Sophia Goddess Of Wisdom:

Sophia Caitlín Matthews, 2013-09-20 Anyone interested in the feminine face of God throughout the ages will find Sophia an illuminating experience Caitlin Matthews scholarship connects us to past present and future in the very depths of our femininity Marion Woodman Jungian analyst and author of Bone Dying into Life Sophia or wisdom in Greek has been revered in many forms throughout history from the Dark Goddess of ancient Anatolia to her Egyptian Greek Celtic and Cabalistic manifestations to her current forms as Mary and the orthodox St Sophia In the Gnostic Gospel of Thomas Sophia sits with God until the creation Then she falls into matter and becomes manifest in every atom permeating all things like the sparks that run through charcoal as Matthews says While God is out there the Goddess is in here the mother wit of practical inspiration and compassion at the heart s core This definitive work comprehensively establishes a realistic Goddess theology for Westerners in the twenty first century grounding spirituality in daily life and the natural world learning to work playfully and play seriously ending the gender war to enjoy sacred marriage **Sophia, Goddess of Wisdom** Caitlin Matthews, 1992

Sophia, Goddess of Wisdom Caitlin Matthews, 1991 Sophia Goddess of Wisdom takes the reader on a journey from pre Christian spirituality to the present day seeking out the presence of the Goddess **Sophia, the Wisdom of God** Sergei Bulgakov, 1993 Bulgakov was a torchbearer for what was coming to be called Sophiology His championship for Sophia was clearly an attempt to revitalize Orthodoxy and to reestablish the spirit of the divine feminine so that the Church should not remain off balanced by its Christocentric view Caitlin Matthews Sophia Goddess of Wisdom There is a great hunger to recover the feminine aspect of the Divinity But much searching has left Christians disappointed and seeking the Goddess elsewhere In this brave theological work Bulgakov shows how the Divine Sophia in whom all things are created is present in the Holy Trinity itself and how as the creaturely Sophia she works together with her divine counterpart in the work of the Holy Spirit for the redemption of the world *Sophia* Karsten Massei, 2025-09-25 Over time I realized that Sophia has long since united herself with the human being It became apparent to me that her sphere of being has become the sphere of the human soul With a strong emphasis on personal inquiry Karsten Massei provides a unique guide to inner pathways that lead to Sophia using spiritual writings meditations and imagery He reveals Sophia as a goddess who embodies diverse aspects of ancient creative deities such as Isis Gaia Athene and Persephone who have accompanied humanity through the ages Though each journey toward her is personal they share a common goal to deepen our understanding of life and infuse it with wisdom This book invites readers to awaken their own direct experience of the spiritual being known as Sophia Drawing on his personal spiritual investigations and inspired by figures such as Hildegard of Bingen and Jacob Boehme who both encountered Sophia consciously Massei explores her relevance to our time and her significance for the modern soul Who is Sophia How can we come to know her And what can we do to develop our own insights and relationship with her These are the questions at the heart of this profound and timely work The gateway to Sophia is wide open I was surprised that nothing

obstructed my entry into her intrinsic sphere except my reticence or perhaps my sense of inadequacy or lack of trust Her light illumines our souls whether we wish it or not **Sophia** Tina J. Ostrander,1994 In the Bible Sophia is the wisdom of God not a divine entity separate from God or another name for God as portrayed in feminist theology **Sophia, the Wisdom of God** Sergii Bulgakov,2020 Bulgakov was a torchbearer for what was coming to be called Sophiology His championship of Sophia was clearly an attempt to revitalize Orthodoxy and to reestablish the spirit of the divine feminine so that the Church should not remain off balanced by its Christocentric view Caitlin Matthews author of Sophia Goddess of Wisdom The Divine Feminine from Black Goddess to World Soul There is a great hunger to recover the feminine aspect of the Divinity But much searching has left Christians disappointed and seeking the Goddess elsewhere In this brave theological work Bulgakov shows how the Divine Sophia in whom all things are created is present in the Holy Trinity itself and how as the creaturely Sophia she works together with her divine counterpart in the work of the Holy Spirit for the redemption of the world This book is a revised edition of The Wisdom of God A Brief Summary of Sophiology The Paisley Press 1937 *Sophia* Susanne Schaup,1997 The resurgent interest in the wisdom of the Goddess and ancient matriarchal religions makes Sophia a timely read Schaup explains that the Divine Feminine has been with us all along hidden in ancient Christian scripture and has taken many different forms and names in Eastern and Western culture She is Sophia or Divine Wisdom Dr Schaup heralds a paradigm shift in our concept of God with this provocative chronicle of the manifestation of the Divine Feminine throughout history and in the world s diverse cultures With this beautifully written book Dr Schaup teaches us to recognize Sophia and Her relevance to our time so that we can restore Her to Her rightful place in our hearts and minds alongside the Fathergod and gain a new sense of wholeness The Woman Jesus Loved Antti Marjanen,2020-10-26 This is the first comprehensive study on Mary Magdalene in those second and third century Gnostic texts in which Jesus most famous female follower gains a prominent position Special attention is paid to the way Mary is presented in relation to other disciples and to how her portrait pertains to gender imagery used in the writings Detailed text analyses based on a careful philological study show that no uniform picture and use of the figure of Mary can be traced Contrary to a common supposition the book also demonstrates that the positive view of Mary displayed in the texts does not automatically imply a positive attitude towards women in general The work provides a basis for all further discussion of Mary Magdalene in the Nag Hammadi and related documents PHILO-SOPHIA DEBASHISH.
