Structure Style And Interpretation Short Story On Russia

Nathaniel Golden

Structure Style And Interpretation Short Story On Russia:

Narrative Space and Gender in Russian Fiction Joe Andrew, 2007 The present volume has as its primary aim readings from a feminist perspective of a number of works from Russian literature published over the period in which the woman question rose to the fore and reached its peak All the works considered here were produced in or hark back to a fairly narrowly defined period of not quite 20 years 1846 1864 in which issues of gender of male and female roles were discussed much more keenly than in perhaps any other period in Russian literature The overall project is summed up by the three key words of this book s title narrative space and gender and especially the interconnections between them That is what do the way these stories were told tell us about gender identities in mid nineteenth century Russia Which spaces were central to these fictional worlds Which spaces suggested which gender identities The discussions therefore focus on issues of narrative and space and how they acted as technologies of gender This volume will be of interest to all interested in nineteenth century Russian literature as well as students of gender and of the semiotics of narrative space

Varlam Shalamov's Kolyma Tales Nathaniel Golden, 2021-11-01 This book analyses eleven of Varlam Shalamov s Kolyma Tales from a neo Formalist perspective The tales are a testament to Shalamov s seventeen years in Stalin s Gulags and were written in an attempt to draw attention to this period in Soviet history Nathaniel Golden has primarily utilised L M O Toole s work *Structure Style and Interpretation in the Russian Short Story* as the major basis for analysis but has incorporated many other Formalist and indeed Structuralist methods The tales in each chapter are analysed by means of five major Formalist categories Narrative Structure Point of View Fabula and Sujet Characterisation and Setting This process highlights many of Shalamov s ideas and motifs in the tales He frequently uses techniques of estrangement and paradox to augment camp experience reflecting his belief that there is no moral emotional or spiritual gain in suffering He habitually employs a focaliser to tell the tale from a near death perspective and in consequence distances the author from events His literary background is prominent within the tales where he occasionally alludes to earlier Russian authors and their works to indicate the recurring nature of Man s fallibility against the Gulag background His characters are often simply portrayed yet representative of flawed heroes and the baseness of human beings subjected to an existence in extremis His settings are minimal yet form a major part of his message Man is compared to nature but nature is powerful and able to regenerate itself whereas Man s existence is temporary and futile This book therefore shows that the Formalist approach is indeed still valid as a literary tool of analysis as well as showing that upon the 50th year of Stalin s death Varlam Shalamov s time has arrived

The Cambridge Companion to Modern Russian Culture Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past

The Hermeneutic Spiral and Interpretation in Literature and the Visual Arts Michael O'Toole, 2018-03-26 This collection brings together eighteen of the author s original papers previously published in a variety of academic journals and edited collections over the last three decades on the process of

interpretation in literature and the visual arts in one comprehensive volume The volume highlights the centrality of artistic texts to the study of multimodality organized into six sections each representing a different modality or semiotic system including literature television film painting sculpture and architecture A new introduction lays the foundation for the theoretically based method of analysis running through each of the chapters one that emphasizes the interplay of textual details and larger thematic purposes to create an open ended and continuous approach to the interpretation of artistic texts otherwise known as the hermeneutic spiral Showcasing Michael O Toole s extensive contributions to the field of multimodality and in his research on interpretation in literature and the visual arts this book is essential reading for students and scholars in multimodality visual arts art history film studies and comparative literature **Diary of a Superfluous**

Man and Other Novellas Ivan Turgenev, 2019-03-07 Driven to his deathbed by an incurable disease the thirty year old impoverished gentleman Chulkaturin decides to write a diary looking back on his short life After describing his youthful disillusionment and his family s fall from grace and loss of status the narrative focuses on his love for Liza the daughter of a senior civil servant his rivalry with the dashing Prince N and his ensuing humiliation These pages helped establish the archetype of the e superfluous man a recurring figure in nineteenth century Russian literature First published in 1850 The Diary of a Superfluous Man was initially censored by the authorities as some of its passages were deemed too critical of Russian society This volume also includes two other masterly novellas also touching on the theme of disappointed love Asya and First Love *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public **The Language of Displayed Art** Michael O'Toole, 1994 Drawing on his background as a linguist O Toole analyses in detail a number of major works of art to show how the semiotic approach relates a work s immediate impact to other aspects of our response to it to the scene portrayed to the social intellectual and economic world within which the artist and his or her patrons worked and to our own world It further provides ways of talking about and interrelating aspects of composition technique and the material qualities of the work

Intersections and Transpositions Andrew Wachtel, 1998 This collection serves as an introduction to the great variety of approaches being used by Slavists and historians to situate music and literature in the Russian cultural imagination Part I focuses on music in art The nine essays in this section explore the complex interaction of literary and musical texts in the nineteenth and twentieth centuries Contributors discuss such writers as Pushkin Chekhov and Pasternak and composers including Musorgsky Prokofiev Shostakovich and Blok Part II centers on music in life Its five essays address music as a cultural form as presented and enjoyed in the home the theater and the opera house This book provides a unique window on The musical literary and social interactions that have been typical of modern Russian culture Contributing to this volume are Thomas P Hodge Caryl Emerson Jennifer Fuller Justin Weir Alexander Burry James Morgan Andrew Baruch Wachtel Tim

Langen Jesse Langen Richard Stites Ilya Vinitsky Julie Buckler Rosamund Bartlett Boris Gasparov Nicholas Glossop and Amy Nelson **The Zero Hour** Andrew Horton, Michael Brashinsky, 2021-03-09 Now faced with the zero hour created by a new freedom of expression and the dramatic breakup of the Soviet Union Soviet cinema has recently become one of the most interesting in the world aesthetically as well as politically How have Soviet filmmakers responded to the challenges of glasnost To answer this question the American film scholar Andrew Horton and the Soviet critic Michael Brashinsky offer the first book length study of the rapid changes in Soviet cinema that have been taking place since 1985 What emerges from their collaborative dialogue is not only a valuable work of film criticism but also a fascinating study of contemporary Soviet culture in general Horton and Brashinsky examine a wide variety of films from BOMZH initials standing for homeless drifter through Taxi Blues and the glasnost blockbuster Little Vera to the Latvian documentary Is It Easy to Be Young and the new wave productions of the Wild Kazakh boys The authors argue that the medium that once served the Party became a major catalyst for the deconstruction of socialism especially through documentary filmmaking Special attention is paid to how filmmakers from 1985 through 1990 represent the newly discovered past of the pre glasnost era and how they depict troubled youth and conflicts over the role of women in society The book also emphasizes the evolving uses of comedy and satire and the incorporation of genre film techniques into a new popular cinema An intriguing discussion of films of Georgia Estonia Latvia Lithuania and Kazakhstan ends the work **Poetics of the Text** Joe Andrew, 1992
