The Man Who Met The Train:

Charles Sweeny, the Man Who Inspired Hemingway Charley Roberts, Charles P. Hess, 2017-10-20 Charles Sweeny 1882-1963 was the heir to a fortune. Renouncing a life of comfort, he became a warrior for causes he believed in. Twice kicked out of West Point, he fought in revolts against three Latin American dictators. He was a decorated officer in the French Foreign Legion and in the U.S. Army during World War I, a brigadier general in the Polish-Soviet War, and a military advisor in the Greco-Turkish War. He led a flying squadron in Morocco's Rif War, advised Loyalists in the Spanish Civil War, and spied for French intelligence during World War II. Before America entered the war, he dodged FBI agents and U.S. neutrality laws to recruit American pilots to fight the Nazis and became a group captain in the R.A.F.'s Eagle Squadron. After Pearl Harbor, he worked with Wild Bill Donovan to devise guerrilla campaigns in North Africa and Eastern Europe. This richly detailed biography draws on Sweeny's personal papers, historical documents, and photographs to chronicle the fascinating life of America's most celebrated soldier of fortune, a lifelong friend of Ernest Hemingway, and a model for his fictional heroes.

The Man who Met the Train Harold ADAMS, 1989 **Limerick's Fighting Story, 1916-21** Ruan O'Donnell, 2009
Limerick's Fighting Story offers eye witness and first hand accounts of the struggle for independence in Limerick city and county. When the Truce was declared in the War of Independence in July 1921, each of Limerick's brigade areas, west, mid, and east, had flying columns in the field. While the challenge of city fighting and urban guerrilla tactics were high on the list of concerns for the mid-brigade, the east and west flying columns were active raiders and ambush artists. This new edition of the classic *Limerick's Fighting Story* features stories and reports from every aspect of the conflict in Limerick from the Limerick Heroes of 1916 through the nights of terror and violence in Limerick city, as Tans killed residents to the exploits of the women of Cumman na mBan. *The Historic Murder Trial of George Crawford* David Bradley, 2014-06-10
The Depression era murder trial of George Crawford in Northern Virginia helped end the exclusion of African Americans from juries. Nearly forgotten today, the murders, ensuing manhunt, extradition battle, and sensational trial enthralled the nation. Before it was over, the U.S. House of Representatives threatened to impeach a federal judge; the age-old states' rights debate was renewed, and a rift nearly split the fledgling NAACP. In the end, the story's hero, Howard University Law School dean Charles Hamilton Houston, was the subject of public ridicule from critics who had little understanding of the inner workings of the case. This book puts the Crawford murder trial in its fullest context, side by side with relevant events of the time. Stalin's Apologist: Walter Duranty: The New York Times's Man in Moscow S.J. Taylor, 1990-03-29
Short, unattractive, hobbling, about Stalin's Moscow on a wooden leg, Walter Duranty was an unlikely candidate for the world's most famous foreign correspondent. Yet for almost twenty years, his articles filled the front page of *The New York Times* with gripping coverage of the aftermath of the Russian Revolution. A witty, engaging, impish character with a flamboyant life style, he was a Pulitzer Prize winner, the individual most credited with helping to win U.S. recognition for the Soviet regime, and the reporter who had predicted the

success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known Stalin s Apologist deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor s vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin s rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history s greatest man made disasters Later he took the rigged show trials of Stalin s Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin s crimes You can t make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty s astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin s victims but remained a prisoner of vanity self indulgence and success
