Jakle, Keith A. Sculle, Jefferson S. Rogers, 1996 In the second volume of the acclaimed Gas Food Lodging trilogy authors John Jakle Keith Sculle and Jefferson Rogers take an informative entertaining and comprehensive look at the history of the motel From the introduction of roadside tent camps and motor cabins in the 1910s to the wonderfully kitschy motels of the 1950s that line older roads and today s comfortable but anonymous chains that lure drivers off the interstate Americans and their cars have found places to stay on their travels Motels were more than just places to sleep however They were the places where many Americans saw their first color television used their first coffee maker and walked on their first shag carpet Illustrated with more than 230 photographs postcards maps and drawings The Motel in America details the development of the motel as a commercial enterprise its imaginative architectural expressions and its evolution within the place product packaging concept along America s highways As an integral part of America s landscape and culture the motel finally receives the in depth attention it deserves *The Taste of American Place* Barbara G. Shortridge, James R. Shortridge, 1999-09-01 Tracing the intertwined roles of food ethnicity and regionalism in the construction of American identity this textbook examines the central role food plays in our lives Drawing on a range of disciplines_ including sociology anthropology folklore geography history and nutrition_ the editors have selected a group of engaging essays to help students explore the idea of food as a window into American culture The editors general introductory essay offers an overview of current scholarship and part introductions contextualize the readings within each section This lively reader will be a valuable supplement for courses on American culture across the social sciences The Making of the American Landscape Michael P. Conzen, 2014-06-03 The only compact yet comprehensive survey of environmental and cultural forces that have shaped the visual character and geographical diversity of the settled American landscape The book examines the large scale historical influences that have molded the varied human adaptation of the continent s physical topography to its needs over more than 500 years It presents a synoptic view of myriad historical processes working together or in conflict and illustrates them through their survival in or disappearance from the everyday landscapes of today *American Studies* Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories

Jakle, Keith A. Sculle, 2004 Examines a neglected aspect of America's infatuation with the automobile the impact on America not of cars in motion but of cars at rest *From Boarding House to Bistro* Richard Pillsbury, 2025-04-01 The quest for food to fill the body and food to seduce the soul has provided a catalyst for the exploding variety of restaurants in the United States Mapping out the development of the great American restaurant the author takes us on a nostalgic journey in *From Boarding House to Bistro* originally published in 1990 through the history of a nation's eating houses From the earliest taverns and inns to the fast food chains of 1990s the restaurant mirrored a changing way of life Increasingly Americans chose to eat away from home in a variety of downtown establishments or in the burgeoning sprawl of suburban eateries Richard Pillsbury traces this evolution emphasizing how the restaurant's form its fare and its location reflect the country's diverse economy and social life Abundantly illustrated and with entertaining vignettes on individual eating places this fascinating account is accessible to all readers The unique product of extensive travel across the continent this book gives new insight into the restaurant as an institution and will especially appeal to those interested in the social and behavioral sciences urban planners marketing specialists and others working with the changing American urban scene *FieldWorking* Bonnie Stone Sunstein, Elizabeth Chiseri-Strater, 2011-09-02 *FieldWorking* is a fun and practical guide to research and writing This acclaimed text incorporates examples by professional writers such as Peter Elbow Joan Didion Oliver Sacks and Jamaica Kincaid as well as student research projects on communities as diverse as a truck stop sports bar homeless shelter and horse sales barn to help students identify and define their own subcultures and communities In unique activities and comprehensive instruction *FieldWorking* presents an ethnographic approach that empowers students to observe listen interpret analyze and write about the people and artifacts around them while learning the essentials of college writing and research *FieldWorking* is suitable for courses in English anthropology cultural studies journalism or in any discipline where research is required **Selling 'em by the Sack** David G. Hogan, 1999-11 This history of the White Castle chain tells a truly American success story of luck and hard work working behind one man to create an industry so pervasive that today it's an integral part of American pop culture Publishers Weekly 23 illustrations

Embracing the Song of Appearance: An Mental Symphony within **Strip An American Place**

In some sort of consumed by displays and the ceaseless chatter of fast interaction, the melodic beauty and emotional symphony created by the written word often diminish into the back ground, eclipsed by the constant noise and distractions that permeate our lives. Nevertheless, located within the pages of **Strip An American Place** a wonderful fictional value full of fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that fascinating masterpiece conducts readers on a psychological trip, well unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths with this emotional examination, we shall explore the book is key harmonies, analyze their enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
