Soul Thief:

The Soul Thief Charles Baxter, 2009-02-10 In this extraordinary novel of mischief and menace we see a young man's very self vanishing before his eyes from the winner of the PEN Malamud Award and one of our most gifted writers Chicago Tribune Entirely original So craftily constructed that to appreciate how liberally Baxter plants creepy hints of what's to come a reader should really savor this book twice The Washington Post As a graduate student in upstate New York Nathaniel Mason is drawn into a tangle of relationships with people who seem to hover just beyond his grasp There's Theresa alluring but elusive and Jamie who is fickle if not wholly unavailable But Jerome Coolberg is the most mysterious and compelling Not only cryptic about himself he seems also to have appropriated parts of Nathaniel's past that Nathaniel cannot remember having told him about

The Soul Thief Cecelia Holland, 2004-03 They were one soul in two bodies Corban and Mav twins born to the lord of a Irish coastal farmstead Mav had the Second Sight and was her father's delight Corban though was a deep disappointment finally exiled for refusing his father's command to go and take up a sword for the High King But on the night of Corban's exile as he slept in the woods and brooded on injustice the dreadful dragon ships of the Vikings bore down on his home with fire and the sword The farm was plundered and burned all the people were slain save the young women they were raped and dragged off to a life of slavery From the coast of Ireland to the occupied village of Dublin across the Irish Sea to a Viking stronghold in Britain and then across the sea to the Kingdom of the Danes Corban is drawn in the track of his ravaged sister fighting for his own life and to earn the influence and money he will need to buy her freedom His quest is not hopeless for Mav's second sight made stronger by the dreadful fate that has befallen her has brought her to the attention of the Lady of Hedeby The Lady wealthy and influential in the Kingdom of the Danes has bought Mav she intends to use the twins and their link with each other to extend that influence far beyond Hedeby
