The Man From Purgatory:

The Man from Purgatory John Guffey,2004-02 **Purgatory's Shore** Taylor Anderson,2022-08-23 On their way to fight in the Mexican American War a group of American soldiers are swept away to a strange and deadly alternate Earth in this thrilling new adventure set in the world of the New York Times bestselling Destroyermen series The United States 1847 A disparate group of young American soldiers are bound to join General Winfield Scott's campaign against Santa Anna at Veracruz during the Mexican American War They never arrive Or rather they arrive somewhere else The untried idealistic soldiers are mostly replacements really a handful of infantry artillery dragoons and a few mounted riflemen with no unified command And they've been shipwrecked on a terrible different Earth full of monsters and unimaginable enemies Major Lewis Cayce late of the 3rd US Flying Artillery must unite these men to face their fears and myriad threats armed with little more than flintlock muskets a few pieces of artillery and a worldview that spiritually and culturally rebels against virtually everything they encounter It will take extraordinary leadership and a cadre of equally extraordinary men and women to mold frightened troops into an effective force make friends with other peoples the evil Holy Dominion would eradicate and reshape their manifest destiny into a cause they can all believe in and fight for For only together will they have any hope of survival

Penitence, Preaching and the Coming of the Reformation Anne T. Thayer,2017-07-05 Why did the Reformation take root in some places and not others Although many factors were involved the varying character of penitential preaching across Europe in the decades prior to the Reformation was an especially important contributor to the subsequent receptivity of evangelical ideas In this book several collections of model sermons are studied to provide an overview of late medieval teaching on penitence What emerges is a pattern of differing emphases in different geographical locations with the characteristic emphases of the penitential message in each region suggesting how such teaching prepared the ground for both the appeal and the reputation of Luther s message People heard and interpreted the new theology using the late medieval penitential understandings and expectations they had been taught The variety of teaching found in the Church left different regions vulnerable or resistant to evangelical critiques and alternatives Despite current academic claims that the establishment of the Reformation cannot have resulted from lay religious understanding this study offers evidence that theological ideas did reach beyond religious elites to promote a degree of popular support for the Reformation **The**
