## **Soul Trade:**

*Soul Trade* Thomas E. Sniegowski, Tom Sniegowski, Joss Whedon, 2001 Some people collect baseball cards some people collect Beanie Babies some people collect souls A vision of a young girl in pain leads Angel Doyle and Cordelia to the scene just moments too late the girl of the vision is being taken unconscious to hospital The only clue as to what could have happened to her is an ornate glass vial found at the foot of her bed which Doyle recognises as used for the containment of human souls It seems souls have many uses other than the obvious no two are alike and the soul of an innocent child is one of the most eagerly sought after items on the demonic black market Angel knows the value of a human soul for his is the source of his own salvation But can he find this young girl's in time to save her Nor is she the only one in danger For no sooner has Angel made his presence known than the demonic dealers in souls realise that there's another soul out there which is quite literally priceless a soul more unique than they could ever have dared to dream *Blockchain of Souls* Chinmoy Mukherjee, 2025-10-03

Dr Emil Roth a grieving widower and scientist in Zurich pioneers the Elysium Chain a blockchain technology that tokenizes human consciousness allowing souls to be preserved forked and resurrected digitally Assisted by his ethical counterpart grad student Lena Vogel and tested on terminally ill volunteer Elias Koenig the project begins as a means to immortalize memories and combat oblivion As Elias's consciousness is uploaded and fragmented into non fungible tokens the story explores the profound implications of digitizing the human essence from personal liberation through eternal simulations to societal debates on ownership identity and the democratization of death Over seven years the narrative unfolds through escalating ethical dilemmas and technological evolutions including uncontrolled forking leading to digital chaos corporate attempts to commodify souls and governmental interventions on neural piracy Conflicts arise with black markets forgotten fragments of marginalized souls and hybrid integrations blending digital echoes with living minds culminating in a global symphony where souls harmonize in equitable self governed eternities Ultimately Emil's creation transforms humanity's relationship with mortality reflecting themes of grief hubris and redemption as he himself merges into the chain leaving a legacy of unchained immortality balanced by ethical safeguards *The Lion's Wisdom* Uma

Shankari, 2019-09-10 In this channeled text a wise lion distraught by the condition of the world and its people tutors a human student about the part we all play in creating and preserving balance and harmony on Mother Earth An exploration of the true nature of the soul and spirituality The Lion's Wisdom will move you to see the world around you differently **Hidden**

**Agendas** Steve Brown, 2016-05-16 We pretend hidden agendas are just for politicians but we all have them We're phony and afraid and it's killing us and hurting those we love Steve Brown invites us to drop our masks and discover how God's love propels us into the real relationships we thought we'd never have **Unidentified Funny Objects 8** Wendy Maas, David

stories All new fiction from the genre s top voices Superheroes mired in government bureaucracy Cat cat burglars  
 Grandmotherly golems Literal minded self driving cars Evil overlords retired in Florida Indifferent aliens     The Delectable  
Negro Vincent Woodard,2014-06-27 Winner of the 2015 LGBT Studies Award presented by the Lambda Literary Foundation  
 Unearths connections between homoeroticism cannibalism and cultures of consumption in the context of American literature  
 and US slave culture that has largely been ignored until now Scholars of US and transatlantic slavery have largely ignored or  
 dismissed accusations that Black Americans were cannibalized Vincent Woodard takes the enslaved person s claims of human  
 consumption seriously focusing on both the literal starvation of the slave and the tropes of cannibalism on the part of the  
 slaveholder and further draws attention to the ways in which Blacks experienced their consumption as a fundamentally  
 homoerotic occurrence The Delectable Negro explores these connections between homoeroticism cannibalism and cultures  
 of consumption in the context of American literature and US slave culture Utilizing many staples of African American  
 literature and culture such as the slave narratives of Olaudah Equiano Harriet Jacobs and Frederick Douglass as well as  
 other less circulated materials like James L Smith s slave narrative runaway slave advertisements and numerous articles from  
 Black newspapers published in the nineteenth century Woodard traces the racial assumptions political aspirations gender  
 codes and philosophical frameworks that dictated both European and white American arousal towards Black males and  
 hunger for Black male flesh Woodard uses these texts to unpack how slaves struggled not only against social consumption  
 but also against endemic mechanisms of starvation and hunger designed to break them He concludes with an examination of  
 the controversial chain gang oral sex scene in Toni Morrison s Beloved suggesting that even at the end of the twentieth and  
 beginning of the twenty first century we are still at a loss for language with which to describe Black male hunger within a  
 plantation culture of consumption     **Trading Your Life Away** Rich Hopkins,2015-06-04 Trading Your Life Away is the true  
 story of an unsuccessful bond trader trapped in the world of money worshipthe spirit of mammon He spent a career  
 controlled by a compulsive drive to trade bonds alternating between fear and greed to get money His life began to change on  
 July 6 2012 when he was touched by a supernatural encounter While looking at the Bank of England in the square mile City  
 of London England he was engulfed in a brilliant white light He stood frozen with tears dripping down his cheeks as he  
 clearly heard you have been controlled by the same spirit that controls the City of London the spirit of mammon It will begin  
 to come off of you As it does it will begin to come off the City of London Rich looks at how the power of money has affected  
 his life If you see yourself locked up in an emotional prison as he was and want the key to filling your empty life he offers a  
 four letter heart word as the escape     **The Soul Traders** REMI,2021-05-07 The Soul Traders By REMI Ghosts both good  
 and bad are not the real monsters of the world More often than not monsters are in plain sight as other humans They are
