Music in American Combat Films Wesley J. O'Brien, 2014-01-10 The book explores ways in which combat film scores interact collaboratively with other film elements for instance image and dialogue to guide audience understanding of theme and character Examined are classical and current models of film scoring practice and the ways they work to represent changes in film narratives taking place over time or from film to film Differing approaches to scoring practice are considered as possible reflections of prevailing cultural attitudes toward war and warriors during the time of a film's creation the war it represents or both Observations of cinematic representations of masculinity heroism and war raise questions regarding whether and if so to what extent we have lost some measure of faith in our country's motives for waging war and in the traditional models of what we think it means to be a hero

Sniper Sari Horwitz, Michael Ruane, 2004-09-28 Sniper is the behind the scenes story of one of the most frightening rampages to occur in U S history and how it was stopped For more than three weeks the nation watched in disbelief as Washington D C and its surrounding suburbs were held hostage by anonymous gunmen shooting innocent civilians at random Sniper is the definitive account of those alleged gunmen John Muhammad and Lee Boyd Malvo

and the massive manhunt that ended with their capture by a heavily armed SWAT team in an early morning raid at an interstate highway rest stop Two Washington Post reporters Sari Horwitz and Michael E Ruane retrace the steps of Muhammad and Malvo from their first meeting on the island of Antigua to Malvo's de-ant confession in a Virginia jail Drawing on exclusive reporting about that confession internal police documents and a wide range of law enforcement sources Horwitz and Ruane track in remarkable detail the murderous trail Muhammad and Malvo are accused of having followed to the Washington area and reconstruct the eerie way in which the two moved invisibly around the nation's capital in the midst of one of the largest police investigations in U S history Horwitz and Ruane also take you inside the police command center where local and state police joined by the federal government's most experienced crime fighters worked desperately to stop the killings unaware that a fundamental error investigators were wrongly fixated on a white van was allowing Muhammad and Malvo to slip through the dragnet We meet FBI negotiators veteran detectives forensics experts prosecutors and politicians who faced perhaps the biggest challenge of their careers as they confronted frustrating setbacks logistical nightmares and the overwhelming pressure of a high stakes investigation In a fast paced narrative that outdoes even the most acclaimed television cop shows Sniper recounts the extraordinary police work that enabled investigators to quickly exploit the clues handed to them by Muhammad and Malvo that finally led to their arrest Part gripping drama part real life portrait of law enforcement at work Sniper is also a cautionary tale about the vulnerability of American society in an age of terrorism

George and Barbara Bush belonged to and were active members of a Houston church for more than 50 years. The rector of that church, Reverend Russell Jones Levenson Jr, believes he was invited into private moments with these public individuals so he could serve as a witness, a witness to observe and a witness to tell. With never before shared correspondence, experiences and personal stories, Levenson offers new insight into the Bushes' wit and wisdom, their commitment to family and friends, their tireless desire to bless the lives of others and their steadfast loyalty to their church, their faith and their God. Before embarking on writing this book on faith, Levenson sought and received the blessing of all the Bush children, including the 43rd president. Readers will laugh, cry and be inspired as Levenson ponders how and why he was put in this unique pastoral position, asking questions like: What on earth was I doing reading the sports section of the paper with the forty-first president, his cabinet member Brent Scowcroft and a Chinese official on a breezy morning at Walker's Point in Kennebunkport, Maine? Levenson writes with emotion about being with President Bush and Barbara Bush as they each took their last breaths on this earth. He then describes in full detail the surreal experience of planning a state funeral and giving a eulogy with other presidents in the front row. This book is for readers who yearn for our public officials to serve with faith and integrity like the Bushes. But above all else, this book shows how powerful it is when world leaders are humbled before the power that rests above all powers. Reverend Levenson was a dear friend and spiritual mentor to both my beloved grandparents. His stories of friendship will fill you with hope and inspire grace. These words of Chief Joseph concluded a thousand-mile odyssey of 750 Nez Perce adults, children and their elderly. Pursued by the US Army and Cavalry, the Nimiipuu fought battles, crossed the forbidding Bitterroot Mountains with their herds and maintained their humanity and heritage against overwhelming odds. Bitterroot is dramatized history giving voice to Joseph, Looking Glass, White Necklace, Half Man, Half Woman, Howard, The Christian Soldier, Calamity Jane and Yellowstone Kelley, providing a mirror with which to see ourselves today. It portrays a conflicted America: racism, religious intolerance and greed at war with liberty and equality. Such an epic story reminds us of our common humanity. It is for the young generation behind us, said Yellow Wolf. I want the next generation of whites to know
