Sophia Parnok The Life And Work Of Russias Sappho:

Sophia Parnok Diana L. Burgin, 1994-07 The weather in Moscow is good there s no cholera there s also no lesbian love Brrr Remembering those persons of whom you write me makes me nauseous as if I d eaten a rotten sardine Moscow doesn t have them and that s marvellous Anton Chekhov writing to his publisher in 1895 Chekhov s barbed comment suggests the climate in which Sophia Parnok was writing and is an added testament to the strength and confidence with which she pursued both her personal and artistic life Author of five volumes of poetry and lover of Marina Tsvetaeva Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters Despite her unique contribution to modern Russian lyricism however Parnok s life and work have essentially been forgotten Parnok was not a political activist and she had no engagement with the feminism vogueish in young Russian intellectual circles From a young age however she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues Parnok s approach to her sexuality was equally forthright Accepting lesbianism as her natural disposition Parnok acknowledged her relationships with women both sexual and non sexual to be the centre of her creative existence Diana Burgin s extensively researched life of Parnok is deliberately woven around the poet s own account visible in her writings The book is divided into seven chapters which reflect seven natural divisions in Parnok s life This lends Burgin s work a particular poetic resonance owing to its structural affinity with one of Parnok s last and greatest poetic achievements the cycle of love lyrics *Ursa Major* Dedicated to her last lover Parnok refers to this cycle as a seven star of verses after the seven stars that make up the constellation Parnok s poems translated here for the first time in English added to a wealth of biographical material make this book a fascinating and lyrical account of an important Russian poet Burgin s work is essential reading for students of Russian literature lesbian history and women s studies

Sophia Parnok Diana L. Burgin, 1994-07-01 The weather in Moscow is good there s no cholera there s also no lesbian love Brrr Remembering those persons of whom you write me makes me nauseous as if I d eaten a rotten sardine Moscow doesn t have them and that s marvellous Anton Chekhov writing to his publisher in 1895 Chekhov s barbed comment suggests the climate in which Sophia Parnok was writing and is an added testament to the strength and confidence with which she pursued both her personal and artistic life Author of five volumes of poetry and lover of Marina Tsvetaeva Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters Despite her unique contribution to modern Russian lyricism however Parnok s life and work have essentially been forgotten Parnok was not a political activist and she had no engagement with the feminism vogueish in young Russian intellectual circles From a young age however she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues Parnok s approach to her sexuality was equally forthright Accepting lesbianism as her natural disposition Parnok acknowledged her relationships with women both sexual and non sexual to be the centre of her creative existence Diana Burgin s extensively researched life of Parnok is deliberately woven

around the poet's own account visible in her writings. The book is divided into seven chapters which reflect seven natural divisions in Parnok's life. This lends Burgin's work a particular poetic resonance owing to its structural affinity with one of Parnok's last and greatest poetic achievements: the cycle of love lyrics *Ursa Major*. Dedicated to her last lover, Parnok refers to this cycle as a seven star of verses after the seven stars that make up the constellation. Parnok's poems translated here for the first time in English, added to a wealth of biographical material, make this book a fascinating and lyrical account of an important Russian poet. Burgin's work is essential reading for students of Russian literature, lesbian history and women's studies.

Russian Women, 1698-1917 Robin Bisha, Jehanne M Gheith, Christine C. Holden, William G. Wagner, 2002-09-16

This collection offers a treasure trove of primary sources of interest to students of women's history. Carefully introduced and annotated, these documents illustrate the diversity of Russian women's lives. Barbara Alpern Engel: There is no other work that offers such a wide variety of documents and such a successful combination of literary and historical materials. Ann Hibner Koblitz: This rich anthology of source materials makes available for the first time in any language a multitude of primary sources on the lives of Russian women from the reign of Peter the Great to the Bolshevik revolution. The selections are drawn from a wide variety of documents published and unpublished, including memoirs, diaries, legal codes, correspondence, short fiction, poetry, ethnographic observations and folklore. Primacy is given to sources produced by women and previously unavailable in English translation. Organized thematically, the documents focus on women's family life, work and schooling, public activism, creative self-expression and sexuality and spirituality, as well as on the cultural ideals and legal framework which constrained women of all social classes.

Russian Homophobia from Stalin to Sochi Dan Healey, 2017-12-14

Examining nine case histories that reveal the origins and evolution of homophobic attitudes in modern Russia, Dan Healey asserts that the nation's contemporary homophobia can be traced back to the particular experience of revolution, political terror and war its people endured after 1917. The book explores the roots of homophobia in the Gulag, the rise of a visible queer presence in Soviet cities after Stalin and the political battles since 1991 over whether queer Russians can be valued citizens. Healey also reflects on the problems of memorylessness for Russia's LGBT, lesbian, gay, bisexual and transgender movement more broadly and the obstacles it faces in trying to write its own history. The book makes use of little known source material, much of it untranslated archival documentation, to explore how Russians have viewed same sex love and gender transgression since the mid 20th century.

Russian Homophobia from Stalin to Sochi provides a compelling background to the culture wars over the status of LGBT citizens in Russia today whilst serving as a key text for all students of modern Russia.

The Same Solitude Catherine Ciepiela, 2018-09-05

Still we have the same solitude, the same journeys and searching and the same favorite turns in the labyrinth of literature and history. Boris Pasternak to Marina Tsvetaeva. One of the most compelling episodes of twentieth century Russian literature involves the epistolary romance that blossomed between the modernist poets Marina Tsvetaeva and Boris Pasternak in the 1920s. Only weeks after Tsvetaeva emigrated from

Russia in 1922 Pasternak discovered her poetry and sent her a letter of praise and admiration Tsvetaeva's enthusiastic response began a decade long affair conducted entirely through letters This correspondence written across the widening divide separating Soviet Russia from Russian migrants in continental Europe offers a view into the overlapping worlds of literary creativity sexual identity and political affiliation Following both sides of their conversation Catherine Ciepiela charts the poets changing relations to each other to the extraordinary political events of the period and to literature itself *The Same Solitude* presents the first full account of this affair of letters and poems from its beginning in the summer of 1922 to its denouement in the 1930s Drawing on many previously untranslated letters and poems Ciepiela describes the poets mutual influence both in the course of their lives and the development of their art Neither poet saw any separation between a poet's life and work and Ciepiela treats each poet's letters and poems as a single text She discusses the poets famous triangular correspondence with Rainer Maria Rilke in 1926 and she addresses the profound significance of Tsvetaeva for Pasternak who is often perceived mistakenly Ciepiela asserts as the more detached partner Further this book expands our understanding of poetic modernism by showing how the poets worked through ideas about gender and writing in the context of what they themselves called a literary marriage

The Soviet Pharmaceutical Business During the First Two Decades (1917-1937) Mary Schaeffer Conroy, 2006 Putting privately owned Russian pharmacies and pharmaceutical factories under state control in 1918 1919 did not improve the output and the distribution of soaps disinfectants hormones vitamins and medicines Newly available archival records show that managers appointed by the Soviet government to run sequestered factories employed business methods common to market economies to make the Soviet pharmaceutical sector profitable and productive However an inefficient macroeconomy and interference in day to day policy making in the core industry by exogenous officials frequent reorganization limits on imports and excessive exports hindered production this plus inefficient distribution shorted consumers Inadequate amounts of pharmaceuticals undoubtedly contributed to high mortality during the civil war 1917 1921 collectivization and industrialization 1927 1938 and World War II 1939 1945

Cracks in the Iron Closet David Tuller, 1997-11-24 David Tuller provides the first look into the emotional and sexual lives of Russian lesbians and gays and the pervasive influence of the state on gay life Part travelogue part social history and part journalistic inquiry the book challenges our assumptions about what it means to be gay The book also explores key issues in Russia and Soviet life including concepts of friendship community gender love fate and the relationship between the public and private spheres Tuller's observant reporting and personal experiences make for absorbing reading the human comedy rendered in unexpected ways *New Yorker* Anyone who thinks San Francisco is the world capital of sexual polymorphism should read this book Adam Goodheart *Washington Post* This book is is profoundly moving Jim Van Buskirk *San Francisco Chronicle*

The Troubling Play of Gender Maria Stadter Fox, 2001 Although these three modernist writers were not primarily playwrights as expatriates they were interested in the Euripidean theme of women in exile each independently chose to rewrite Euripides

Hippolytus a play in which the protagonist is a woman in exile whose speech writing and passion are deeply problematic Each author approaches the Euripidean material in a different way Tsvetaeva focuses on gender in language Yourcenar explores the gendering of a self and H D performs the undoing of gendered oppositions BOOK JACKET Engendering Slavic Literatures Pamela Chester, Sibela Elizabeth S. Forrester, 1996 Engendering Slavic Literatures breaks new ground in its investigation of gender and feminist issues in Croatian Polish Russian Serbian and Ukrainian literary texts by both female and male writers Drawing on psychoanalytic approaches film theory and lesbian and gender theory the authors interrogate the received notions of Western gender studies to see which can be usefully applied to nineteenth and twentieth century Slavic literary works Motherhood and the relationships of mothers and daughters the myths of selfhood that shape the autobiographies of Nadezhda Mandelstam Marina Tsvetaeva Lidiia Ginzburg and Lev Tolstoy Polish Catholicism and sexuality portrayals of landscape in verbal and visual art and women writers transgressive ventures into male bastions such as the love lyric and prose fiction are among the themes of this important and innovative volume Unattainable Bride Russia Ellen Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In Unattainable Bride Russia Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths
