Ugly Beauty Ruth Brandon, 2011-02-01 Thanks to a combination of business savvy breathtaking chutzpah and lucky timing Helena Rubinstein managed to transform herself from a poor Polish emigrant to the world's first self made female tycoon She went from selling homemade Cr me Valaze out of her house in Australia to becoming an international cosmetics magnate Tiny and plump wearing extravagant jewels and spiked heels she was a fixture of upper crust New York for many years She was larger than life and never took no for an answer when she was refused from a New York City apartment on the grounds that she was Jewish she went ahead and bought the whole building and promptly moved in The story of Eug ne Schueller and L Or al begins in 1907 in a dingy working class part of Paris where a young Schueller sat at his family s kitchen table trying to develop the first harmless artificial hair dye. The tale of how L Or all went from that point to the world's largest cosmetics company is fascinating and full of intrigue with a little of everything fascist assassins bitter unmaskings political scandals In 1988 although Schueller and Rubinstein had long since passed away their worlds collided when L Or al bought Rubinstein's company leading to a series of scandals that threw a new and sinister light on L Or al For starters Rubinstein was Jewish but Schueller and many other top L Or al executives had been active Nazi collaborators What came to light threatened the reputations of some of France's most powerful men up to and including its president This is a powerful dramatic and largely untold story about the ugly truth behind a beauty empire Biography News .1974 Catalog of Copyright Entries, Third Series ,1950 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc The New York Times Biographical Service, 1999 A compilation of current biographical information of general interest Catalog of Copyright Entries.
