Randall Clark

Stripped To Kill 2:

The Erotic Thriller in Contemporary Cinema Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre's exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as Basic Instinct Fatal Attraction and In the Cut to straight to video film titles such as Carnal Crimes Sins of Desire and Night Eyes Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally

Serial Killer Cinema Robert Cettl, 2007-10-18 The release of Silence of the Lambs in 1991 which swept the major Academy Awards categories legitimized the serial killer movie a genre that dates back as far as the silent era From Absence of the Good to Zodiac Killer this reference work allows a detailed study of the development of the serial killer film as a distinct genre with its own character types narrative patterns and styles An introduction outlines the historical evolution of this film genre and covers the whole range of cinematic interpretations from the response to Jack the Ripper and other real life serial killers through the late 1960s to the current state of the genre Arranged alphabetically by title the filmography covers over 500 feature films and select television movies Each entry contains a listing of the film's main credits a synopsis of the film a summary of the film's respective merits and a discussion of how they fit into the themes and structures outlined in the introduction Only films that portray the serial killer as a repeat pattern killer and directly or by suggestion reveal the killer's aberrant sexual motivations or their craving for manipulation domination and control with subsequent desires to punish women or society are included

Queer Horror Sean Abley, Tyler Doupé, 2024-08-20 From the beginning horror has been part of the cinema landscape Despite some of the earliest genre films with gay directors such as F W Murnau Nosferatu and James Whale Frankenstein The Invisible Man Bride of Frankenstein LGBTQIA characters have rarely been portrayed in full view For decades filmmakers have included coded content in their films with the homosexual experience translated into censor friendly subtext for consumption by general audiences Gradually LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience's tastes and attitudes Likewise more and more LGBTQIA writers and directors have begun to offer their queer centric takes on scary movies and today queer horror is a thriving film genre With more than 900 entries this critical filmography is a comprehensive critical yet playful examination of the history of LGBTQIA content in horror films Eight journalistic contributors dig into every era of scary movies including the early silents pre and post Hays Code content grindhouse sleaze LGBTQIA indies and megaplex studio releases From Whale's The Old Dark House

1932 to Don Mancini's Chucky films and everything in between this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry

I Spit On Your Celluloid Heidi Honeycutt, 2024-08-08 Slumber Party Massacre Pet Sematary Near Dark American Psycho These horror movies have heavily contributed to pop culture and are loved by horror fans everywhere But so many others have been forgotten by history From the first silent reels to modern independent films in this book you'll discover the creepy horrible grotesque beautiful wrong good and fantastic and the one thing they share in common This is the true history of women directing horror movies Having conducted hundreds of interviews and watched thousands of horror films Heidi Honeycutt defines the political and cultural forces that shape the way modern horror movies are made by women The women's rights and civil rights movements new distribution technology digital cameras the destruction of the classic studio system and the abandonment of the Hays code have significantly impacted women directors and their movies So too social media modern ideas of gender and racial equality LGBTQ acceptance and a new generation of provocative daring films that take shocking risks in the genre Includes short films anthologies documentaries animated horror horror pornography pink films and experimental horror I Spit on Your Celluloid is a first of its kind celebration study and a book that needed to be written says cult filmmaker Stephanie Rothman You will never look at horror movies the same way again

Fantastic Cinema Subject Guide Bryan Senn, 2024-10-16 About 2 500 genre films are entered under more than 100 subject headings ranging from abominable snowmen through dreamkillers rats and time travel to zombies with a brief essay on each topic development highlights and trends Each film entry shows year of release distribution company country of origin director producer screenwriter cinematographer cast credits plot synopsis and critical commentary

At a Theater or Drive-in Near You Randall Clark, 2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women's prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience

New York Magazine , 1987-06-29

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Spinegrinder Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities. With so many sources available today, a fan of horror and exploitation movies isn't necessarily educated on paths well trodden. Universal classics, 1950s monster movies, Hammer as once they were. They may not even be born and bred on *DAWN OF THE DEAD*. In fact, anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing *MYSTICS IN BALI* and *S S EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H G Lewis, so called godfather of gore, carries the same stripes as Alfred Hitchcock, master of suspense. *SPINEGRINDER* is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about. One opinion, 8 000 reviews or thereabouts.
