The Structure of the East German Economy Wolfgang F. Stolper, 1960 *The Structure of the East German Economy* Wolfgang F. Stolper, 1960 Structure of the East German Economy Wolfgang F. Stolper, 1960 *The Institutionalised Transformation of the East German Economy* Sabine Spangenberg, 2012-12-06 It is perhaps worth stressing that economic problems arise always and only in consequence of change So long as things continue as before or at least as they were expected to there arise no new problems requiring a decision no need to form a plan Hayek 1945 p 523 This book is based on my research for the degree of Doctor of Philosophy which I received from Lancaster University England in the second half of 1997 It is an analysis of the structural transformation of the economic system in East Germany and the behavioural relations these changes imply The approach of institutionalised transformation not the least by the creation of the Treuhandanstalt is examined with a theory based framework which is derived from system theoretical evolutionary and constitutional ethical considerations as well as from the newly developed adjustment model which has been constructed as a dynamic transformation approach A relationship between norm changes the new institutional framework of the economic system and the compatibility of the latter with changes of the remaining partial societal systems is recognised Rigidity factors in the system s flexibility to react as well as the adjustment of economic behaviour to structural changes are analysed The marginal product of system change is defined section 2 8 2 The Structure of the East German economy Wolfgang F. Stolper, 1960 *The East German Economy*, 1964 **Supplement Tables to "The Structure of the East German Economy"** Wolfgang F. Stolper, 1960 **The East German Economy, 1945-2010** Hartmut Berghoff, Uta Andrea Balbier, 2013-10-07 By many measures the German Democratic Republic GDR had the strongest economy in the Eastern bloc and was one of the most important industrial nations worldwide Nonetheless the economic history of the GDR has been primarily discussed as a failure when compared with the economic success of the Federal Republic and is often cited as one of the pre eminent examples of central planning s deficiencies This volume analyzes both the successes and failures of the East German economy The contributors consider the economic history of East Germany within its broader political cultural and social contexts Rather than limit their perspective to the period of the GDR s existence the essays additionally consider the decades before 1945 and the post 1990 era Contributors also trace the present and future of the East German economy and suggest possible outcomes **The Structure of the East German Economy.
