The Man From Odessa:

The Man from Odessa Greville Wynne,1981 **The man from Odessa (cassette).** Greville Wynne,1990 *The Man Who Swam into History* Robert A. Rosenstone,2010-01-01 The story begins with a grandfather who heroically escaped from Russia by swimming the Pruth River to Romania or did he Then there are stories of another grandfather who kept a lifelong mistress grandmothers who were ignored except in the kitchen migrations legal and illegal from Eastern Europe to Canada to California racketeers on one side of the family and Communists on the other and a West Coast adolescence in the McCarthy years All of these mostly true stories form a Jewish family s history a tale of dislocation and assimilation But in the hands of award winning historian Robert Rosenstone they become much more The fragments of memory so beautifully preserved in *The Man Who Swam into History* add unforgettable human characters to the now familiar story of the Jewish diaspora in the twentieth century This combination memoir short story collection recounts the Rosenstone family s passage from Romania to America Robert Rosenstone tells the story not as a single linear narrative but through tales sequences windows moments and fragments resurrected from the lives of three generations in my two parental families set in five countries on two continents over the period of almost a century This more literary and personal approach allows Rosenstone s relatives to emerge as distinct personalities voices who quarrel and gossip share their dreams and fears and maintain the ties of a loving if eccentric family Among the genre of coming to America tales *The Man Who Swam into History* is a work of unique vision one that both records and reconstructs the past even as it continuously and humorously questions the truth of its own assertions **Meet the Man from Hobbtown** Dennis R. Smith,2023-09-07 In Dennis words Meet the Man from Hobbtown is a record of my life written now when at the present date I am eighty eight years old After being asked many times by my two daughters Pamela Smith Hill of Portland Oregon and Angela Smith of Springfield Missouri I have finally yielded to their wishes and put in print a great part of my life I have not done this for any financial benefit but I hope that my entire family will appreciate this history which has its start in the year I was born December 11 1929 The e book version of this book was published posthumously Dennis joined his beloved wife Carolyn Smith on August 31 2023 after eight months apart The family has opted to publish the book for free for anyone who wishes to know more about this incredible man

Iv n begins to understand that his new friend is hiding a terrible secret Moving seamlessly between Iv n s life in Cuba Ram n s early years in Spain and France and Trotsky s long years of exile The Man Who Loved Dogs is Padura s most ambitious and brilliantly executed novel yet This is a story about political ideals tested and characters broken a multilayered epic that effortlessly weaves together three different plot threads Trotsky in exile Ram n in pursuit Iv n in frustrated stasis to bring emotional truth to historical fact A novel whose reach is matched only by its astonishing successes on the page The Man Who Loved Dogs lays bare the human cost of abstract ideals and the insidious corrosive effects of life under a repressive political regime
