## **Song To Demeter:**

**Song to Demeter** ,1987-01-01 This story is the ancient Greek explanation for the seasons of the year      **The Song of Demeter and Her Daughter Persephone** Homer,1902      **The Song of Demeter and Her Daughter Persephone** Homer,D'Ambrosio,Ralph Fletcher Seymour,R.R. Donnelley and Sons Company,1902      *Horace's Iambic Criticism* Timothy S. Johnson,2011-11-11 By examining the relationship of the iambic tradition with ritual this book studies how Horace's Epodes are more than partisan consolidating Octavian's victory by projecting hostilities onto powerless others but a meta partisan project forming fractured entities into a diversified unity      *A Song for Demeter* Lasa Limpin,2018-12-12 This is a book of poetry dedicated to the Greek goddess Demeter mother of Persephone goddess of all good things I hope these poems can be a good place deserving of Demeter's name but I know she won't mind either way being a goddess of immense kindness To be with Demeter is a privilege barred to none a secret joy open to all hiding under the simplistic telling of her myths      **Greek and Latin Poetry of Late Antiquity** Berenice Verhelst,Tine Scheijnen,2022-06-30 Although Greek and Latin poetry from late antiquity each poses similar questions and problems a real dialogue between scholars on both sides is even now conspicuously absent A lack of evidence impedes discussion of whether there was direct interaction between the two language traditions This volume however starts from the premise that direct interaction should never be a prerequisite for a meaningful comparative and contextualising analysis of both late antique poetic traditions A team of leading and emerging scholars sheds new light on literary developments that can be or have been regarded as typical of the period and on the poetic and aesthetic ideals that affected individual works which are both classicizing and unclassical in similar and diverging ways This innovative exploration of the possibilities created by a bilingual focus should stimulate further explorations in future research      **The Works of Walter Pater: Greek studies** Walter Pater,1901      **The Bibelot** ,1925      **Studies of the gods in Greece at certain sanctuaries recently excavated, 8 lectures** Louis Dyer,1891      **Studies of the Gods in Greece at Certain Sanctuaries Recently Excavated** Louis Dyer,1891
