Soul Taker

Soul Taker:

The Soul Taker Charlie Beaver, 2009-10 A County Sheriff on the brink of self destruction A series of grisely murders Drug smugglers and F B I agents Ancient Indian legends of a being half spirit halfmyth that takes peoples souls and can summon up the Devil Himself All this and more await you in The Soul Taker a page turner from beginning to end this is the First book in the Starbuck Onehorse mystery adventure series Once you start it you won t want to put it down join the gang from Dullknife County as they embark on this wild ride you ll be glad you did **Soul Taker: Supernatural Suspense with Scary & Horrifying Monsters** David Longhorn, Scare Street, 2021-10-04 Marcus Mortlake s greatest fear has returned For paranormal investigator Marcus Mortlake the never ending battle against the supernatural has taken a heavy toll Despite celebrating another birthday and finding himself in a romantic relationship he can t shake the feeling that something is wrong Then he sees a phantasmal figure from his wounded past Is it just a restless spirit Or a harbinger of an ancient evil lingering in the woods of his childhood home When the ghost of another old friend appears with dire warnings Mortlake can no longer ignore the signs A terrifying nightmare from Mortlake s past haunts the streets And its victims are the most innocent of all young children Mortlake is determined to put a stop to it before any more blood is spilled But when all his knowledge and weapons prove useless Mortlake realizes that his own fractured memories may be the key to stopping this sinister monster And unless Mortlake can unravel the secret in time an even darker power will be unleashed upon the world Step into the eerie world of Scare Street where supernatural horror and suspense await you at every turn Our collection of ghost stories urban legends and haunted house stories offer the perfect mix of scary and spooky tales Whether it s a creepy campfire classic short horror stories or unsettling creepypasta our tales are crafted to bring thrills and chills that will keep you hooked **Soul Taken** Patricia Briggs, 2023-06-27 Mercy Thompson car mechanic and shapeshifter must face her greatest fears in this chilling entry in the 1 New York Times bestselling series The vampire Wulfe is missing Since he s deadly possibly insane and his current idea of fun is stalking me some may see it as no great loss But warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe my mate and I must find Wulfe and hope he s still alive As alive as a vampire can be anyway But Wulfe isn t the only one who has disappeared And now there are bodies too Has the Harvester returned to the Tri Cities reaping souls with his cursed sickle Or is he just a character from a B horror movie and our enemy is someone else The farther I follow Wulfe s trail the more twisted and darker the path becomes I need to figure out what s going on before the next body on the ground is mine [A World of Stories for Preachers and Teachers](#) William J. Bausch, 1998 an indispensable resource for homilists Cover back **Hâliş's Story of İbrâhîm** Hâliş, 1975 *The Shamanic Themes in Armenian Folktales* Michael Berman, 2009-03-26 In Marxist anthropological theory shamanism represented one of the early forms of religion that later gave rise to more sophisticated beliefs in the course of human advancement The premise of Marxism was that eventually at the highest levels of civilization the sacred and religion would

eventually die out Znamenski 2007 p 322 Though history has of course since disproved this the theory clearly had a great bearing on what was written in the former Soviet Union about shamanism and also on people s attitudes in the former Soviet Republics towards such practices On the other hand it has been suggested that all intellectuals driven by nationalist sentiments directly or indirectly are always preoccupied with searching for the most ancient roots of their budding nations in order to ground their compatriots in particular soil and to make them more indigenous Znamenski 2007 p 28 Although this might apply to searching for the roots of Christianity in Armenia when it comes to searching for the roots of pagan practices interest on the part of the people of Armenia is generally speaking not so forthcoming This impasse coupled with the effects of the repressions against religions including shamanism unleashed by the Soviet government between the 1930s and 1950s along with the recent surge of interest in the Armenian Orthodox church a backlash to the seventy years of officially sanctioned atheism makes research into the subject no easy business However hopefully this study will at least in some small way help to set the process in motion

Stories for the Gathering William R. White,1997 For gatherings large or small this new collection of Christian related stories assembled by a well known storyteller will capture the interest and imagination of any listener More than 50 traditional and contemporary stories are arranged by theme in a treasury to add depth and wonder to gatherings in the home and in church

Soul Taker #2 Thomas E. Sniegoski,Jeannine Acheson,2024-09-10 Amarantha is the last of her kind the Nehmer a race that fed upon the life forces of an unsuspecting humanity She has maintained a comfortable lifestyle for years by trading her blood and hair samples for funds from the mysterious Magnes Corporation Now Magnes wants more than blood and hair they want Amaranatha and will stop at nothing to get her Normally this would be her time to run to disappear but now it s about more than her She s not ready to leave Rosalie her only connection to the human world behind

Nart Sagas ,2016-06-07 The sagas of the ancient Narts are to the Caucasus what Greek mythology is to Western civilization This book presents for the first time in the West a wide selection of these fascinating myths preserved among four related peoples whose ancient cultures today survive by a thread In ninety two straightforward tales populated by extraordinary characters and exploits by giants who humble haughty Narts by horses and sorceresses Nart Sagas from the Caucasus brings these cultures to life in a powerful epos In these colorful tales women not least the beautiful temptress Satanaya the mother of all Narts are not only fertility figures but also pillars of authority and wisdom In one variation on a recurring theme a shepherd overcome with passion on observing Satanaya bathing alone shoots a bolt of lust that strikes a rock a rock that gives birth to the Achilles like Sawseruquo or Sosruquo With steely skin but tender knees Sawseruquo is a man the Narts come to love and hate Despite a tragic history the Circassians Abazas Abkhaz and Ubykhs have retained the Nart sagas as a living tradition The memory of their elaborate warrior culture so richly expressed by these tales helped them resist Tsarist imperialism in the nineteenth century Stalinist suppression in the twentieth and has bolstered their ongoing cultural journey into the post Soviet future Because these peoples were at the

crossroads of Eurasia for millennia their myths exhibit striking parallels with the lore of ancient India classical Greece and pagan Scandinavia The Nart sagas may also have formed a crucial component of the Arthurian cycle Notes after each tale reveal these parallels an appendix offers extensive linguistic commentary With this book no longer will the analysis of ancient Eurasian myth be possible without a close look at the Nart sagas And no longer will the lover of myth be satisfied without the pleasure of having read them Excerpts from the Nart sagas The Narts were a tribe of heroes They were huge tall people and their horses were also exuberant Alyps or Durduls They were wealthy and they also had a state That is how the Narts lived their lives The Narts were courageous energetic bold and good hearted Thus they lived until God sent down a small swallow The Narts were very cruel to one another They were envious of one another They disputed among themselves over who was the most courageous But most of all they hated Sosruquo A rock gave birth to him He is the son of a rock illegally born a mere shepherd s son In a new introduction folklorist Adrienne Mayor reflects on these tales both in terms of the fascinating warrior culture they depict and the influence they had on Greco Roman mythology **And The Devil Take Ye** J.S. Frankel,2023 Edvil Ed a minion of Hell is Lucifer s best soul taker Stationed in New York he s very good at what he does However all his plans go by the wayside when Hell s accountants tell the overlord that they re two souls over There s a balance and that balance between souls up and souls below must be preserved at all costs If the balance doesn t hold by the end of each year then the world will be destroyed and the rulers of Heaven and Hell will have to start the whole process of evolution all over again Ed is given the task of helping two souls go topside His assistant is Millie a Halo angel and together they have an almost impossible task Furthermore Ed s chief rival Markus decides to sabotage Ed s efforts for reasons of his own Undeterred Ed and Millie press on with their mission and along the way they find out that they re much more into each other than they want to admit After numerous setbacks Ed discovers Markus ultimate plan and has to do everything in his power to stop the final apocalypse from happening
