 What if you could find all the answers to the problems of modern life in the wisdom of the past We live in a strange time Perpetually distracted and increasingly over medicated we still think we are the most progressed people in history But scratch the surface and you'll see that our world is like a house built on sand We put much of our faith in science even as more and more of the truths we equate with scientific fact come under scrutiny The lack of repeatability of many experiments is a modern science's dirty little secret And much of what can be verified it turns out often merely confirms what history literature and religion have

already taught us And so many people are turning to the past for comforting wisdom to inform the future This book is an exploration of the rich folk culture of Russia s past From songs of lamentation at funerals to the rules for naming a prince you ll find a fascinating glimpse into a world that is alien on the surface but familiar at its heart Reading it in light of modern life you can t help but be astounded at how much wisdom the Russian folk gathered through centuries and millennia of passed time and experience Who knows Maybe the answers to some of your life s pressing issues are found in the age long traditions explored in A Window to the Russian Soul Find out by buying A Window to the Russian Soul today *Reforesting the Soul* Andrew D. Mayes,2022-11-21 I will put in the wilderness the cedar the acacia the myrtle and the olive Isa 41 19 This book explores pathways to renewal through the powerful metaphor of reforesting the desert places The soul can sometimes be an arid thirsty desiccated place becoming as exhausted and denuded as land that has been ravaged and stripped of its trees God s promise is to reforest the wilderness and renew our fruitfulness This book is a guided retreat simultaneously enabling attentiveness to the soul while resonating with urgent ecological concerns The rich symbolism of different trees both in the Bible and in the Christian tradition including hymnody and poetry leads us into meditation reflection and action As land that is reforested holds the promise of new beginnings so this book heartens us with pointers towards spiritual rejuvenation
