Soul Providers Writings By Single Parents:

Soul Providers Gil McNeil, 1994 *The Virago Story* Catherine Riley, 2018-04-23 The 1970s witnessed a renaissance in women's print culture as feminist presses and bookshops sprang up in the wake of the second wave women's movement. At four decades remove from that heady era, however, the landscape looks dramatically different with only one press from the period still active in contemporary publishing: Virago. This engaging history explains how, from modest beginnings, Virago managed to weather epochal transformations in gender politics, literary culture, and the book publishing business. Drawing on original interviews with many of the press's principal figures, it gives a compelling account of Virago's place in recent women's history while also reflecting on the fraught relationship between activism and commerce. Out of Time Lynne Segal, 2013-11-05 A leading feminist thinker reflects on her own life and the lives of other artists to explore the ups and downs of growing old. This thoughtful, reflective book on aging encourages people to keep dreaming, keep fighting, and perhaps most of all, keep living. *Pop Matters: How old am I? Don't ask, don't tell.* As the baby boomers approach their sixth or seventh decade, they are faced with new challenges and questions of politics and identity. In the footsteps of Simone de Beauvoir, leading feminist thinker Lynne Segal looks at many of the issues facing the aged: the war of the generations and baby boomer bashing, the politics of desire, the diminished situation of the older woman, the space on the left for the presence and resistance of the old, the problems of dealing with loss and mortality, and how to find victory in survival. Brilliant, moving, and challenging, *Out of Time* is an urgent and necessary corrective to the assumptions and taboos that constrain the lives of the aged. *Encyclopedia of Life Writing* Margaretta Jolly, 2013-12-04 First published in 2001, this is the first substantial reference work in English on the various forms that constitute life writing. As this term suggests, the *Encyclopedia* explores not only autobiography and biography proper but also letters, diaries, memoirs, family histories, case histories, and other ways in which individual lives have been recorded and structured. It includes entries on genres and subgenres, national and regional traditions from around the world, and important autobiographical writers as well as articles on related areas such as oral history, anthropology, testimonies, and the representation of life stories in non-verbal art forms. **The Soul of a Single Parent** April Boyd-Noronha, 2014-03-27 *The Soul of a Single Parent* is a candid, up-close and personal perspective of my journey as a single parent. It is written from a single mom's perspective. This is not to discount, disregard, or discredit the many single fathers who also single-handedly choose to do the right thing every day. Each chapter is but a glimpse of the journey into the soul of a single parent. Unless you are truly a single parent, don't judge me until you have walked at least a mile in my shoes or spent a whole day, no scratch that, a whole week in the life of a single parent. If you are a single parent, I hope you enjoy this literary journey with me. Feel free to laugh with me, not at me, as you read through the pages. Go ahead, sit down, and shed a tear of joy or pain with me as I share my world with you. More importantly, I pray that you gain further insight and purpose as to your divine role as a single parent. Each chapter starts with my perspective or a short snippet of coming from

where Im from then digs deeper to further share my truth or turning point of my single parent journey Are you ready to snapback from single parent paralysis Is it time to get your SWAG on If so then lets begin *Chicken Soup for the Single Parent's Soul* Jack Canfield,Mark Victor Hansen,2012-08-14 Every single parent has a different story to tell but a common thread of hope and comfort unites them all *Soul Provider* Edward L. Beck,2009-04-14 This contemporary look at the seventh century classic *The Ladder of Divine Ascent* brilliantly illuminates the enduring relevance of centuries old spiritual concepts In *The Ladder of Divine Ascent* Saint John Climacus described the thirty steps all seekers must take on the path to spiritual fulfillment In *Soul Provider* Edward L Beck brings a fresh modern sensibility to this classic work of Christian literature and its ideas explaining how they relate to our lives today Using real life stories and experiences and incorporating all of the major religious traditions Beck shows how the thirty steps lead to a deeper understanding of the ideas that guide our journeys provide for our souls and draw us closer to God Beginning each chapter with an illustrative anecdote Beck explains the significance of each of the steps discussing its importance in Christian tradition and offering thoughtful inspiring ways to incorporate it into present day spiritual journeys *Soul Provider* explores the connections between old spiritual notions and spirituality as it is practiced and expressed in modern culture As Beck deftly weaves the past and the present he reveals the true path to the limitless love we all desire *Speaking from Memory* Harold Rosen,1998 Arguing that all human beings are incorrigibly autobiographical and that the most common mode of autobiography is oral and partial this book maps out the diversity of autobiographical practices and seeks to introduce them to teachers and educators

Managing Monsters Marina Warner,1994 Marina Warner s 1994 Reith Lectures in which she offered a definition of myth and its many contemporary faces exploring the monster children mothers strangers and the idea of home **New Books on Women and Feminism** ,1996
