String Too Short to be Saved Donald Hall, 1961 *String Too Short to Be Saved* Donald Hall, 2025 This is a collection of story essays diverse in subject but united by the limitless affection the author holds for the land and the people of New England Donald Hall tells about life on a small farm where as a boy he spent summers with his grandparents Gradually the boy grows to be a young man sees his grandparents aging the farm become marginal and finally the cows sold and the barn abandoned But these are more than nostalgic memories for in the measured and tender prose of each episode are signs of the end of things a childhood perhaps a culture New softcover edition with a new introduction by Dan Okrent **Essays on Poetry** Ralph J. Mills, 2003 Taken from throughout Mills's career the essays collected in this volume delve into the work of such influential writers as Wallace Stevens Denise Levertov Samuel Beckett Galway Kinnell Edith Sitwell Theodore Roethke Karl Shapiro Richard Wilbur Isabella Gardener James Wright David Ignatow Donald Hall Robert Bly Philip Levine and Stanley Kunitz Mills examines how the personal element informs the works of these writers and enables them to speak to us without impediment from the deep center of a personal engagement with existence *String Too Short to be Saved.
