Structural Change and Economic Development Norman Gemmell,1986-08-11 Structural change economic development service sector case study Egypt public sector private sector tax system and financing of public services economic growth employment Bibliography graphs statistical tables

The Service Sector in India's Development Gaurav Nayyar,2012-05-28 This book analyzes the Indian service sector s heterogeneity Unlike the few other books in the area this analysis uses hitherto unutilized data bases more rigorous methods and examines some unexplored questions

The Service Sector and Economic Development in Africa Evelyn Wamboye,Peter Nyaronga,2018-09-04 The service sector accounts for a huge proportion of global employment and is the biggest driver of gross domestic product in developing nations Yet there has been little research uncovering its scope potential and implications on sustained and inclusive economic growth This is especially true for Africa which has seen a strong growth trajectory in recent years This book presents a new frontier of research offering insightful perspectives on the 21st century realities of the service sector and its effect on economic development in Africa The analysis presented here will be of relevance to academics and policymakers with an interest in Africa s role in the global economy

Service Industries and Regions Juan R. Cuadrado-Roura,2013-03-26 The service sector in most advanced economies accounts for up to seventy percent of employment and GDP and given its growing importance has received much research attention over the last two decades However not very much attention has been paid to the relationship between this sector and both its territorial impact and regional effects The main objective of this book is to offer a comprehensive approach to these aspects focusing particularly on the location factors of service industries and the importance of some specific services such as business services and knowledge and information services The contributions have been prepared by well known experts in the field from a wide number of countries The focus of all contributions is not only on theoretical aspects but also provides empirical analyses on specific countries and topics such as the geographical concentration globalization impacts foreign direct investments and innovation

Socio-Economic Development Adam Szirmai,2015-06-18 Taking a comparative and multidisciplinary approach this textbook offers a non technical introduction to the dynamics of socio economic development and stagnation

Analytical Issues in Trade, Development and Finance Ambar Nath Ghosh,Asim K. Karmakar,2014-07-08 The book s 30 chapters are divided into three sections international trade economic development macroeconomics and finance and focus on the frontier issues in each Section I addresses analytical issues relating to trade environment linkage capital accumulation for pollution abatement possibility of technology diffusion by multinational corporations nature of innovation inducing tariff

protection effects of import restriction and child labour the links between exchange rate direction of trade and financial crisis the implications for India and global economic crisis financial institutions and global capital flows and balance of payments imbalances Section II consists of discussions on the causes of widespread poverty persisting in South Asia development dividend associated with peace in South Asia issues of well being and human development implications for endogenous growth through human capital accumulation on environmental quality and taxation the rationale for a labour supply schedule for the poor switching as an investment strategy the role of government and strategic interaction in the presence of information asymmetry government's role in controlling food inflation inter state variations in levels and growth of industry in India structural breaks in India's service sector development and the phenomenon of wasted votes in India's parliamentary elections Section III deals with the effectiveness of monetary policy in tackling economic crisis the effective demand model of corporate leverages and recession the empirical link between stock market development and economic growth in cross country experience in Asia an empirical verification of the McKinnon Shaw hypothesis for financial development in India the dynamics of the behaviour of the Indian stock market efficiency of non life insurance companies econometric study of the causal linkage between FDI and current account balance in India and the implications of contagious crises for the Indian economy

Services and Economic Development in the Asia-Pacific J.W. Harrington, 2016-04-01 Until the 1990s industrialization was the dominant development paradigm for the Asia Pacific region Since then advanced services finance business or producer services information and creative services have become deeply embedded in the processes of economic growth and change in the region This rapid tertiary expansion is fundamentally restructuring national and regional economies and urban form in line with the introduction of advanced production systems national modernization programmes and the globalization strategies of governments Services are being actively deployed as instruments of metropolitan reconfiguration and land use change This book explores various aspects of the relationship between service industries and economic development in Japan South Korea China Taiwan Singapore India Australia and New Zealand It provides new sector oriented and regional and national perspectives on services and development

The Dynamics of Socio-Economic Development Adam Szirmai, 2005-01-20 Why are poor countries poor and rich countries rich How are wealth and poverty related to changes in nutrition health life expectancy education population growth and politics This modern non technical 2005 introduction to development studies explores the dynamics of socio economic development and stagnation in developing countries Taking a quantitative and comparative approach to contemporary debates within their broader context Szirmai examines historical institutional demographic sociological political and cultural factors Key chapters focus on economic growth technological change industrialisation agricultural development and consider social dimensions such as population growth health and education Each chapter contains comparative statistics on trends from a sample of twenty nine developing countries This rich statistical database allows students to strengthen their understanding of comparative development

experiences Assuming no prior knowledge of economics the book is suited for use in inter disciplinary development studies programmes as well as economics courses and will also interest practitioners pursuing careers in developing countries
