Your Soul to Keep Ed Stauffer, 2016-11-21 Good and evil have always existed and the battle between heaven and hell has been waged since before humankind s earliest memories Agents on both sides of this unending war move across the world searching for and claiming souls to fill their ranks They scour battlefields and dark alleys appearing in hospitals and at the bedsides of the dying They sometimes dwell among the oblivious masses going about their lives not knowing that

anyone could be an agent of heaven or of hell Hellerman is one of these agents a shadow who descends upon the dying to procure their souls for his master Throughout millennia he has traveled across the continents appearing at one moment in a far removed village in Africa and later in the vast cities of Europe and North America He has never questioned his duty before But he has never had anyone show him what it is like to have someone care about him and for him And with that friendship comes another battle this time inside himself whose outcome will alter his destiny completely Soul to Sisterhood Jamie Day,2021-12-09 Soul to Sisterhood is an invitation for readers to fall in love or deeper in love with themselves their lives and their relationships With 36 autobiographic stories 108 universal themes for self reflection and 180 experiential activities this book offers hundreds of transformational opportunities that can be done individually or shared with friends and family Readers can step into their cyclical Lunar Wisdom get to know themselves better by connecting to their Chakras and raise the vibe of their relationships with playful practices all while remembering the timeless yet potent wisdom that they are not alone The women featured in these pages hold up the mirror for readers to reclaim and reignite their passions purpose and desires The engaging Sacred Play Suggestions open the doors of replenishment and rejuvenation The Themes support readers as they release unwanted patterns and old belief systems This book is a must have for women interested in recreating and reviving their connection to empowerment oneness and their Higher Self Soul to Sisterhood is about extraordinary women triumphing over extraordinary things Soul to Sisterhood is you From Soul to Self James Crabbe,2012-09-10 From Soul to Self takes the reader on a fascinating journey through philosophy theology religious studies and physiological sciences Each of the essays drawn from a number of different fields focuses on the idea of the soul and of our sense of ourselves A stellar line up of authors explore the relationship between a variety of ideas that have arisen in philosophy religion and science each idea seeking to explain why we think that we as individuals are somehow distinct and unique Contributors Richard Sorabji Anthony Kenny Kallistos Ware Peter Riviere Gary Matthews Susan Greenfield Galen Strawson *I Pray the Lord My Soul to Keep* Edward Vaughn,2015-07-16 Whether you are you Christian Jewish Agnostic or Atheist you will find this story containing and dealing with many important spiritual issues of life both interesting and highly relevant Unlike so many other books on this topic its not loaded with a lot of antiquated sounding Bible babble but ordinary and logical talk and our Lord is treated in a realistic and understandable manner It is based on a review of several other books on this topic and contains events which were very believably reported by individuals who experienced death and returned to life If nothing else it will help you to think more realistically about spirituality and the next life *The Works of John Bunyan: Experimental, doctrinal, and practical* John Bunyan,1861 **War Between Souls Over First Universe** Tiffany Thompson,2011-03 SYNOPSIS This volume is laced with notions of reincarnation and afterlife For that same reason WAR BETWEEN SOULS OVER FIRST UNIVERSE is a supernatural story about the pure elder immortal souls who want nothing more than to teach their young delinquent souls how to earn immortality and stop reincarnating their tainted

demonic souls Likewise this book confirms that you cannot separate the soul from the notion of the afterlife That afterlife consists of reincarnating demonic souls Hellitheons Hellish as they are they refuse to obey the Creators They have reincarnated themselves in bodies human and otherwise for billions and billions of years In addition they are lingering here on earth pretending to be MOVING ON trying to take over what does not belong to them Reincarnation is not a rarity It is a daily occurrence Remember Plato as well as Christianity tells us in essence that the soul is the power that runs the body machine and that souls are capable of reincarnating recollecting Tiffany is telling you that before that body is worn out its souls are tormented manipulated and even ripped out forcing displaced souls to transfer their energy power essence into another body be that animal or human
