Struggletown Public And Private Life In Richmond 1900:

STRUGGLETOWN JANET. MCCALMAN, 2022 *Struggletown* Janet McCalman, 2021-02-02 The old Struggletowners if they could see it now would not believe their eyes In *Struggletown* Janet McCalman takes us into the inner city industrial working class suburb of Richmond in Melbourne before the gentrification of the 1970s This is a narrative richly informed by the voices and memories of those who lived there during this time the Struggletowners themselves as well as by McCalman's familiarity with the objects buildings and topography of their physical environment and her impressive awareness of larger social forces structures and patterns As urban life continues to develop in new directions and complex human and political relations suggest new futures the difficulty and necessity of remembering now also lends this classic work a palpable new relevance

Journeyings Janet McCalman, 2015-09-07 *Journeyings* begins with a tram journey the sixty nine tram collecting boys and girls from Melbourne's middle class heartland on their first day of school for 1934 It marks the beginning of an extraordinary journey through Australian private life that commences with the gold rushes of the 1850s and concludes in our own time tracing the life journeyings of a generation of boys and girls from four of Melbourne's legendary private schools In an engrossing and highly original exploration of one of the most neglected subjects in Australian social history the middle class Janet McCalman has produced a worthy successor to her acclaimed portrait of working class life *Struggletown*

The Women of Little Lon Barbara Minchinton, 2021-08-16 A vivid account of a remarkable but little known chapter in Melbourne's history Sex workers in nineteenth century Melbourne were judged morally corrupt by the respectable world around them But theirs was a thriving trade with links to the police and political leaders of the day and the leading brothels were usually managed by women While today a city lane is famously named after Madame Brussels the identities of the other flash madams the dressed girls who worked for them and the hundreds of women who solicited on the streets of the Little Lon district of Melbourne are not remembered Who were they What did their daily lives look like What became of them Drawing on the findings of recent archaeological excavations rare archival material and family records historian Barbara Minchinton brings the fascinating world of Little Lon to life Barbara Minchinton is a historian and independent researcher For several years she collaborated with a team of archaeologists on the interpretation of artefacts from Melbourne's Little Lon district She is the co editor of *The Commonwealth Block Melbourne a historical archaeology of the city's working class and immigrant communities* and the author of *The Women of Little Lon*

Becoming a mother Carla Pascoe Leahy, 2023-04-04 *Becoming a mother* charts the diverse and complex history of Australian mothering for the first time exposing the ways it has been both connected to and distinct from parallel developments in other industrialised societies In many respects the historical context in which Australian women come to motherhood has changed dramatically since 1945 And yet examination of the memories of multiple maternal generations reveals surprising continuities in the emotions and experiences of first time motherhood Drawing upon interdisciplinary insights from anthropology history psychology and

sociology Carla Pascoe Leahy unpacks this multifaceted rite of passage through more than 60 oral history interviews demonstrating how maternal memories continue to influence motherhood today Despite radical shifts in understandings of gender care and subjectivity becoming a mother remains one of the most personally and culturally significant moments in a woman's life

Sex Crimes in the Fifties Lisa Featherstone, Amanda Kaladelfos, 2016-07-18 The Australian Royal Commission into Institutional Responses to Child Sexual Abuse 2013-2017 has given national consciousness to the problematic treatment of sexual offences in Australia's past Yet there has been little historical research into the policing prosecution and punishment of those crimes This book examines Australia's treatment of sexual crimes in the 1950s a decade well known for its political and social conservatism its prudish views on morality and its prescriptive gender roles for men and women Fewer would know that this same decade saw soaring arrests mounting criminal prosecutions and intensifying public debates about how to deal with sexual offenders Or that sexual offences on children attracted the most concentrated state attention and public concern Sex Crimes in the Fifties uncovers this new history by drawing on transcripts of hundreds of criminal proceedings and extensive research in criminal justice archives We examine the criminal trial itself exploring how prosecutors defence counsel witnesses juries and judges understood sexual crimes We consider the experience of women testifying in rape trials the prosecution of sexual crimes against children the court's treatment of recent immigrants the prosecution and punishment of homosexual men the influence of psychiatric evidence and the increasing public debates over the sex offender We show that the 1950s was indeed foundational to many of our contemporary beliefs about sexual crimes This book makes a major contribution to our historical and socio-legal knowledge about sexual offences and criminal prosecution It will be of interest to historians criminologists sociologists and legal scholars as well as general readers interested in the treatment of these crimes in our past

Sex and Suffering Janet McCalman, 2012-11-27 Sex and Suffering is a ground-breaking work It tells the often shocking story of women's desperation to gain control over their lives and their health and of medicine's struggle to comprehend and manage the mysteries of nature It offers a graphic and revealing history of childbirth in Australia of the medical care of women of nursing and gender roles and of the impact of immigration on Australian society Remarkably thousands of detailed case notes from the 1850s to the 1930s survived intact at the Royal Women's Hospital Melbourne For the first time in the English-speaking world a historian was allowed to work directly from these confidential patient records Janet McCalman vividly recreates the lives of patients and the daily work of a hospital She enables readers to follow the institution through times of growth and economic depression through the grim history of criminal abortion and through the inspiring story of medical science and surgery since the coming of anaesthesia Sex and Suffering is a vivid and absorbing social history of women's health seen through the work of Australia's oldest women's hospital
