2007 In the last decade India has witnessed among other things two general elections the fall of the Congress and the rise of Narendra Modi a major anti corruption movement more violence against women Dalits and religious minorities a wave of prosperity for some but the persistence of poverty for others comparative peace in Nagaland but greater discontent in Kashmir than ever before This tenth anniversary edition updated and expanded brings the narrative up to the present Published to coincide with seventy years of the country s independence this definitive history of modern India is the work of one of the world s finest scholars at the height of his powers *Performing Self/Performing Gender: Reading the lives of Women Performers in Colonial India* Sheetala Bhat,2017-05-01 This book explores the shifting identity of the female performer in India starting from the late 19th century to the early years of independence through the study of autobiographies and memoirs It attempts to make visible the actress figure by entering the history of performance guided by the voice of the female performer The discussion on performing woman in this book spans across the performing traditions of the tawaif actresses in public theatre early Indian film actresses and actresses in the Indian People s Theatre and the Prithvi Theatre *The Land I Dream Of* Manisha Sobhrajani,2014-10-25 In any conflict the worst affected are always the women The narrative around the Jammu and Kashmir insurgency continues to be built around the role of freedom fighters insurgents and politicians all of them not surprisingly men Yet women have played an extraordinary role in the history of Kashmir in retaining Kashmiriyat that long forgotten ideal of mutual co existence Equally as mothers daughters widows fighters martyrs and mujahids they have been inseparable from the four decade old conflict In *The Land I Dream of* researcher Manisha Sobhrajani documents her encounters with women from disparate backgrounds across the troubled state A Kashmiri Pandit forced into exile as a child a mother figure battling the establishment to give hope to thousands like her whose men have disappeared an eighty year old who trained to fight tribal invaders in 1947 as part of Kashmir s first women only militia and young Muslim women empowering themselves through entrepreneurship the lives she chronicles bear witness not just to the suffering and apathy Kashmiri women have had to endure but also to their strength in the face of it all Combining individual recollection with journalistic endeavour this searingly personal account of loss and despair and equally of hope and optimism is a testament to the resilience of the women in one of the world s most fractious regions **Chocolate and Other Writings on Male Homoeroticism** Pandey Bechan Sharma,2009-02-27 A translation of a 1927 short story collection that was the first work of Hindi fiction to focus on male same sex relations its publication sparked Indias first public debates about homosexuality **Dancing with the Nation** Ruth Vanita,2018-02-22 Indian cinema is the only body of world cinema that depicts courtesans as important characters In early films courtesan characters transmitted Indian classical dance music and aesthetics to large audiences They represent the nation s past tracing their heritage to the fourth century Kamasutra and to nineteenth century courtly cultures but they are also the first group of modern women in Hindi films They are working professionals living on their own or in matrilineal families Like male protagonists they travel widely and develop networks of

friends and chosen kin They have relations with men outside marriage and become single mothers Courtesan films are heroine oriented and almost every major female actor has played this role Challenging received wisdom Vanita demonstrates that a larger number of courtesans in Bombay cinema are Hindu and indeterminate than are Muslim and that films depict their culture as hybrid Hindu Muslim not Islamicate Courtesans speak in the ambiguous voice of the modern nation inviting spectators to seize pleasure here and now but also to search for the meaning of life Vanita's groundbreaking study of courtesans and courtesan imagery in 235 films brings fresh evidence to show that the courtesan figure shapes the modern Indian erotic political and religious imagination

Hidden Histories of Pakistan Sarah Fatima Waheed, 2022-01-20
Censorship Urdu literature Islam and progressive secular nationalisms in colonial India and Pakistan have a complex intertwined history Sarah Waheed offers a timely examination of the role of progressive Muslim intellectuals in the Pakistan movement She delves into how these left leaning intellectuals drew from long standing literary traditions of Islam in a period of great duress and upheaval complicating our understanding of the relationship between religion and secularism Rather than seeing religion and the secular as distinct and oppositional phenomena this book demonstrates how these concepts themselves were historically produced in South Asia and were deeply interconnected in the cultural politics of the left Through a detailed analysis of trials for blasphemy obscenity and sedition and feminist writers Waheed argues that Muslim intellectuals engaged with socialism and communism through their distinctive ethical and cultural past In so doing she provides a fresh perspective on the creation of Pakistan and South Asian modernity

Indian Classical Music and the Gramophone, 1900-1930 Vikram Sampath, 2022-06-30 In 1902 The Gramophone Company in London sent out recording experts on expeditions across the world to record voices from different cultures and backgrounds All over India it was women who embraced the challenge of overcoming numerous social taboos and aesthetic handicaps that came along with this nascent technology Women who took the plunge and recorded largely belonged to the courtesan community called tawaifs and devadasis in North and South India respectively Recording brought with it great fame brand recognition freedom from exploitative patrons and monetary benefits to the women singers They were to become pioneers of the music industry in the Indian sub continent However despite the pioneering role played by these women their stories have largely been forgotten Contemporaneous with the courtesan women adapting to recording technology was the anti nautch campaign that sought to abolish these women from the performing space and brand them as common prostitutes A vigorous renaissance and arts revival movement followed leading to the creation of a new classical paradigm in both North Indian Hindustani and South Indian Carnatic classical music This resulted in the standardization universalization and institutionalization of Indian classical music This newly created classical paradigm impacted future recordings of The Gramophone Company in terms of a shift in genres and styles Vikram Sampath sheds light on the role and impact of The Gramophone Company's early recording expeditions on Indian classical music by examining the phenomenon through a sociocultural historical and musical lens The

book features the indefatigable stories of the women and their experiences in adapting to recording technology The artists from across India featured are Gauhar Jaan of Calcutta Janki Bai of Allahabad Zohra Bai of Agra Malka Jaan of Agra Salem Godavari Bangalore Nagarathnamma Coimbatore Thayi Dhanakoti of Kanchipuram Bai Sundarabai of Pune and Husna Jaan of Banaras
