mercy in not escaping from all the bidding or scare Now we have to live in the true freedom and happiness going beyond living and death getting a perceived treasure likely to Jesus escaping from mind illusion with the treasure map of the word given to us by Jesus the way the truth and the life as the light drives out the darkness Being spiritually awakened that is you see the God meet and this is the relief to enter into the God's heaven with the forever life Reviews Jesus is not Jehovah's son is very awful and shocking idea What they just believe the difference of Jehovah and Paul is like to get a graft from a horn bush Luther couldn't change the religion but this book called the big revolution over the religion Man Sung Park Carpenter Jesus is not the Son of Yahweh Jehovah is the one of the greatest book that defines the truth that Jesus wants to teach easily and clearly As the writer says if we would know the truth that teaches by Jesus the Christianity and Buddhism would meet each other and the human would find the true freedom and happiness which is high dimension over the religion Seung Taek Lee Prof of University of Foreign Studies This book is to understand easily for Christianity problem that views the reader's mind deeply This book is not picked up various stories but is expressed what the writer who realized the truth felt and saw through in deep mind The Gospel in Brief written by Leo Tolstoy is even for the starting to question for Christianity but this book is important to complete Jesus teaching Jung Bu Jo Student of Theological School Read this book what oppose other's religions and we call heresy or Satan in same religions is because they all don't know the truth I respect more Jesus foresighted leader realized after read this book I hope it's not only all the people find the order and the peace met each other but also all the religion by this book Ye Jin Lee Teacher of Middle School Why don't Theologians and Ministers know this contents yet They can't find the truth to know easily like this for 2000 years long The refinding the truth in Jesus teaching is the most popular important event in the world and it will be a bright light for all human Woo Nyun Lee Farmer I went church for 50 years long but in my mind I always got a question and a doubt However this book clears all the question and doubt I've never heard the book detailed and lectures quoted like this Bible for Jesus Teachings I knew now that praying in the Church the Apostles Creed or the doctrine of Christ are not fixed anything else Jun Su Kim Rep Publishing Firm Jesus said if the person who would eat my flesh and blood they will live forever It does not mean that if they believe the blood split from Jesus and the revival of Jesus they got a forgiveness and a relief and go to the heaven This book defines that if they follow Jesus teaching and get the new life beyond the life and death Chang Suk Kim Homemaker It's the first time to see the uninteresting and difficult book It's uneasy to understand and a lot to accept in my mind But it's a book of low balance to blame whom or to support I am going to compare the contents of this book and t 'The Son of Man' Edwin A. Abbott,2014-07-17 Originally published in 1910 this book contains an exhaustive study of the use of the phrase Son of Man in the Old and New Testaments Abbott illustrates how Christian writers used the mystical trope present in many books of Jewish prophecy to convey their belief in Christ as an eschatological figure foretold by Scripture This book will be of value to anyone with an interest in Christology and the use of this enigmatic title in Jewish and Christian theology
