challenge In

questioning their relative success and failures at influencing local culture the book explores the extent to which political control translates into cultural influence Folktales Sufi shrines colonial architecture institutional education methods and museum exhibitions all provide a wealth of sources for revealing the complex dynamic between the Punjabi artisans the Sufi community and the colonial British In this unique look at a little explored aspect of India s history Hussain Ahmad Khan explores this evidence in order to illuminate this web of cultural influences Examining the Sufi artisan relationship within the various contexts of political revolt the decline of the Mughals and the struggle of the Sufis to establish an Islamic state this book argues that Sufi shrines were initially constructed with the aim of affirming a distinct Muslim identity At the same time art institutions established by colonial officials attempted to promote eclectic architecture representing the British Indian empire as well as to revive the pre colonial traditions with which they had previously seemed out of touch This important book sheds new light on the dynamics of power and culture in the British Empire Impact of Islam on Orissan Culture

Mohammed Yamin, Consisting of plurality of religions and cultures Orissa has been the home of different traditions It presents reconciliation mutual exchange and peaceful co existence The advent of Islam in Orissa led to further changes in the socio cultural fabric of Orissan society Tracing the advent and spread of Islam in Orissa this book makes a comprehensive study of its impact on various aspects of Orissan society religion social set up literature art and architecture and economy The role of Sufi saints and Bhakti poets towards creating harmonious relations between Hindus and Muslims has also been examined Global Crisis Geoffrey Parker,2020-08-11 The acclaimed historian demonstrates a link between climate change and social unrest across the globe during the mid 17th century Revolutions droughts famines invasions wars regicides government collapses the calamities of the mid seventeenth century were unprecedented in both frequency and severity The effects of what historians call the General Crisis extended from England to Japan and from the Russian Empire to sub Saharan Africa and the Americas In this meticulously researched volume historian Geoffrey Parker presents the firsthand testimony of men and women who experienced the many political economic and social crises that occurred between 1618 to the late 1680s He also incorporates the scientific evidence of climate change during this period into the narrative offering a strikingly new understanding of the General Crisis Changes in weather patterns especially longer winters and cooler and wetter summers disrupted growing seasons and destroyed harvests This in turn brought hunger malnutrition and disease and as material conditions worsened wars rebellions and revolutions rocked the world **Money and Markets from**

Pre-colonial to Colonial India Anirban Biswas,2007 This Book Is A Study Of The Pre Colonial And Transitional Phase Of India S Monetary And Commerical History With Special Reference To Bengal And Brings Into Focus The Changes That Were Brought About By The Colonial Rule It Emphasises That There Were Considerable Elements Of Conflict In The Process Of Transition The Author Argues Is The Disappearance Of The Humble Currency Media And The Eclipse Of The Autonomy Of The Rural Economy Reasons For Which Need To Be Carefully Examined Labour Markets, Identities, Controversies Tom

Brass,2017-01-05 Debates about labour markets and the identity of those who in an economic sense circulate within them together with the controversies such issues generate have in the past been confined by development studies to the Third World Now these same concerns have shifted as the study of development has turned its attention to how these same phenomena affect metropolitan capitalist nations For this reason the book does not restrict the analysis of issues such as the free unfree labour distinction and non class identity to Third World contexts The reviews review essays and essays collected here also examine similar issues now evident in metropolitan capitalism together with their political and ideological effects and implications

Politics and Governance in Bangladesh Ipshita Basu,Joe Devine,Geof Wood,2017-09-08 Since its Independence in 1971 Bangladesh has made remarkable progress in terms of reducing poverty levels achieving high levels of economic growth over a sustained period of time and meeting its Millennium Development Goals MDG targets set by the United Nations With some justification Bangladesh is considered an international development success story and the country appears to be well on track to meet its policy target of becoming a middle income country by 2021 the same year the country will celebrate 50 years of Independence This book explores the central issue of Bangladeshi politics the weakness of governance The coexistence of a poor governance track record and a relatively strong socioeconomic performance makes Bangladesh an intriguing case which throws up exciting and relevant conceptual and policy challenges Structured in four sections Political Settlement Elites and Deep Structures Democracy Citizenship and Values Civil Society Local Context and Political Change Informality and Accountability the book identifies and engages with these challenges Chapters by experts in the field share a number of conceptual and epistemological principles and offer a combination of theoretical and empirical insights and cover a good range of contemporary issues and debate Employing a structurally determinist perspective this book explains politics and society in Bangladesh from a novel perspective Academics in the field of governance and politics in developing countries with a focus on South Asia and Bangladesh will welcome its publication
