Structuralism Or Criticism Thoughts On How We Read:

Structuralism or Criticism? Geoffrey Strickland, 1981-04-16 Geoffrey Strickland's book considers some of the principal Structuralist theories of the sixties and seventies which derive from the semiology or science of signs postulated by the Swiss linguist Saussure at the beginning of the twentieth century. The book falls into three parts. In the first Strickland argues that in one essential the structuralist enterprise was misconceived. The second and most substantial part of the book is a defence of certain fundamental presuppositions in the act of reading. There is a discussion of the nature and accessibility of authorial intention, of the necessary fallibility in our understanding of what we read, of the objective aspect of evaluation and of the sense in which the student of literature is also a student of history. In the final section the author summarises the arguments of the book with a detailed comparison of the writings of Roland Barthes and F R Leavis. Strickland has produced a lively and provocative contribution to literary debates on structuralism which ranges widely over both French and English criticism and literary theory.

Structuralism Or Criticism? Geoffrey Strickland, Roland Barthes, Frank Raymond Leavis, 1981

How to Read Exodus Tremper Longman III, 2010-02-04 The book of Exodus is a key to understanding the Bible. Without it the Bible would lack three early scenes: deliverance, covenant and worship. Exodus provides the events and narrative, the themes and imagery foundational for understanding the story of Israel and of Jesus. You can read Exodus on your own and its main themes will be clear enough. But an expert can sharpen your understanding and appreciation of its drama. Tremper Longman provides a box seat guide to Exodus, discussing its historical backdrop, sketching out its literary context and developing its principal themes from Israel's deliverance from servitude to Pharaoh to its dedication to service to God. And for Christians he helps us view the book from the perspective of its fulfillment in Christ.

Five Views of Christ in the Old Testament Zondervan, 2022-10-25 The authors of the New Testament regularly quote and allude to Old Testament passages that point to the presence, person and work of Jesus. Jesus himself claimed that Moses wrote about him (John 5:46). And on the road to Emmaus Jesus instructed the disciples from Moses and all the prophets regarding himself (Luke 24:27). Though Christians affirm that the Old Testament bears witness to Christ, how the Old Testament writers did this is a matter of extensive debate. Furthermore, Christian biblical scholars also debate the degree to which contemporary interpreters of the Bible can follow the hermeneutics of the New Testament authors in using the Old Testament to point to the person and work of Jesus Christ. *Five Views on Christ in the Old Testament* is the first book to bring together in conversation the major views on how the Old Testament points to Christ. Contributors and views include: The First Testament Priority View (John Goldingay), The Christotelic View (Tremper Longman III), The Redemptive-Historical/Christocentric View (Jason DeRouchie), The Reception-Centered/Intertextual View (Havilah Dhamraj), The Premodern View (Craig Carter). Each contributor presents their preferred methodology, showing readers how their interpretive approach best explains the biblical data. Additionally, authors provide case studies of various Old Testament passages that equip readers to better compare the strengths and weaknesses of each.

of author's approaches This essential resource will help readers learn practical steps to help them read the Old Testament more faithfully as it testifies to Jesus the Messiah Reading the Old Testament John Barton, 1984-01-01 John Barton's revised classic text is intended for students who have already learned some of the techniques of biblical study and who wish to explore the implications and aims of the various critical methods currently in use Chapters include form criticism redaction criticism canonical criticism structuralism reader response criticism and postmodern approaches Copyright Libri GmbH All rights reserved *Roland Barthes* Rick Rylance, 2016-09-17 This comprehensive introductory study considers the full range of Barthes work from his early structuralist phase through his post structuralist explorations of Text to his late writings In looking at the late work often of an autobiographical or personal lyrical nature Rylance examines the relationship between the critical and the personal as well as Barthes relation to developments in feminism and postmodernism Throughout Barthes writings are presented as paradigmatic of many of the major shifts in intellectual opinion in the post war period The book is part of a series reflecting the broad spectrum of modern European and American theory It focuses on those cultural theorists who have had the most significant impact in the 20th century The series aims to show how modern thinkers differ in their approaches to interpreting culture texts society language history gender and social life Designed to be accessible to students each volume in the series the thought and work of often difficult theorists in a clear and informative way balancing exposition and critique **Warring Interpretations: Untangling the Complexities of Reading** Pasquale De Marco, 2025-04-16 Embark on a thought provoking journey into the realm of interpretation with Warring Interpretations Untangling the Complexities of Reading a book that delves into the fascinating world of conflicting readings and the factors that shape our understanding of texts In this comprehensive guide Pasquale De Marco masterfully unravels the complexities of interpretation exploring the intricate relationship between the reader and the text Discover how subjective perspectives cultural influences and linguistic nuances contribute to the diverse ways in which we perceive and interpret literature Delve into the art of interpretation itself examining the tools and techniques employed by readers to navigate the complexities of texts Learn to appreciate the beauty of multiple perspectives recognizing that there is often no single correct interpretation Cultivate a tolerance for ambiguity embracing it as an invitation to deeper exploration and understanding Warring Interpretations takes you on an intellectual adventure exploring the major schools of literary criticism and their unique lenses for examining literature Gain insights into the challenges posed by ambiguity and uncertainty and discover how these challenges can both hinder and enrich our understanding Furthermore this book illuminates the practical applications of interpretation beyond the realm of literature Learn how interpretation empowers us to engage with the world around us to make sense of complex information and to communicate our thoughts and ideas effectively Cultivate your interpretive abilities to unlock the potential for deeper understanding greater empathy and more meaningful connections with others With Warring Interpretations you will embark on a journey of discovery gaining a profound appreciation for the art of

interpretation and its transformative power in shaping our understanding of literature and the world around us If you like this book write a review on google books *Foundations of Contemporary Interpretation* V. Philips Long,Richard A. Muller,Vern S. Poythress,1996 This one volume edition of the Foundations of Contemporary Interpretation series explores current issues in the interpretation of the Bible from the perspective of specific academic disciplines history literary criticism science and theology *The Johns Hopkins Guide to Literary Theory and Criticism* Michael Groden,Martin Kreiswirth,Imre Szeman,2005 Publisher Description **Difference** Mark Currie,2004-07-31 Difference is one of the most influential critical concepts of recent decades Mark Currie offers a comprehensive account of the history of the term and its place in some of the most influential schools of theory of the past four decades including post structuralism deconstruction new historicism psychoanalysis French feminism and postcolonialism Employing literary case studies throughout Difference provides an accessible introduction to a term at the heart of today s critical idiom
