**Marquis Vol. 1** Guy Davis, 2001-09-28 It was during the 18th century that the Ministry of Inquisition ruled over the lands of Venisalle In the world of The Marquis faith and religion are the strict laws of life and death It is into this world that the souls of hell have escaped to sin murder and be free by taking possession of the living During this time a man of the Inquisition finds himself blessed with the ability to see into the very souls of the damned and fight the demons within But as The Marquis begins his holy crusade to send back the escapees of hell the battle between good and evil starts to blur into a struggle between faith and sanity **Marquis** ,1974 *The Marquis Volume 1: Inferno* Guy Davis, 2009-08-11 In eighteenth century Venisalle faith governs life and death and the guilty hide their shame behind masks showing their faces only in the secret rites of the confessional It is to this stronghold of the Inquisition that the souls of Hell have escaped to possess the living spreading sin murder and chaos Amid the carnage one man is blessed with the clarity to recognize the demons that prey on his countrymen and the means to return them to the fires of Hell But as the stakes rise the lines separating good and evil begin to blur and the Marquis the dark avenger whom even demons fear to cross finds himself torn between the blind faith that has defined his life and the bitter truths exposed under his new sight The Marquis Shanna B. Talley, 2019-08-16 New Orleans The Big Easy City of endless parties that celebrate life and death The one thing Oracle Winchester needed to escape from when she left Interpol and the FBI Death itself She came back to New Orleans to start a new chapter No more serial killers rapists or human traffickers to hunt She had eluded darkness and death over her short life but no matter where she went it found her In truth it had never left When the dark figure that stalked her in the light of day and monsters that plagued her nightmares collide she must decipher what is real what is fantasy and whether she could keep her darkest secrets buried When Drake Blackthorne shows up out of the shadows and opens up parts of herself she had long since forgotten Oracle wonders if it was worth opening up her soul to or would she lose everything to succumb to the dark desires of her heart Drake Blackthorne is a mystery to everyone including Oracle Winchester and it was one she intended to solve
