One Hundred Years of Struggle Joan Sangster, 2018-03-08 On the eve of celebrating the 100th anniversary of women's right to vote in Canada comes a book the first in a series on women's suffrage and the struggle for democracy by acclaimed historian Joan Sangster The achievement of the vote in 1918 is often presented as a triumphant moment in the onward upward advancement of Canadian women In this beautifully illustrated book acclaimed historian Joan Sangster looks beyond the shiny rhetoric of anniversary celebrations and Heritage Minutes to show that the struggle for equality included gains and losses inclusions and exclusions depending on a woman's race class and location in the nation Beginning with Mary Shadd Cary's demands for equal rights for women and blacks in the 1850s and ending with Indigenous women's achievement of the vote in the 1960s Sangster travels back in time to tell a new more inclusive story for a new generation The history of the vote as Joan Sangster tells it offers vital insights into our political life exposing not only the fissures of inequality that cut deep into our country's past but also their weaknesses in the face of resistance optimism and protest an inspiring legacy that still resonates to this day

Houses for All Jill Wade, 1994-01-01 Houses for All is the story of the struggle for social housing in Vancouver between 1919 and 1950 It argues that however temporary or limited their achievements local activists played a significant role in the introduction implementation or continuation of many early national housing programs Ottawa's housing initiatives were not always unilateral actions in the development of the welfare state The drive for social housing in Vancouver complemented the tradition of housing activism that already existed in the United Kingdom and to a lesser degree in the United States

Rethinking Feminist History and Theory Lisa Pasolli, Julia Smith, 2025-01-31 Rethinking Feminist History and Theory considers the past present and future of feminist history and theory emphasizing how feminism has influenced the histories of gender class and labour and their intersections This vibrant collection inspired by the work of historian and women's studies scholar Joan Sangster features essays from academics across multiple disciplines highlighting the dynamism of feminist historical scholarship in Canada The book explores questions such as the following How has women's resistance and radicalism been expressed lived represented and repressed over the past century How do we research these phenomena How do we situate feminism in relation to other movements for egalitarian social change Contributors explicitly address these recurring themes aiming to chart new directions for future research and teaching While primarily Canadian focused the collection includes global perspectives with contributions from scholars in Chile Finland Sweden and the UK The essays emphasize the importance of cross disciplinary collaboration incorporating insights from labour studies political economy anthropology legal studies and feminist theory Ultimately Rethinking Feminist History and Theory engages deeply with Sangster's rich and wide ranging work to understand and interpret women's experiences It seeks to inspire future scholarship and teaching in feminist history and theory showcasing the ongoing relevance and adaptability of feminist

perspectives **Infidels and the Damn Churches** Lynne Marks, 2017-06-09 British Columbia is at the forefront of a secularizing movement in the English speaking world Nearly half its residents claim no religious affiliation and the province has the highest rate of unbelief or religious indifference in Canada *Infidels and the Damn Churches* explores the historical roots of this phenomenon from the 1880s to the First World War Lynne Marks reveals that class and racial tensions fuelled irreligion in a world populated by embattled ministers militant atheists turn of the century New Agers rough living miners Asian immigrants and church going settler women White working class men often arrived in the province alone and identified the church with their exploitative employers At the same time BC's anti Asian and anti Indigenous racism meant that their whiteness alone could define them as respectable without the need for church affiliation Consequently although Christianity retained major social power elsewhere many people in BC found the freedom to forgo church attendance or espouse atheist views This nuanced study of mobility gender masculinity and family in settler BC offers new insights into BC's distinctive culture and into the beginnings of what has become an increasingly dominant secular worldview across Canada *Fight Or Pay* Desmond Morton, 2004 One Canadian in eight volunteered to fight between 1914 and 1918 and more than half of them were enlisted Soldiers left their families behind to the tender mercy of a tight fisted government and the Canadian Patriotic Fund a national charity dominated by its wealthy donors In time the soldiers were remembered as the sacrificial heroes who won Canada a respected place in the world The women who paid in loneliness and poverty were as easily forgotten as their letters soaked in blood and Flanders mud *Fight or Pay* tells the story of what happened to the soldiers families and their quiet contributions to a fairer deal for Canadians in peace and war **Demanding Equality** Joan Sangster, 2021-06-15 For one hundred years women fashioned different dreams of social transformation in their search for equality autonomy and dignity yet what is Canadian feminism *Demanding Equality* offers illustrations of feminist thought and organizing from mid nineteenth century Enlightenment inspired writing to the multi issue movement of the 1980s Broadening our definition of feminism and recognizing that its political cultural and social dimensions are entangled Joan Sangster explores the different pathways pursued to gain equality She challenges the popular wave theory concluding that feminist activism was continuous despite changing significantly across decades *Demanding Equality* presents a picture of a heterogeneous movement characterized by both alliances and fierce internal debates This comprehensive rear view look at feminism in all its political guises encourages a wider public conversation about what Canadian feminism has been is and should be **Working Girls in the West** Lindsey McMaster, 2008-07-01 As the twentieth century got under way in Canada young women who entered the paid workforce became the focus of intense public debate Young wage earning women working girls embodied all that was unnerving and unnatural about modern times the disintegration of the family the independence of women and the unwholesomeness of city life These anxieties were amplified in the West Long after eastern Canada was considered settled and urbanized the West continued to be represented as a frontier where the idea of the region as a society in the making

added resonance to the idea of the working girl as social pioneer Using an innovative interpretive approach that centres on literary representation Lindsey McMaster takes a fresh look at the working heroine of western Canadian literature alongside social documents and newspaper accounts of her real life counterparts *Working Girls in the West* heightens our understanding of a figure that fired the imagination of writers and observers at the turn of the last century

Feminist Challenge to the Canadian Left, 1900-1918 Janice Newton, 1995-02-06 Newton argues that socialist women and their concerns posed a radical challenge to the male dominated left Early socialist women fought to be treated as equals and actively debated popular women s issues including domestic work women in industry sexuality and women s suffrage They provided a unique and vibrant perspective on these issues and challenged the middle class bias inherent in the women s movement Broadening our understanding of Canadian social history Newton analyses the intersection of two important social movements the labour socialist and the turn of the century feminist movements and draws conclusions that are essential for understanding the class and gender characteristics of social criticism and activism in this period
