

Soul and psyche: The Bible in psychological perspective

Willem J Smith (Benoni)¹

Research Associate: Department of Practical Theology
University of Pretoria

Abstract

*During the last third of the twentieth century a discipline that applies psychological and psychoanalytic insight to the study of the Bible, has resurfaced within biblical studies. In his book, *Soul and Psyche*, Wayne Rollins offers a psychological biblical approach as one of the new approaches to Scripture since the 1960's. This approach tends to bring a renewed appreciation for the role of the human psyche or soul in the history of the Bible and its interpretation.*

1. INTRODUCTION

Wayne R Rollins, Emeritus Professor of Biblical Studies at Assumption College, Worcester, Massachusetts and Adjunct Professor of Scripture at Hartford Seminary, Hartford, Connecticut, in his latest book, *Soul and psyche* (1999), presents a perspective on what is termed *psychological biblical criticism*.

In this ground-breaking work, Rollins first surveys *past research* (Part One: Retrospect – Chapters 1-3) and then plots a *recommended course* (Part two: Prospect – Chapters 4-6) for the discipline. Chapter 1 traces the history of biblical psychologies. Chapter 2 documents the early twentieth century shift within psychological biblical studies. Chapter 3 traces psychological criticism through the twentieth century, from the negative reaction to psychology within mainline biblical scholarship to change in attitude that has been referred to as “Psychological Study of the Bible.” Chapter 4 proposes a definition and research agenda for the field. Chapter 5 proposes the exegetical agenda, while chapter 6 discusses the hermeneutical agenda.

¹ Dr Willem J Smith (MA, PhD) is a research associate for the project “Theories of Practical Theology and Philosophical Hermeneutics”, directed by Prof Dr Yolanda Dreyer, Department of Practical Theology, University of Pretoria. This essay is a review article of the book of Prof Dr W G Rollins (1999), *Soul and psyche: The Bible in psychological perspective*, Minneapolis, MN: Fortress Press.

Soul And Psyche The Bible In Psychological Perspective:

Soul and Psyche Wayne G. Rollins,1999 The first introduction to the history and method of biblical psychological interpretation Psychological Insight Into the Bible Wayne G. Rollins,D. Andrew Kille,2007 Foreword by Walter Wink In recent years theologians and biblical scholars have begun to delve into the insights that come from the application of psychology to biblical texts While these methods continue to be useful and popular nowhere have the foundational texts in the field been collected Wayne Rollins and Andrew Kille who have both published and taught widely in the area of psychological biblical criticism have assembled an excellent guide for those interested in this fascinating topic Included in this anthology are articles from across the landscape spanning over one hundred years and including such authors as Franz Delitzsch M Scott Fletcher Max Weber Walter Wink and many other scholars Psychological Hermeneutics for Biblical Themes and Texts J. Harold Ellens,2012-05-03 For centuries scholars have been developing ways of studying the bible through exegesis historical critique literary critique form criticism and narrative analysis During the last half century new theoretical approaches have come to the fore Psychological Hermeneutics takes as its starting point the text itself and its context the dynamics of the human document created the person s who authored the text the original audience for which it was intended the subsequent audiences to which it spoke and the factors that were at play behind in and in front of the text The contributions to this volume examine the growth of Psychological Hermeneutics as a discipline within biblical studies The book is structured in two parts The first assesses the approach taken by Wayne G Rollins one of the pioneers of this field The second provides applications of Rollins approach The result is a book which presents a state of the art survey of the discipline and development of Psychological Hermeneutics over the last thirty years Jungian and Psychoanalytic Perspectives on Christmas Kendrick Lyddon Norris,2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology **My Name is Legion** Michael Willett Newheart,2004 In My Name is Legion Professor Newheart interfaces narrative and psychological criticism with historical perspectives cultural examination and poetic reflection to create this unique book length treatment of the Gerasene demoniac that is described in Mark 5 1 20 **Jesus Research**

James H. Charlesworth, Brian Rhea, Petr Pokorny, 2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies

Biblical Interpretation W. Randolph Tate, 2008-05-01 This comprehensive exploration of the interpretive process now available in paperback has served as a successful textbook It focuses on the three worlds of biblical interpretation the world of the author the world of the text and the world of the reader to help students develop an integrated hermeneutical strategy The book offers clear explanations of interpretive approaches which are supported by helpful biblical examples and succinct synopses of various interpretive methods Pedagogical aids include end of chapter review and study sections with key terms study questions and suggestions for further reading

City of Ruins Dereck Daschke, 2010 This psychoanalytic study reads Jewish apocalypses as texts of mourning for the destruction of Jerusalem arguing that the seers experiences of traumatic loss then visions of healing and recovery all work to achieve the apocalyptic cure for ancient Jewish society

The God of All Flesh Walter Brueggeman, 2017-01-26 Biblical faith is passionately and relentlessly material in its emphasis This claim is rooted in the conviction that the creator God loves the creation and summons creation to be in sync with the will of the creator God This collection of essays is focussed on the bodily life of the world as it ordered in all of its problematic political and economic forms The phrase of the title all flesh in the flood narrative of Genesis 9 refers to all living creatures who are in covenant with God human beings animals birds and fish as recipients of God's grace as dependent upon God's generosity and as destined for praise and obedience to God The insistence on the materiality of life as the subject of the Bible means that the difficult issues of economics and the demanding questions of politics are front and centre in the text So the Pentateuch pivots around the Exodus narrative and the emancipation from an unbearable context of abusive labour practices In a similar manner the prophets endlessly address such questions of social policy and the wisdom teachers reflect on how to manage the material things of life and social relationships for the well being of the community This emphasis pervasive in these essays is a powerful alternative and a strong resistance against all of the contemporary efforts to transcend escape the material into some form of the spiritual All around us are efforts to find an easier more harmonious faith This may be evoked simply

because of a desire to shield economic political advantage from the inescapable critique of biblical faith Such a temptation is a serious misreading of the Bible and a critical misjudgment about the nature of human existence Thus the Bible addressed the most urgent issues of our day and refuses the religious temptation that avoids lived reality where the power of God is a work

Soul And Psyche The Bible In Psychological Perspective Introduction

In today's digital age, the availability of Soul And Psyche The Bible In Psychological Perspective books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soul And Psyche The Bible In Psychological Perspective books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soul And Psyche The Bible In Psychological Perspective books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soul And Psyche The Bible In Psychological Perspective versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soul And Psyche The Bible In Psychological Perspective books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soul And Psyche The Bible In Psychological Perspective books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soul And Psyche The Bible In Psychological Perspective books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soul And Psyche The Bible In Psychological Perspective books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soul And Psyche The Bible In Psychological Perspective books and manuals for download and embark on your journey of knowledge?
