Struggles Of The Naga Tribe:

The Struggle of the Naga Tribe W. S. Rendra, 1979 **The struggle of the Naga tribe (Kisah perjuangan suku Naga, engl.) A play** Willibrodus Surendra Rendra, Max Lane, 1979 **Problems of Ethnicity in the North-East India** Braja Bihārī Kumāra, 2007 Papers presented at the Seminar on the Problems of Ethnicity in the North East India held in 2006 in New Delhi organized by Astha Bharati *Struggles for Peace and Justice* Karl-Julius Reubke, 2020-06-16 This work by Karl Julius Reubke embodies labours of experience and reflection spanning almost 20 years. It is rich with many kinds of detail but above all Reubke's work accomplishes something the late German philosopher Hans Georg Gadamer called a *Horizontverschmelzung* a merging of horizons in service of an act of understanding. Reubke a German himself a former chemist a follower of Rudolph Steiner a self taught Sanskrit scholar and translator of ancient texts sympathetically merges those horizons with an equally complex set of horizons arising from India the post colonial search for a coherent tradition in one of the oldest civilizations the emergence of early modern spiritual and nationalist thinking the complex challenges posed by Gandhi's ethico spiritual vision and then finally from the contemporary India driven and riven by the forces of globalization the horizon of a civil social movement inspired by Gandhi and Vinobha namely Ekta Parishad. Reubke describes this movement inspired and led by P.V. Rajagopal from the inside with a personal touch and a uncannily reflective eye. All of this is an accomplishment of some note and worthy of our attention especially as we now turn to confront how we as people of the planet will face the ecological disaster our way of living has created. This too is a task of comprehension which Hannah Arendt described as the work of the unpremeditated facing up to and resisting of reality whatever it may be. Paul Schwartzentruber Independent Scholar and Activist Halifax Canada. If you wish to know what Satyagraha is all about read this candid reflective account of the struggle for freedom and justice. Gandhi and his contemporaries waged during the twentieth century and P.V. Rajagopal and Ekta Parishad have been engaged in during the 21st. Extremely timely and morally challenging. Manoranjan Mohanty Former Professor of Political Science University of Delhi New Delhi India. This book is invaluable in challenging us to develop nonviolent mass movements addressing the needs of those who are oppressed and suffering the most the impoverished the exploited those thrown off their lands adivasis women and why such movements are necessary for greater peace and justice. Douglas Allen Professor of Philosophy The University of Maine USA. This brilliant book the first major scholarly study of Ekta Parishad demonstrates how rights based mass mobilisations in contemporary India adapt Gandhian ideas in their struggle for justice and in negotiating state politics and policies with grit and compassion. Arnab Roy Chowdhury Assistant Professor Higher School of Economics HSE Moscow Russian Federation. This impressive volume addresses the topic which is possibly the most important of our time global solidarity. And it does so from the perspective of the global South drawing especially on Gandhi and Ekta Parishad. The result is a very unique combination of scholarship and vision for the future that is a must read for all students of India and Indian thought but also for those looking

for inspiration in the times of global crisis and the return of nationalisms and fascisms Boike Rehbein Professor Humboldt University Berlin Germany In a world in deep need of global solidarity as we enter an era challenged with the Covid 19 pandemic global economic devastation the continuing epidemic of racism and with an existential climate crisis Ekta Parishad shines a bright new light for humanity and our human challenges This book and this organization confront these challenges boldly and head on Jai Jagat David Blake Willis Professor Fielding Graduate University USA *UNTOLD STORIES OF THE FREEDOM STRUGGLE FROM NORTH EAST INDIA* Samudra Gupta Kashyap, Non inclusion of the tales of the anti colonial movements of the North East region in works of history and textbooks has led to a perception that the North East had not been part of the freedom struggle at all Yet the heroic acts of patriotism of those like Maniram Dewan and Kushal Konwar of Assam Ranuwa Gohain and Matmur Jamoh of present day Arunachal Pradesh Pasaltha Khuangcchera of present day Mizoram Pa Togan Sangma of Meghalaya and Tikendrajit of Manipur are no less than those of Mangal Pandey Bhagat Singh Sukhdev or Tantia Tope This books seeks to unearth such untold stories of the freedom struggle from North East India *The Naga Nation and Its Struggle Against Genocide* International Work Group for Indigenous Affairs,1986 Histories of The Indian Freedom Struggle RISHI RAJ, RAM KUMAR, RAM CHANDRA PRADHAN, 2022-08-10 Histories of the Indian Freedom Struggle This collection of histories delves into various aspects of the Indian freedom struggle offering insights into the contributions of freedom fighters impactful speeches and the journey from British rule to independence Included in this anthology are 50 GREAT FREEDOM FIGHTERS by Rishi Raj GREATEST SPEECHES OF INDIA by Ram Kumar and RAJ TO SWARAJ by Ram Chandra Pradhan Through these books readers can explore the lives of iconic freedom fighters relive the powerful speeches that inspired a nation and understand the evolution of India s struggle for independence Key Aspects of the Book 50 GREAT FREEDOM FIGHTERS Profiles of Freedom Fighters 50 GREAT FREEDOM FIGHTERS provides biographical accounts of fifty key figures who played pivotal roles in India s freedom struggle Diverse Contributions Rishi Raj s narrative celebrates the diverse contributions made by these freedom fighters in various regions and movements Lesser Known Heroes The book also introduces lesser known but equally important individuals who contributed to the freedom movement Key Aspects of the Book GREATEST SPEECHES OF INDIA Impactful Speeches GREATEST SPEECHES OF INDIA compiles some of the most powerful and influential speeches delivered during the freedom struggle Voices of Leaders Ram Kumar s narrative showcases the voices of leaders who galvanized the masses and ignited the spirit of nationalism Historical Significance The book highlights the historical significance of these speeches in shaping public opinion and mobilizing the nation Key Aspects of the Book RAJ TO SWARAJ Journey to Independence RAJ TO SWARAJ traces the historical journey from British colonial rule to India s attainment of independence Political Developments Ram Chandra Pradhan s narrative provides insights into key political developments and movements that paved the way for freedom Role of Leaders The book also examines the role of prominent leaders and their strategies in achieving self rule The authors Rishi Raj Ram Kumar and Ram Chandra Pradhan
