Sound And Glory Bill Haley:

Sound and Glory John W. Haley, John J. Von Hoelle, 1990 *Bill Haley* , **Music in the 20th Century (3 Vol Set)** Dave DiMartino, 2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response **Before Elvis** Larry Birnbaum, 2012-12-14 An essential work for rock fans and scholars Before Elvis The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock Before Elvis offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock s origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In Before Elvis Birnbaum daringly argues a more complicated history of rock s evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history Rock & Roll's Hidden Giant Charlie Gracie, John A. Jackson, 2014-09-22 Charlie Gracie s hit song Butterfly topped the American and British music charts in 1957 selling over three million copies His hits in the late 50s propelled him to appearances on Dick Clark s American Bandstand The Ed Sullivan Show and some of the largest venues in the U S and abroad Charlie was part of the birth of rock roll and his unique style influenced some of the most important artists in rock history including The Beatles Cliff Richard Van Morrison Graham Nash Chubby Checker and countless others Rock Roll s Hidden Giant uncovers Charlie s inspiring story tracing his rise to the top of the charts through to his fall from fame From his upbringing on the streets of Philadelphia to the tragic death of his friend Eddie Cochran to experiencing the dark side of Dick Clark and the early days of the music industry we learn that Charlie s unfaltering integrity and talent were the constant guides in his life Rock history would not be the same without Charlie Gracie and this remarkable uplifting account is essential for all fans of rock roll When we were starting out with The Beatles the music coming over from America was magical to us and one of the artists who epitomized this magic was Charlie Gracie Sir Paul McCartney Charlie Gracie was FIRST in Rock Roll and the FIRST Rock Roller to come out of Philadelphia He started it and made it possible for all the rest of us Chubby Checker His concerts in the late 50s in Manchester England helped me to

become who I am today Graham Nash This book will allow you to see that nothing comes easy Success comes with hard work disappointments and some artists suffer betrayal by those they trust Sir Cliff Richard His guitar sound was brilliant George Harrison

The Colonel Alanna Nash,2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music Elvis Presley His real name wasn t Tom Parker indeed he wasn t an American at all but a Dutch immigrant called Andreas van Kujik And he certainly wasn t a proper military colonel he purchased his title from a man in Louisiana But while the Colonel has long been acknowledged as something of a charlatan

this book is the first to reveal the extraordinary extent of the secrets he concealed and the consequences for the career and ultimately the life of the star he managed As Alanna Nash prodigious research has discovered the Colonel left Holland most probably because at the age of twenty he bludgeoned a woman to death Entering the US illegally he then enlisted in the army as Tom Parker But with supreme irony for someone later styling himself as Colonel Parker s military career ended in desertion and discharge after a psychiatrist had certified him as a psychopath He then became a fairground barker working sideshows with a zeal for small scale huckstering and the casual scam that never left him And by the height of Elvis s success Parker had become a pathological gambler who at the same time as he was taking amazingly a full 50% of Presley s earnings frittered away all his wealth in the casinos of Las Vegas As Nash shows therefore the often baffling trajectory of Elvis Presley s career makes perfect sense once the secret imperatives of the Colonel s life are known Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there Even at his most famous Elvis was still being booked to play out of the way towns in North Carolina because the former fairground barker who shamelessly negotiated as such even with top record company and film executives knew them from his days on the circus circuit And Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly seven days a week until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open chit whose huge earnings prevented his manager s losses at the gambling tables being called in Alanna Nash knew Parker towards the end of his life and has now uncovered the whole story improbable shocking and never less than compelling of how this larger than life man made and then unmade popular music s first and greatest superstar **Bill Haley Otto Fuchs,2008**
