The Song of Songs Charlie Cleverly,2015-07-16 The Song of Songs is redolent with poetic imagery featuring as it does the love songs of a man and a woman as they explore their relationship Down the centuries it has often been interpreted either as a sexually charged love story or an entirely metaphorical imagining of the relationship between God and his people In this deeply felt book Charlie Cleverly argues that both interpretations are critical to a true understanding of this book that lies right at the heart of the Bible If our relationships with one another and with God are not both fully in tune with our humanity in all its richness and with our spirituality in its highest form then we will fall short of all we can be in our lives Drawing on a wide range of sources literary and theological and across the ages Charlie Cleverly makes the case for a new rounded understanding of this important book

The Song of Songs, Being a Collection of Love Lyrics of Ancient Palestine ,1921 Songs in the Key of Z Irwin Chusid,2000 Irwin Chusid profiles a number of outsider musicians those who started as outside and eventually came in when the listening public caught up with their radical ideas Included are The Shaggs Tiny Tim Syd Barrett Joe Meek Captain Beefheart The Cherry Sisters Daniel Johnston Harry Partch Wesley Willis and others

Song of Songs Paul J. Griffiths,2011-06 This addition to the well received Brazos Theological Commentary on the Bible offers theological exegesis of the Song of Songs

Old Jewish Commentaries on the Song of Songs I Joseph Alobaidi,2010 The commentary of Yefet ben Eli the Karaite second half of the tenth century on The Song of Songs is example of an exegetical work obeying two imperatives The explanation of the divine message of Salvation mixed with the assiduous Karaite effort to prove wrong their adversaries the Rabbanites with the help of the Bible In so doing Yefet ben Eli wrote a thoughtful and original commentary on the very symbolic Song of Songs Indeed according to Yefet ben Eli nothing in the Book should be taken realistically The ability of Yefet to replace symbols by historical events is one of the many marks that show Yefet s mastery and the originality of his commentary
