

S-T-R-O-N-G PRESIDENTS

Activities of Leadership

Strong Presidents A Theory Of Leadership

David Beetham

Strong Presidents A Theory Of Leadership:

Strong Presidents Philip Abbott, 1996 The author utilizes strong and weak poet presidents to examine their leadership and how these presidents wrote and read belatedly so they might be surveyed and judged in the future for their actions

Dilemmas of Presidential Leadership Richard Ellis, Aaron B. Wildavsky, 1989-01-01 Dilemmas of Presidential Leadership challenges the widely accepted distinction between traditional and modern presidencies a dichotomy by which political science has justified excluding from its domain of inquiry all presidents preceding Franklin Roosevelt Rather than divide history into two mutually exclusive eras Richard Ellis and Aaron Wildavsky divide the world into three sorts of people egalitarians individualists and hierarchs All presidents the authors contend must manage the competition between these rival political cultures It is this commonality which lays the basis for comparing presidents across time To summarize and simplify the book addresses two general categories of presidencies The first is the president with a blend of egalitarian and individualist cultural propensities Spawned by the American revolution this anti authoritarian cultural alliance dominated American politics until it was torn asunder by what Charles Beard has called the second American revolution the Civil War The Jeffersonian and Jacksonian presidents labored with varying degrees of success to square the exercise of authority with their own and their followers anti authoritarian principles They also were faced with intraparty conflicts that periodically flared up between egalitarian and individualist followers The president with hierarchical cultural propensities faced different problems While the precise contours of the dilemma varied all straggled in one way or another to reconcile their own and their party's preferences with the anti hierarchical ethos that inhered in the society and the polity Hierarchical presidents like Washington and Adams were hamstrung by this dilemma as were Whig leaders like Henry Clay and Daniel Webster who aspired to the presidency but never achieved it Abraham Lincoln's greatness resided in part in his ability to resolve the hierarchy's dilemma He operated in wartime when he could invoke the commander in chief clause and he created a new cultural combination in which hierarchy was subordinated to individualism This suggests the authors was a key to his greatness The unique dimension of this volume is its use of cultural theory to explain presidential behavior It also differs from other books in that it deals with pre modern presidents who are too often treated as only of antiquarian interest in mainstream political science literature on the presidency The analysis lays the groundwork for a new basis for comparison of early presidents with modern presidents

Presidential Leadership in the Americas since Independence Guy Burton, Ted Goertzel, 2016-10-05 What is presidential leadership and why have some presidents been considered great or rather transformational while others are not What are the drivers which distinguish these presidents from the rest Presidential Leadership in the Americas since Independence answers these questions through a systematic study of leadership across the Americas over 200 years from independence to the present day Having surveyed who the most cited presidents are in the Americas Guy Burton and Ted Goertzel examine the experience of presidents from across the western hemisphere the US

Argentina Brazil Chile Colombia Mexico Peru and Venezuela They study the relationship between these men and women's actions within the constraints they faced during four political periods independence national consolidation during the nineteenth century state building from the late nineteenth to mid twentieth centuries and neoliberalism since the 1970s 80s The most transformational presidents are found to be those who are not only able to innovate and build new political consensus at a time of crisis but also consolidate them so that the reforms becoming lasting and extending beyond an individual president's own political even biological lifetime

The Prospect of Presidential Rhetoric James Arnt Aune, Martin J. Medhurst, 2008 Culminating a decade of conferences that have explored presidential speech *The Prospect of Presidential Rhetoric* assesses progress and suggests directions for both the practice of presidential speech and its study In Part One following an analytic review of the field by Martin Medhurst contributors address the state of the art in their own areas of expertise Roderick P Hart then summarizes their work in the course of his rebuttal of an argument made by political scientist George Edwards that presidential rhetoric lacks political impact Part Two of the volume consists of the forward looking reports of six task forces comprising more than forty scholars charged with outlining the likely future course of presidential rhetoric as well as the major questions scholars should ask about it and the tools at their disposal *The Prospect of Presidential Rhetoric* will serve as a pivotal work for students and scholars of public discourse and the presidency who seek to understand the shifting landscape of American political leadership

Presidential Leadership in Public Opinion Jeffrey E. Cohen, 2015-04-06 Although presidents may have a difficult time actually leading the public and Congress voters still desire strong leadership from their commander in chief In *Presidential Leadership in Public Opinion* Jeffrey E Cohen argues that the perception of presidential leadership in American politics is affected not so much by what presidents accomplish but by whether voters think their president is a good leader When assessing whether a president is a good leader voters ask two questions does the president represent me and the nation And is the president strong Cohen shows that presidential interactions with Congress affect voter perceptions of presidential representation and strength These perceptions have important implications for public attitudes about American politics They affect presidential approval ratings the performance of candidates in presidential elections attitudes toward Congress and trust in government Perceptions of presidential leadership qualities have implications not only for the presidency but also for the larger political system

The Presidential Dilemma Michael A. Genovese, 2017-07-28 This brief thought provoking text evaluates the performance of recent presidents from Johnson to Bush finding that overall each has failed to live up to public expectations Written by one of the top presidency scholars today *The Presidential Dilemma* reflects on the idea that as our country's problems grow our politicians seem to shrink Arguing that American presidents of the last 40 years have largely failed to meet the needs expectations and responsibilities placed upon them the book discusses how presidents might better maximize their opportunities for leadership and suggests a distinctive theory of presidential politics presidents facing a system of multiple

veto points seek to maximize power and influence The third edition of Genovese's stimulating book is thoroughly updated to reflect presidential development in recent years and a new introduction brings his arguments current As he demonstrates the emergence of democracy as a new social and political paradigm undermined traditional authority and legitimacy Subjects no longer automatically follow now citizens must be persuaded They may give to a leader their authority and power or not As Genovese notes in a world of mass consumerism those wishing to lead have precious little to offer by way of inducement Genovese's goal is to examine the reasons why the performance of recent presidents has been underwhelming discuss how they might maximize their opportunities for leadership and ask a key question Can presidents be both powerful and accountable The book follows a clear format and tries to show why America's officeholders have so rarely been leaders and how presidents can become leaders instead of mere officeholders

Max Weber and the Theory of Modern Politics

David Beetham, 2018-07-11 Max Weber's writings on the politics of Wilhelmine Germany and the Russian revolutions of 1905 and 1917 are much less well known than his contributions to historical and theoretical sociology yet they are essential to any overall assessment of his thought Drawing on these writings still mostly untranslated David Beetham offers the most comprehensive account available in English of Weber's political theory The book explores Weber's central concern with the prospects for liberal Parliamentaryism in authoritarian societies and in an age of mass politics and bureaucratic organization and shows how this concern led him to a revision of democratic theory which is still influential It argues that Weber's analysis of the class basis of contemporary politics necessitate a modification in some of the accepted interpretations of his sociology of modern capitalism A special feature of the book is its full treatment of the extensive German literature on Weber's political thought This second edition contains a substantial new critical introduction and an expanded bibliography Otherwise the text of the widely acclaimed first edition remains unaltered This is a book which adds an essential dimension to the understanding of Max Weber for students of sociology and politics who have previously only approached his work through his sociological writings

Leadership

Peter G. Northouse, 2007 With this text Peter Northouse provides a description and analysis of a wide variety of different theoretical approaches to leadership paying special attention to how each theory can be employed to improve leadership in practice

The President's Legislative Policy Agenda,

1789-2002 Jeffrey E. Cohen, 2012-09-10 Jeffrey E. Cohen looks at U.S. presidents' legislative proposals to Congress from 1789 to 2002 analyzing why presidents submit one proposal rather than another and what Congress does with the proposals He investigates trends in presidential requests to Congress the substantive policies of the proposals and the presidential decision process in building legislative agendas

Congress, the President, and Policymaking

Jean Reith Schrodell, 1994 A study of the effect that the institutional division and forced sharing of powers characteristic of the American system of government has on policymaking utilizing the Constitution to generate testable propositions about how the legislative process has developed in the US The basic argument is that by establishing a government composed of

functionally separate branches that are required to share legislative responsibilities the Founders determined the broad outlines of subsequent developments Annotation copyright by Book News Inc Portland OR

Getting the books **Strong Presidents A Theory Of Leadership** now is not type of challenging means. You could not deserted going following ebook buildup or library or borrowing from your friends to right to use them. This is an no question simple means to specifically get guide by on-line. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Strong Presidents A Theory Of Leadership full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Strong Presidents A Theory Of Leadership eBooks, including some popular titles.

FAQs About Strong Presidents A Theory Of Leadership Books

What is a Strong Presidents A Theory Of Leadership PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Strong Presidents A Theory Of Leadership PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Strong Presidents A Theory Of Leadership PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Strong Presidents A Theory Of Leadership PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Strong Presidents A Theory Of Leadership PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
