## **Songs From The Edge Of Everything:**

**Songs from the Edge of Japan: Music-making in Yaeyama and Okinawa** Matt Gillan, 2016-04-01 Since the early 1990s Okinawan music has experienced an extraordinary boom in popularity throughout Japan. Musicians from this island prefecture in the very south of Japan have found success as performers and recording artists and have been featured in a number of hit films and television dramas. In particular the Yaeyama region in the south of Okinawa has long been known as a region rich in performing arts and Yaeyaman musicians such as BEGIN Daiku Tetsuhiro and Natsukawa Rimi have been at the forefront of the recent Okinawan music boom. This popularity of Okinawan music represents only the surface of a diverse and thriving musical culture within modern day Yaeyama. Traditional music continues to be an important component of traditional ritual and social life in the islands while Yaeyama's unique geographical and cultural position at the very edge of Japan have produced varied discourses surrounding issues such as tradition versus modernity, preservation and cultural identity. *Songs from the Edge of Japan* explores some of the reasons for the high profile of Yaeyaman music in recent years both inside and outside Yaeyama. Drawing on extensive ethnographic fieldwork carried out since 2000, the book uses interviews, articles from the popular media, musical and lyrical analysis of field and commercial recordings as well as the author's experiences as a performer of Yaeyaman and Okinawan music to paint a picture of what it means to perform Yaeyaman music in the 21st century. *Tougher Than the Rest: 100 Best Bruce Springsteen Songs* June Skinner Sawyers, 2006-10-20 *The Edge of Sex* Lisa Speidel, Micah Jones, 2019-11-27 *The Edge of Sex* is an anthology of voices from the margins bringing together 37 writers to discuss their experiences of sex and sex education in America. The anthology explores often overlooked and excluded identities with pieces on sexuality and disabilities, survivors of assault, sex work, as women of color, kink and BDSM, being Muslim and queer, reproductive rights and the challenges of culture and identity when grappling with gender fluidity and gendered expectations. As they trace the negative effects of a restrictive fear-based sex education particularly on marginalized individuals, these stories unearth larger themes, tensions with race and religion, expectations from heteronormative society and pressures of femininity and masculinity. Importantly, they also highlight the resilience and empowerment of marginalized individuals within a culture designed to ostracize them. The rich, diverse and intersectional stories of *The Edge of Sex* paint a contextualized picture of sex education and make an urgent case for better representation and more inclusive, consistent and comprehensive content. By reading this anthology, casual readers may learn more about their sexual selves, clinicians can apply the material to their practices with clients, and educators and students can expand their knowledge of feminist theory, intersectional theory, queer theory and sex education. *On the Edge of Greatness* Heidi Korte, 2023-03-07 I want to give away to you in this book the ability to see and recognize every obstacle in front of your artistic path as something that can be knocked down and moved aside. If you are willing to put effort in, you can win. If you don't quit, you win. Heidi Korte spent years holding back as a singer because of toxic mindsets. Her self

esteem was rooted in having perfect performances and receiving top marks in singing competitions Seeing the same mental obstacles blocking the artistic journeys of an overwhelming number of her students she began working with them helping them avoid the common pitfalls that most young creatives experience but so few talk about In *On the Edge of Greatness* Heidi shares the secrets to becoming an authentic creator along with wisdom and real life stories from her students and professional creatives to help identify lie based thinking and change false belief systems so the reader can learn to move past negativity and be free to create with ease and joy Each chapter delves into a mental obstacle that hinders young creatives including fear comparison rejection perfectionism time management avoidance negative feedback embarrassment anxiety arrogance and self sufficiency creative blocks failure motivation self doubt schedule overload self discipline social media and steps to practically overcome them Also included are actions to take meditations questions to work through and space for personal reflection and note taking *On the Edge of Greatness* is designed to inspire young creatives to move beyond their self imposed limitations and turn creative dreams into realities
