This classic selection of writings by Goethe reflects the author's philosophy of love and death **The Sorrows of Young Werther** Johann Wolfgang Goethe, 2014-07-26 For more than two centuries the very title of this book has evoked the sensitivity of youth the suffering of the artist the idea of a hero too full of love to live When the book was first published The Sorrows of Young Werther created a sensation Banned and condemned but embraced especially by the young it has continued to captivate It is a tragic masterpiece that explores the mind of an artist in alternately joyful and despairing letters recounting an unhappy romance Goethe addresses issues of love death and redemption in an influential portrayal of a character who struggles to reconcile his artistic sensibilities with the demands of the objective world **The Sorrows of Young Werther and Selected Writings** Johann Wolfgang von Goethe, 1982 **The Sorrows of Young Werther, and Selected Writings** Johann Wolfgang von Goethe, 1962 *The Current of Romantic Passion* Jeffrey Cane Robinson, 1991 Deftly probing the ambivalence of Romantic writers on the subjects of passion and beauty Robinson shows how this ambivalence is also central to the experience of the modern critic in Western society Is the reader's experience of beauty in art an escape from troubling reality Or does desire for beauty spur social criticism and reform Does the representation of erotic passion as a sign of social critique exist to be transcended for disinterested spirituality Or is such passion the very site of the struggle for individual and class rights Robinson explores the problematic place of passion and beauty in Romanticism's radical sentiments and reformist politics Tracing the intertwining of desire and disturbance of eros and subversion his meditations encompass poems novels diaries key terms such as Rousseau's sentiment of existence writers characteristic forms of expression or habits of mind Wordsworth's or grammar figures in literary works Goethe's Werther Byron's Lambro problems of genre the relationship of the Romantic poem and the Romantic essay the problem of closure the nature of a scene and larger political questions feminism in Romantic literature erotic passion and representations of radicalism Evoking the original meaning of essay as experiment Robinson has essayed a topography of the Romantic landscape This book is daring and it is brilliant I also think it is right James R Kincaid University of Southern California **The Sorrows of Young Werther; And Selected Writings.
