*The Dracula Dossier* James Reese, 2009-10-06 While taking an evening stroll through one of London's most impoverished districts author Bram Stoker spies a maddeningly familiar figure hurrying through the shadows Little does he know that only a few steps away a vicious killer has claimed his first victim a local prostitute The crime spree of the century has begun and the hapless writer is the prime suspect Now to clear his name Stoker must enlist the aid of illustrious friends including Walt Whitman the wildly popular novelist Sir Thomas Henry Hall Caine and Lady Jane Wilde mother of the most notorious literary notable of the day to hunt down the fiend who is taunting and terrorizing London and calling himself Jack the Ripper

Mineral Dossier, 1973      **The Avengers Dossier** Paul Cornell, Martin Day, Keith Topping, 2013-10-31 More than any other series THE AVENGERS typified the Swinging Sixties beginning in 1961 with Patrick Macnee starring with Ian Hendry in a grainy realistic spy thriller and ending in 1969 with Macnee and the glamorous Linda Thorson blasting off into space in a surreal episode appropriately entitled Bizarre Meanwhile we had seen the memorable Honor Blackman and Diana Rigg in roles unusually progressive for British television THE NEW AVENGERS in the mid seventies reflected changing times but retained the essence of the show as Macnee returned to play alongside another strong independent heroine in the form of Joanna Lumley's Purdey And then there was the film THE AVENGERS DOSSIER is a uniquely comprehensive yet humorous survey of all the show's incarnations As well as a remarkably detailed episode guide to both series even covering the kinkiness factor and champagne count in both this volume gives behind the scenes insights and revelations about every aspect of the programme The film and its production are examined and critical essays look at the history behind the cult

of the divine which lie somehow beyond geography In setting itself that task this book pushes the boundaries of geographies of religion to bring into direct focus questions of spirituality By seeing religion through the lens of practice rather than as a set of beliefs geographies of religion can be interpreted much more widely bringing a whole range of other spiritual practices and spaces to light The book is split into three sections each contextualised with an editors introduction to explore the spaces of spiritual practice the spiritual production of space and spiritual transformations This book intends to open to up new questions and approaches through the theme of spirituality pushing the boundaries on current topics and introducing innovative new ideas including esoteric or radical spiritual practices This landmark book not only captures a significant moment in geographies of spirituality but acts as a catalyst for future work

**The Night They Killed Joss Varran** George Bellairs, 2023-06-27 The murder of a convict on the night of his release brings Littlejohn to the silent marshes of the Isle of Man in this thrilling British mystery novel A deckhand and petty criminal Joss Varran was set to return home after a year in jail Instead he s found dead in a ditch not far from his sister s cottage While Varran was never well liked it s a mystery why anyone would bother to kill him Facing a dead end Inspector Knell of the Manx police calls in his friend from Scotland Yard Chief Superintendent Littlejohn Together they find that Varran was up to no good while working on a container ship between Ramsey and Preston It seems the dockhand may have gotten in over his head so much so that prison would seem like a safe place to hide Now the two investigators chase a trail of clues to find those responsible for Varran s death and prevent others from meeting the same fate

**Snow Over Surabaya** Nigel Barley, 2017-03-01 Not many British schoolgirls have grown up to become revolutionary heroes of distant eastern nations but Muriel Stewart Walker did just that Under a multitude of different names K tut Tantri and Surabaya Sue being the best know she joined in the struggle for Indonesian independence after the Second World War and broadcast its revolutionary message to the world on Rebel Radio But she did more and smuggled arms and probably

drugs to help finance the new Republic and experienced bloody battle in the British attack on Surabaya that some have seen as a war crime She went on to become an intimate of the revolutionary leaders and finally lived to see Indonesia take its place amongst the free nations of the world Glaswegian Surabaya Sue is virtually unknown in the West and even in Indonesia there have always been doubts about her version of events that many have dismissed outright as a blatant mixture of outrageous fantasy and dishonest omissions Snow over Surabaya happily embraces those doubts and brings a new spirited account of her adventures in that tempestuous world *Jack the Ripper and Abraham Lincoln* Tony McMahon,2024-05-07 An astonishing connection between two of the 19th century s greatest crimes A fraudulent doctor Francis Tumblety is implicated in both the 1865 assassination of President Abraham Lincoln and the 1888 Jack the Ripper killings It seems incredible that Jack the Ripper could have been involved in killing President Lincoln but the evidence is revealed in this book We delve into a murky underworld in America s Gilded Age and the poverty ridden slums of London s Whitechapel district following the murderous trail left by Tumblety A flamboyant huckster well known in the newspaper gossip columns whose celebrity masked his homicidal tendencies Arrested over the Lincoln assassination then released while others were hanged on the scaffold Put behind bars briefly by Scotland over the Jack the Ripper killings but then makes a daring escape The proof is overwhelming that Tumblety was one of the most dangerous criminals of the 19th century **Ériu** ,2002
